

SUMMARY: The Coast Guard will enforce the safety zone in 33 CFR 165.943 for the Bridgefest Regatta Fireworks in Houghton, MI from 9:30 p.m. through 11:30 p.m. on June 15, 2019. This action is necessary to protect participants and spectators prior to, during, and immediately after the fireworks display. During the enforcement period listed below, entry into, transiting, or anchoring within the safety zone is prohibited unless authorized by the Captain of the Port Duluth or a designated on-scene representative.

DATES: The regulations in 33 CFR 165.943(a)(1) will be enforced as listed in Table 165.943 from 9:30 p.m. through 11:30 p.m. on June 15, 2019.

FOR FURTHER INFORMATION CONTACT: If you have questions about this notice of enforcement, call or email LT Abbie Lyons, Chief of Waterways Management, Coast Guard; telephone (218) 725-3818, email DuluthWWM@uscg.mil.

SUPPLEMENTARY INFORMATION: The Coast Guard will enforce the Bridgefest Regatta Fireworks safety zone listed as item (1) in Table 165.943 of 33 CFR 165.943 from 9:30 p.m. through 11:30 p.m. on June 15, 2019 on all waters of the Keweenaw Waterway bounded by the arc of a circle with a 100-yard radius from the fireworks launch site with its center in approximate position 47°07'28" N, 088°35'02" W. This action is being taken to provide for the safety of life and property on a navigable waterway during the fireworks display.

Entry into, transiting, or anchoring within the safety zone is prohibited unless authorized by the Captain of the Port Duluth or a designated on-scene representative. The Captain of the Port Duluth or an on-scene representative may be contacted via VHF Channel 16 or at (906) 635-3217.

This notice of enforcement is issued under authority of 33 CFR 165.943 and 5 U.S.C. 552 (a). In addition to this publication in the **Federal Register**, the Coast Guard will provide the maritime community with advance notification of the enforcement of this safety zone via Broadcast Notice to Mariners.

Dated: May 3, 2019.

Safety Zones; Annual Safety Zones in the Captain of the Port Detroit Zone

AGENCY: Coast Guard, DHS.

ACTION: Final rule.

SUMMARY: The Coast Guard is updating its recurring safety zones regulations in the Captain of the Port Detroit. This rule updates 51 safety zones locations, dates, and sizes, adds three safety zones, removes six established safety zones, and reformats the regulations into an easier to read table format. These amendments will protect spectators, participants, and vessels from the hazards associated with annual marine events and firework shows, and improve the clarity and readability of the regulation.

DATES: This rule is effective June 7, 2019.

NPRM Notice of proposed rulemaking
§ Section

U.S.C. United States Code

II. Background Information and Regulatory History

On March 25, 2019 the Coast Guard published an NPRM in the **Federal Register** (83 FR 52333) entitled “Safety Zones; Annual Safety Zones in the Captain of the Port Detroit Zone.” The NPRM proposed to update the safety zones in § 165.941 to ensure accuracy of times, dates, and dimensions for various triggering and marine events that are expected to be conducted within the Captain of the Port Detroit Zone throughout the year. The purpose of the rulemaking is also to ensure vessels and persons are protected from the specific hazards related to the aforementioned events. These specific hazards include obstructions in the waterway that may cause marine casualties; collisions among vessels maneuvering at a high speed within a channel; the explosive dangers involved in pyrotechnics and hazardous cargo; and flaming/falling debris into the water that may cause injuries.

Included in the NPRM was an invitation to make comments on the proposed regulatory action for updating the safety zones in § 165.941. During the comment period that ended April 25, 2019, the Coast Guard received no comments.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034, 70051, 33 CFR 1.05.1, 6.04–1, 6.04–6, and 160.5; Department of Homeland Security Delegation No. 0170.1. The Captain of the Port Detroit (COTP) has determined these regulations are necessary to ensure vessels and persons are protected from the specific hazards related to the aforementioned events. These specific hazards include obstructions in the waterway that may cause marine casualties; collisions among vessels maneuvering at a high speed within a channel; the explosive dangers involved in pyrotechnics and hazardous cargo; and flaming/falling debris into the water that may cause injuries. Therefore, the COTP is establishing a safety zone around the event locations listed in the table under § 165.941 to help minimize risks to safety of life and property during this event.

IV. Discussion of Comments, Changes, and the Rule

As noted above, we received no comments on our NPRM published March 25, 2019. There are no changes in the regulatory text of this rule from the proposed rule in the NPRM.

This rule updates 51 safety zone locations, dates, and sizes, adds three safety zones, removes six established safety zones and reformat the regulations into an easier to read table format. These amendments will protect spectators, participants, and vessels from the hazards associated with annual marine events and firework shows, and improve the clarity and readability of the regulation.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. Executive Order 13771 directs agencies to control regulatory costs through a budgeting process. This rule has not been designated a “significant regulatory action,” under Executive Order 12866. Accordingly, the rule has not been reviewed by the Office of Management and Budget (OMB), and pursuant to OMB guidance it is exempt from the requirements of Executive Order 13771.

This regulatory action determination is based on the size, location, duration, and time of day of the safety zones. The safety zones created by this rule will be relatively small and effective during the time to ensure safety of spectator and participants for the listed triggering or marine events. Moreover, the Coast Guard will issue a Broadcast Notice to Mariners via VHF–FM about the zone, and the rule will allow vessels to seek permission to enter the zone.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section IV.A above, this rule will not have a significant economic impact on any vessel owner or operator.

If you think that your business, organization, or governmental jurisdiction qualifies as a small entity and that this rule would have a significant economic impact on it, please submit a comment (see **ADDRESSES**) explaining why you think it qualifies and how and to what degree this rule would economically affect it.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Public Law 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section. The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism

principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this rule has implications for federalism or Indian tribes, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023–01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule updates 51 safety zone locations, dates, and sizes, adds three safety zones, removes six established safety zones and reformat the regulations into an easier to read table format. It is categorically excluded from further review under paragraph L[60] of Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 01. A Record of Environmental Consideration supporting this determination is available in the docket where indicated under **ADDRESSES**.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR 165.941 as follows:

PART 165—REGULATION NAVIGATION AREAS AND LIMITED ACCESS AREAS

- 1. The authority citation for part 165 continues to read as follows:

Authority: 46 U.S.C. 70034, 70051; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Department of Homeland Security Delegation No. 0170.1.

- 2. Revise § 165.941 to read as follows:

§ 165.941 Safety Zones; Annual Events in the Captain of the Port Detroit Zone.

(a) Regulations. The following regulations apply to the safety zones listed in Table 1 to § 165.941 of this section, coordinates listed in table are North American Datum of 1983 (NAD 83).

(1) In accordance with the general regulations in § 165.23 of this part, entry into, transiting, or anchoring within any of the safety zones listed in this section is prohibited unless authorized by the Captain of the Port Detroit or a designated representative.

(2) These safety zones are closed to all vessel traffic, except as may be permitted by the Captain of the Port Detroit or his designated on-scene representative.

(3) Vessel operators desiring to enter or operate within the safety zone must contact the Captain of the Port Detroit or an on-scene representative to obtain permission to do so. The Captain of the Port Detroit or an on-scene representative may be contacted via VHF Channel 16. Vessel operators given permission to enter or operate in the

safety zone must comply with all directions given to them by the Captain of the Port Detroit, or an on-scene representative.

(4) The enforcement dates and times for each of the safety zones listed in Table 1 to § 165.941 are subject to change, but the duration of enforcement would remain the same or nearly the same total number of hours as stated in the table. In the event of a change, the Captain of the Port Detroit will provide notice to the public by publishing a Notice of Enforcement in the **Federal Register**, as well as, issuing a Broadcast Notice to Mariners.

(b) *Definitions.* The following definitions apply to this section:

(1) Designated or on scene representative means any Coast Guard commissioned, warrant, or petty officers designated by the Captain of the Port Detroit to monitor a safety zone, permit entry into a safety zone, give legally enforceable orders to persons or vessels within a safety zone, and take other actions authorized by the Captain of the Port Detroit.

(2) Public vessel means a vessel that is owned, chartered, or operated by the United States, or by a State or political subdivision thereof.

(3) Rain date refers to an alternate date and/or time in which the safety zone would be enforced in the event of inclement weather.

(c) *Suspension of enforcement.* The Captain of the Port Detroit may suspend enforcement of any of these zones earlier than listed in this section. Should the Captain of the Port suspend any of these zones earlier than the listed duration in this section, he or she may make the public aware of this suspension by Broadcast Notice to Mariners and/or on-scene notice by a designated representative.

(d) *Exemption.* Public vessels, as defined in paragraph (b) of this section, are exempt from the requirements in this section.

(e) *Waiver.* For any vessel, the Captain of the Port Detroit or a designated representative may waive any of the requirements of this section upon finding that operational conditions or other circumstances are such that application of this section is unnecessary or impractical for the purposes of safety or security.
