

contain any new factual information) pertinent to the review by May 21, 2019. However, should the Department of Commerce (“Commerce”) extend the time limit for its completion of the final results of its review, the deadline for comments (which may not contain new factual information) on Commerce’s final results is three business days after the issuance of Commerce’s results. If comments contain business proprietary information (BPI), they must conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission’s rules. The Commission’s rules with respect to filing were revised effective July 25, 2014. See 79 FR 35920 (June 25, 2014), and the revised Commission Handbook on E-filing, available from the Commission’s website at <https://edis.usitc.gov>.

In accordance with sections 201.16(c) and 207.3 of the rules, each document filed by a party to the review must be served on all other parties to the review (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

**Determination.**—The Commission has determined this review is extraordinarily complicated and therefore has determined to exercise its authority to extend the review period by up to 90 days pursuant to 19 U.S.C. 1675(c)(5)(B).

**Authority:** This review is being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.62 of the Commission’s rules.

By order of the Commission.

Issued: May 7, 2019.

### Notice of Lodging of Proposed Consent Decree Under the Clean Water Act

On April 29, 2019, the Department of Justice lodged a proposed Consent Decree with the United States District Court for the District of Hawaii in the lawsuit entitled *United States and State of Hawaii Department of Health v. Waste Management Hawaii, Inc. and City and County of Honolulu*, Civil Action No. 19–cv–00224.

The United States and the State of Hawaii Department of Health filed this lawsuit under the Clean Water Act and Hawaii State law. The complaint seeks penalties and injunctive relief for discharges of pollutants, including contaminated storm water and solid waste, from the Waimanalo Gulch Sanitary Landfill located in Oahu, Hawaii. The landfill is operated by defendant Waste Management of Hawaii, Inc., and owned by defendant the City and County of Honolulu. The proposed Consent Decree requires the Defendants to perform injunctive relief to improve storm water management and address effluent limit violations at the landfill. The proposed Consent Decree also requires payment of civil penalties to the United States of \$150,000 by Waste Management of Hawaii, Inc., and \$62,500 by the City and County of Honolulu. The proposed Consent Decree further requires payments to the Hawaii State Department of Land and Natural Resources of \$150,000 by Waste Management of Hawaii, Inc., and \$62,500 by the City and County of Honolulu, with these funds to be used for research and restoration of coral and coral habitat.

The publication of this notice opens a period for public comment on the proposed Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States and State of Hawaii Department of Health v. Waste Management Hawaii, Inc. and City and County of Honolulu*, D.J. Ref. No. 90–5–1–1–10729. All comments must be submitted no later than thirty (30) days after the publication date of this notice. Comments may be submitted either by email or by mail:
