B. Purpose

Paragraph (c) of the clause at Federal Acquisition Regulation (FAR) 52.232-5, Payments Under Fixed-Price Construction Contracts, requires that contractors under fixed-price construction contracts certify, for every

progress payment request, that payments to subcontractors/suppliers have been made from previous payments received under the contract and timely payments will be made from the proceeds of the payment covered by the certification, and that this payment request does not include any amount which the contractor intends to withhold from a subcontractor/supplier.

Paragraphs (e) and (g) of the clause at FAR 52.232-27, Prompt Payment for Construction Contracts, require contractors to notify the Government regarding any withheld amounts of a progress payment to a subcontractor, the specific cause for the withholding, and the remedial action to be taken by the subcontractor.

The information provided under these two clauses is used to determine the proper amount of payments to Federal contractors and understand when the contractor withholds amounts from subcontractors/suppliers after the Government has already paid the contractor the amounts withheld.
