

governs the process under which OIRA reviews agency draft proposed and final regulatory actions. Consistent with the disclosure provisions of Executive Order 12866, OIRA provides information about its work related to regulatory reviews on *Reginfo.gov* at www.Reginfo.gov and on OIRA's website at <https://www.whitehouse.gov/omb/oir>. Executive Order 12866 establishes a disclosure process regarding the OIRA Administrator's (or his/her designee's) meetings with outside parties during formal review of a regulatory action. OIRA discloses the subject, date, and participants of the meeting on the *Reginfo.gov* website, as well as any materials provided to OIRA at such meetings.

These meetings occur at the initiative and request of outside parties. Any member of the public may request a meeting about a regulatory action under OIRA review to present views and may invite other outside parties to attend. OIRA invites representatives from the agency or agencies that would issue the regulatory action. OIRA does not take minutes during the meeting but does, however, post on *RegInfo.gov* any written materials provided by outside parties during these meetings, including the initial meeting request.

To help ensure transparency associated with meetings pursuant to Executive Order 12866, OIRA is proposing to collect—and then post publicly—the following information from outside parties that request a meeting with OIRA to present their views on a regulatory action currently under review:

1. Names of all attendees who will be present at the meeting from the outside party or parties. Each attendee's organization or affiliation. If an attendee is representing another organization, please provide the name of the organization the attendee is representing.

2. The name of the regulatory action under review on which the party would like to present its views.

3. Electronic copies of all of briefing materials that will be used during the presentation.

4. An acknowledgment by the requesting party that all information submitted to OIRA pursuant to this collection and meeting request will be made publically available at *Reginfo.gov*.

Additionally the contact information (phone number and email) for the requesting organization will also be collected in order to confirm the meeting with them, but will not be posted. This revision includes allowing outside parties to provide the

information to OIRA through an electronic online form.

This revision to the information collection will streamline the current process for outside parties when requesting a meeting and will ensure transparency and accuracy of the docket that OIRA keeps in accordance with the disclosure provisions of Executive Order 12866. OIRA welcomes any and all public comments on the proposed collection of information such as the accuracy of OIRA's burden estimate, the practical utility of collecting this information, and whether there are additional pieces of information that could be collected from meeting requestors to further the disclosure provisions of Executive Order 12866.
