SUPPLEMENTARY INFORMATION: On June 15, 1984, OMB delegated to the Board authority under the Paperwork Reduction Act (PRA) to approve and assign OMB control numbers to collection of information requests and requirements conducted or sponsored by the Board. Board-approved collections of information are incorporated into the official OMB inventory of currently approved collections of information. Copies of the PRA Submission, supporting statements and approved collection of information instrument(s) are placed into OMB's public docket files. The Board may not conduct or sponsor, and the respondent is not required to respond to, an information collection that has been extended, revised, or implemented on or after October 1, 1995, unless it displays a currently valid OMB control number.

Final approval under OMB delegated authority of the extension for three years, with revision, of the following information collections:

Report title: Suspicious Activity Report.

Agency form number: FR 2230.

OMB control number: 7100-0212.

Effective Date: July 27, 2018.

Frequency: On occasion.

Respondents: State member banks, bank holding companies and their nonbank subsidiaries, Edge and agreement corporations, and the U.S. branches and agencies, representative offices, and nonbank subsidiaries of foreign banks supervised by the Board.

Estimated number of respondents: 6,698.

Estimated average hours per response: 1.5.

Estimated annual burden hours: 439,520.

General description of report: Since 1996, the federal banking agencies¹ and the Department of the Treasury's Financial Crimes Enforcement Network (FinCEN) have required certain types of financial institutions to report known or suspected violations of law and suspicious transactions. To fulfill these requirements, supervised banking organizations file Bank Secrecy Act—Suspicious Activity Reports (BSA—SARs).² Law enforcement agencies use the information submitted in the reports to initiate investigations and the Board

uses the information in the examination and oversight of supervised institutions.

Legal authorization and confidentiality: The FR 2230 is authorized pursuant to the Federal Reserve Act (12 U.S.C. 248(a)(1), 602, 625), the Federal Deposit Insurance Act (12 U.S.C. 1818(s)), the Bank Holding Company Act (12 U.S.C. 1844(c)), and the International Banking Act (12 U.S.C. 3105(c)(2) and 3106(a)). The FR 2230 is mandatory. SARs are confidential and may be withheld pursuant to exemption 3 of the Freedom of Information Act (5 U.S.C. 552(b)(3)), which protects information "specifically exempted from disclosure" by another statute, and by the Bank Secrecy Act (31 U.S.C. 5319), which provides that SARs "are exempt from disclosure under section 552 of title 5."

Current actions: On February 5, 2019, the Board published a notice in the **Federal Register** (84 FR 1732) requesting public comment for 60 days on the extension, with revision, of the Suspicious Activity Report.

The Board's has revised the FR 2230 to be consistent with changes implemented by FinCEN, which had added, removed, or revised several data fields on the electronically filed SAR. In addition, FinCEN had changed the file format for electronic submission of the SAR by batch filers from ASCII based fixed-length delimited file to an XML based file. The Board has not adopted any changes to the SAR regulatory reporting criteria. Institutions will continue to follow Regulation H (12 CFR 208.62) and filing instructions in determining when to file a report and what information should be included on the report.

The comment period for this notice expired on April 8, 2019. The Board did not receive any comments.

b. The accuracy of the Board's estimate of the burden of the proposed information collection, including the validity of the methodology and assumptions used;

c. Ways to enhance the quality, utility, and clarity of the information to be collected;

d. Ways to minimize the burden of information collection on respondents, including through the use of automated collection techniques or other forms of information technology; and

Proposal Under OMB Delegated Authority To Extend for Three Years, Without Revision, the Following Information Collection

Report title: Recordkeeping Provisions Associated with the Interagency Statement on Complex Structured Finance Activities.

Agency form number: FR 4022.

OMB control number: 7100-0311.

Frequency: Annual.

Respondents: State member banks, bank holding companies (other than foreign banking organizations), savings and loan holding companies (SLHCs), and U.S. branches and agencies of foreign banks.

Estimated number of respondents: 18.

Estimated average hours per response: 10.

Estimated annual burden hours: 180.

General description of report: The guidance provides that state member banks, bank holding companies (other than foreign banking organizations), SLHCs, and U.S. branches and agencies of foreign banks supervised by the Board should establish and maintain policies and procedures for identifying, evaluating, assessing, documenting, and controlling risks associated with certain complex structured finance transactions (CSFTs). The guidance states that supervised entities should provide sufficient information and convey reports to the institution's management and board of directors concerning elevated risks from CSFTs.

Legal authorization and confidentiality: The Board is authorized to issue the recordkeeping guidance associated with the Interagency Statement with respect to state member banks pursuant to sections 9(7), 11(a), 21(4), and 25(4) of the Federal Reserve Act (12 U.S.C. 325, 248(a), 483, and 602); with respect to bank holding companies pursuant to section 5(c) of the Bank Holding Company Act (12 U.S.C. 1844(c)); with respect to SLHCs pursuant to section 10(b) and (g) of the Home Owners' Loan Act (12 U.S.C. 1467a(b) and (g)); and with respect to U.S. branches and agencies of foreign banks pursuant to sections 7(c) and 13(a) of the International Banking Act of 1978 (12 U.S.C. 3105(c) and 3108(a)).

Because the recordkeeping provisions are contained within guidance, which is nonbinding, these provisions are voluntary. There are no reporting forms associated with the recordkeeping provisions of the Interagency Statement. Because any policies, procedures, or other records that were voluntarily created pursuant to the guidance in the Interagency Statement would be maintained at each financial institution,

the Freedom of Information Act (FOIA) would only be implicated if the Board obtained such records as part of the examination or supervision of a financial institution. In the event the records are obtained by the Board as part of an examination or supervision of a financial institution, this information is considered confidential pursuant to exemption 8 of the FOIA, which protects information contained in "examination, operating, or condition reports" obtained in the bank supervisory process (5 U.S.C. 552(b)(8)). In addition, the information may also be kept confidential under exemption 4 of the FOIA, which protects trade secrets or confidential commercial or financial information that is reasonably likely to result in substantial competitive harm if disclosed (5 U.S.C. 552(b)(4)).

Board of Governors of the Federal Reserve System, May 9, 2019.

Assistant Secretary of the Board.
