## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-85838; File No. SR-CboeEDGX-2019-029]

### Self-Regulatory Organizations; Cboe EDGX Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change Related to Amending its Fee Schedule Assessed on Members To Establish a Monthly Trading Rights Fee

May 10, 2019.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on April 29, 2019, Cboe EDGX Exchange, Inc. (the “Exchange” or “EDGX”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

Cboe EDGX Exchange, Inc. (the “Exchange” or “EDGX Equities”) proposes to amend its fee schedule assessed on Members to establish a monthly Trading Rights Fee. The text of the proposed rule change is provided in Exhibit 5.

The text of the proposed rule change is also available on the Exchange’s website ([http://markets.cboe.com/us/options/regulation/rule\\_filings/edgx/](http://markets.cboe.com/us/options/regulation/rule_filings/edgx/)), at the Exchange’s Office of the Secretary, and at the Commission’s Public Reference Room.

#### II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

##### A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

###### 1. Purpose

The purpose of the proposed rule change is to establish a monthly Trading Rights Fee under the “Membership Fees” section of the fee schedule. The Trading Rights Fee will be assessed on Members that trade more than a specified volume in U.S. equities, and will assist in covering the cost of regulating the Exchange and its Members. Specifically, the Exchange proposes to charge Member firms a monthly Trading Rights Fee of \$500 per month for the ability to trade on the Exchange. So as to continue to encourage active participation on the Exchange by smaller Members, the Trading Rights Fee would not be charged to Members with a monthly ADV<sup>3</sup> of less than 100,000 shares. Similarly, to continue to support individual investor order flow on the Exchange, the Trading Rights Fee would not be charged to Members in which at least 90% of their orders submitted to the Exchange per month are retail orders.

Additionally, the Exchange recognizes that new Members are new and important sources of liquidity. As such, the Exchange proposes that new Exchange Members will not be charged the proposed Trading Rights Fee for their first three months of Membership. Moreover, for any month in which a firm is approved for Membership with the Exchange, the monthly Trading Rights Fee will be pro-rated in accordance with the date on which Membership is approved. For example, if a firm’s Membership is approved on May 15, 2019, then, as proposed, it would not be charged for its first three

months of Membership. The month of August would then be pro-rated and the Trading Rights Fee would be assessed from August 15, 2019 through the end of the month. During any month in which a firm terminates Membership with the Exchange, the monthly Trading Rights Fee will not be pro-rated.

As proposed, the Exchange believes the Trading Rights Fee assessed aligns with the benefit provided by allowing Members to trade on an efficient and well-regulated market. The proposed Trading Rights Fee will fund a portion of the cost of regulating and maintaining the Exchange’s equities market. Lastly, the Exchange believes the cost of Exchange Membership, including the proposed Trading Rights Fees, is significantly lower than the cost of membership in a number of other SROs.<sup>4</sup>

###### 2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Securities Exchange Act of 1934 (the “Act”) and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.<sup>5</sup> Specifically, the Exchange believes the proposed rule change is consistent with Section 6(b)(4) of the Act,<sup>6</sup> which requires that Exchange rules provide for the equitable allocation of reasonable dues, fees, and other charges among its Members and other persons using its facilities.

In particular, the Exchange believes that the proposed Trading Right Fee is reasonable because the fee will assist in funding the overall regulation and maintenance of the Exchange. Additionally, the Exchange believes the fee is reasonable because the cost of this membership fee is generally less than the analogous membership fees of other markets. For example, the Exchange’s proposed Trading Rights Fee at \$500 a month is substantially lower than the NASDAQ Stock Market’s (“Nasdaq”) analogous fee, which assesses a monthly Trading Rights Fee of \$1,250 per member.

In addition to this, the Exchange believes that not charging a Trading Rights Fee for Members that trade less

<sup>4</sup> See NASDAQ Stock Market Equity Rules, Equity 7, Sec. 10(a) (assessing a trading rights fee of \$1,250 per month per each member); New York Stock Exchange Price List 2019, “Trading Licenses” (assessing an annual fee \$50,000 for the first trading license held by a member, to which the Exchange notes that the Exchange assesses a \$2,500 annual fee for membership, and that this annual fee coupled with 12 months of the proposed Trading Rights Fees remains substantially lower than NYSE’s annual trading license fee).

<sup>3</sup> “ADV” means average daily volume calculated as the number of shares added or removed, combined, per day. ADV is calculated on a monthly basis.

than a monthly ADV of 100,000 shares is reasonable because it ensures that smaller Members who do not trade significant volume on EDGX Equities can continue to trade on the Exchange at a lower cost. The Exchange believes that not charging a fee for such Members is reasonable because smaller Members with lower volumes executed on the Exchange consume fewer regulatory resources. The Exchange also believes that not charging a Trading Rights Fee for Members that submit 90% or more of their orders per month as retail orders is reasonable because it ensures retail broker Members can continue to submit orders for individual investors at a lower cost, thereby continuing to encourage retail investor participation on the Exchange. Furthermore, continuing to allow smaller Members and retail broker Members to trade on the Exchange without incurring a Trading Rights Fee may encourage additional participation from such Members and thereby contribute to a more diverse and competitive market for equity securities traded on the Exchange.

Additionally, the Exchange believes that not charging its new Members the proposed Trading Rights Fee for their first three months of Membership is reasonable because it provides an incentive for firms and other participants that are not currently Members of the Exchange to apply for Membership and bring additional liquidity to the market to the benefit of all market participants. The Exchange believes that not charging a Trading Rights Fee for new Members will incentivize firms to become Members of the Exchange. The Exchange believes creating incentives for new Exchange Members protects investors and the public interest by increasing the competition and liquidity across the Exchange.

The Exchange believes that the proposed Trading Rights Fee is equitable and is not unfairly discriminatory because it will apply equally to all Members with an ADV of 100,000 shares or more traded per month and all Members in which less than 90% of their orders are submitted as retail orders per month.<sup>7</sup> The Exchange believes that not charging the Trading Rights Fee for Members that do not meet these thresholds in a month is not unfairly discriminatory as it is designed to reduce the costs of smaller

Members and retail-based Members that transact on the Exchange. Furthermore, the Exchange believes that not charging a Trading Rights Fee for a new Member for the first three months of Membership is equitable and not unfairly discriminatory because the proposed waiver will be offered to all market participants that wish to become Members of the Exchange. As stated, the proposed waiver intends to incentivize new Membership which will bring increased liquidity and competition to the benefit of all market participants. In addition to this, the Exchange notes that the proposed fee is equitable and not unfairly discriminatory because it will contribute revenue to a portion of the costs incurred by the Exchange in providing its Members with an efficient and well-regulated market, which benefits all Members.

#### *B. Self-Regulatory Organization's Statement on Burden on Competition*

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange does not believe that the proposed rule change will impose any burden on intramarket competition that is not necessary in furtherance of the purposes of the Act because the proposed rule change will apply equally to all Members that reach an ADV of 100,000 shares traded or greater, and those that submit less than 90% of their orders as retail orders per month. Although smaller Members would be excluded from the Trading Rights Fee, the Exchange believes that this may increase competition by encouraging additional order flow from such smaller Members thereby contributing to a more diverse, vibrant, and competitive market. Additionally, while the proposed three month waiver of the Trading Rights Fee only applies to new Members, new Members can be an important source of liquidity and facilitate competition within the market, which uniformly benefits all market participants.

The Exchange does not believe that the proposed rule change will impose any burden on intermarket competition that is not necessary or appropriate in furtherance of the purposes of the Act because the Exchange operates in a highly competitive environment in which market participants can readily favor competing exchanges and marketplaces if they deem fee levels at a particular exchange or other venue to be excessive. If the proposed fee increase is unattractive to members, it is likely that the Exchange will lose

membership and market share as a result. As a result, the Exchange carefully considers any increases to its fees, balancing the utility in remaining competitive with other exchanges and with alternative trading systems exempted from compliance with the statutory standards applicable to exchanges, and in covering costs associated with maintaining its equities market and its regulatory programs to ensure that the Exchange remains an efficient and well-regulated marketplace. The Exchange notes that competitors are free to modify their own fees in response to its proposal, and because Members are not compelled to be Members of the Exchange and may trade on numerous other exchanges and other alternative venues, the Exchange believes that the proposed fee change will not impose a burden on intermarket competition.

#### *C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others*

The Exchange neither solicited nor received comments on the proposed rule change.

### **III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>8</sup> and paragraph (f) of Rule 19b-4<sup>9</sup> thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission will institute proceedings to determine whether the proposed rule change should be approved or disapproved.

### **IV. Solicitation of Comments**

## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-85824; File No. SR-CboeBYX-2019-008]

### Self-Regulatory Organizations; Cboe BYX Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend the Fee Schedule Applicable to the BYX Equities Trading Platform ("BYX Equities") as it Relates to Pricing for the Use of the TRIM Routing Strategy

May 10, 2019.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on May 1, 2019, Cboe BYX Exchange, Inc. ("Exchange" or "BYX") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

Cboe BYX Exchange, Inc. ("BYX" or the "Exchange") is filing with the Securities and Exchange Commission (the "Commission") a proposed rule change to amend the fee schedule applicable to the BYX equities trading platform ("BYX Equities") as it relates to pricing for the use of the TRIM routing strategy. The text of the proposed rule change is attached as Exhibit 5[sic].

The text of the proposed rule change is also available on the Exchange's website ([http://markets.cboe.com/us/equities/regulation/rule\\_filings/byx/](http://markets.cboe.com/us/equities/regulation/rule_filings/byx/)), at the Exchange's Office of the Secretary, and at the Commission's Public Reference Room.

#### II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of

the most significant aspects of such statements.

#### A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

##### 1. Purpose

The purpose of the proposed rule change is to amend the BYX Equities fee schedule to change the pricing applicable to orders routed using the TRIM routing strategy in connection with planned changes to the System routing table.<sup>3</sup> TRIM is a routing strategy offered by the Exchange that is used to target certain low cost exchanges by routing to those venues after accessing available liquidity on the BYX Book. In February 2019, New York Stock Exchange ("NYSE") was removed from the System routing table as a low cost protected market center, and NYSE National, Inc. ("NYSE National") was added as a low cost protected market center. Therefore, pursuant to Rule 11.13(b)(3), the Exchange has determined to modify the System routing table such that TRIM no longer includes NYSE, and has decided to add NYSE National as a low cost venue under the TRIM routing strategy. In addition to this, the Exchange has determined that Cboe BZX Exchange, Inc. ("BZX") is generally not a low cost venue and, therefore, should also be removed from the list of venues under the TRIM routing strategy. These changes to the TRIM routing strategy are scheduled to be introduced on May 1, 2019.

Currently, orders routed to NYSE using the TRIM routing strategy are assessed a fee of \$0.00280 per share.<sup>4</sup> Orders routed to BZX using the TRIM routing strategy are assessed a fee of \$0.00300 per share.<sup>5</sup> Also, orders currently routed to NYSE National using the SLIM routing strategy are provided a rebate of \$0.00200 and yield fee code NX. The Exchange proposes changes to these fees in connection with the changes to the routing table for TRIM.

In recognition of the fact that NYSE National can be accessed at a low cost today, the Exchange proposes to provide a rebate to orders routed to this

<sup>3</sup> The term "System routing table" refers to the proprietary process for determining the specific trading venues to which the System routes orders and the order in which it routes them. See Rule 11.13(b)(3). The Exchange reserves the right to maintain a different System routing table for different routing options and to modify the System routing table at any time without notice.
