Countervailing Duty Investigation of Wooden Cabinets and Vanities and Components Thereof From the People’s Republic of China: Postponement of Preliminary Determination

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUPPLEMENTARY INFORMATION:

Background
On March 26, 2019, the Department of Commerce (Commerce) initiated the countervailing duty (CVD) investigation of wooden cabinets and vanities and components thereof (wooden cabinets and vanities) from the People’s Republic of China (China). Currently, the preliminary determination is due no later than May 30, 2019.

Postponement of Due Date for the Preliminary Determination
Section 703(b)(1) of the Tariff Act of 1930, as amended (the Act), requires Commerce to issue the preliminary determination in a CVD investigation within 65 days after the date on which Commerce initiated the investigation. However, in accordance with 19 CFR 351.205(e), the Act permits Commerce to postpone the preliminary determination until no later than 130 days after the date on which Commerce initiated the investigation if, among other reasons, the petitioner makes a timely request for a postponement, or Commerce concludes that the parties concerned are cooperating and determining that the investigation is extraordinarily complicated. Under 19 CFR 351.205(e), the petitioner must submit a request for postponement 25 days or more before the scheduled date of the preliminary determination and must state the reason for the request. Commerce will grant the request unless it finds compelling reasons to deny the request.

In the instant investigation, the petitioner made a timely request on May 2, 2019, that we postpone the preliminary CVD determination. The petitioner stated that additional time is necessary to allow Commerce to select mandatory respondents and issue initial questionnaires, as well as to allow Commerce sufficient time to review questionnaire responses and request clarification and additional information as necessary. In accordance with 19 CFR 351.205(e), the petitioner has stated the reasons for requesting a postponement of the preliminary determination, and Commerce finds no compelling reason to deny the request. Therefore, pursuant to section 703(c)(1)(A) of the Act, we are extending the due date for the preliminary determination to no later than 130 days after the date on which this investigation was initiated, i.e., to August 5, 2019. Pursuant to section 705(a)(1) of the Act and 19 CFR 351.210(b)(1), the deadline for the final determination will continue to be 75 days after the date of the preliminary determination. This notice is issued and published pursuant to section 703(c)(2) of the Act and 19 CFR 351.205(f)(1).

Dated: May 9, 2019.

Jeffrey I. Kessler,
Assistant Secretary for Enforcement and Compliance.

All issues raised by interested parties in their case and rebuttal briefs, and our analysis thereof, are addressed in the Issues and Decision Memorandum. The issues are identified in the Appendix to this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at http://access.trade.gov and in the Central Records Unit, Room B8024 of the main Department of Commerce building. Recission of Administrative Review

It is Commerce’s practice to rescind an administrative review of a CVD order, pursuant to 19 CFR 351.213(d)(3), when there are no reviewable entries of subject merchandise during the POR for which liquidation is suspended. Normally, upon completion of an administrative review of a CVD order, the suspended entries are liquidated at the assessment rate calculated for the review period. Therefore, for an administrative review to be conducted, there must be a reviewable, suspended entry for which Commerce can instruct U.S. Customs and Border Protection (CBP) to liquidate at the newly calculated assessment rate. Based on our examination of the record, we continue to find that there is no evidence of reviewable entries, shipments, or U.S. sales of subject merchandise during the POR. Accordingly, in the absence of suspended entries of subject merchandise during the POR for this administrative review, Commerce is rescinding this administrative review of the CVD order on MCBs from China, pursuant to 19 CFR 351.213(d)(3). Commerce intends to issue appropriate assessment instructions to CBP 15 days after the date of publication of this notice.

Administrative Protective Order

This notice serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: May 7, 2019.

Assistant Secretary for Enforcement and Compliance.
