

Secretary for Enforcement and Compliance no later than seven days after the date on which the last verification report is issued in this investigation. Rebuttal briefs, limited to issues raised in case briefs, may be submitted no later than five days after the deadline date for case briefs.<sup>7</sup> Pursuant to 19 CFR 351.309(c)(2) and (d)(2), parties who submit case briefs or rebuttal briefs in this investigation are encouraged to submit with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, limited to issues raised in the case and rebuttal briefs, must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, within 30 days after the date of publication of this notice. Requests should contain the party's name, address, and telephone number, the number of participants, whether any participant is a foreign national, and a list of the issues to be discussed. If a request for a hearing is made, Commerce intends to hold the hearing at the U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230, at a time and date to be determined. Parties should confirm by telephone the date, time, and location of the hearing two days before the scheduled date.

#### Postponement of Final Determination and Extension of Provisional Measures

Section 735(a)(2) of the Act provides that a final determination may be postponed until not later than 135 days after the date of the publication of the preliminary determination if, in the event of an affirmative preliminary determination, a request for such postponement is made by exporters who account for a significant proportion of exports of the subject merchandise, or in the event of a negative preliminary determination, a request for such postponement is made by the petitioner. Section 351.210(e)(2) of Commerce's regulations requires that a request by exporters for postponement of the final determination be accompanied by a request for extension of provisional measures from a four-month period to a period not more than six months in duration.

On April 17, 2019, pursuant to 19 CFR 351.210(e), SNCZ requested that Commerce postpone the final determination and that provisional

measures be extended to a period not to exceed six months.<sup>8</sup> In accordance with section 735(a)(2)(A) of the Act and 19 CFR 351.210(b)(2)(ii), because: (1) The preliminary determination is affirmative; (2) the requesting exporter accounts for a significant proportion of exports of the subject merchandise; and (3) no compelling reasons for denial exist, Commerce is postponing the final determination and extending the provisional measures from a four-month period to a period not greater than six months. Accordingly, Commerce will make its final determination no later than 135 days after the date of publication of this preliminary determination.

#### International Trade Commission Notification

In accordance with section 733(f) of the Act, Commerce will notify the International Trade Commission (ITC) of its preliminary determination. If the final determination is affirmative, the ITC will determine before the later of 120 days after the date of this preliminary determination or 45 days after the final determination whether these imports are materially injuring, or threaten material injury to, the U.S. industry.<sup>9</sup>

#### Notification to Interested Parties

This determination is issued and published in accordance with sections 733(f) and 777(i)(1) of the Act and 19 CFR 351.205(c).

Dated: May 13, 2019.

#### Appendix I

##### Scope of the Investigation

The merchandise covered by this investigation is strontium chromate, regardless of form (including but not limited to, powder (sometimes known as granular), dispersions (sometimes known as paste), or in any solution). The chemical formula for strontium chromate is SrCrO<sub>4</sub> and the Chemical Abstracts Service (CAS) registry number is 7789-06-2.

Strontium chromate that has been blended with another product or products is included in the scope if the resulting mix contains 15 percent or more of strontium chromate by total formula weight. Products with which strontium chromate may be blended include, but are not limited to, water and solvents such as Aromatic 100 Methyl Amyl Ketone (MAK)/2-Heptanone, Acetone, Glycol Ether EB, Naphtha Leicht, and Xylene. Subject merchandise includes strontium chromate

that has been processed in a third country into a product that otherwise would be within the scope of this investigation if processed in the country of manufacture of the in-scope strontium chromate.

The merchandise subject to this investigation is currently classified in the Harmonized Tariff Schedule of the United States (HTSUS) under subheading 2841.50.9100. Subject merchandise may also enter under HTSUS subheading 3212.90.0050. While the HTSUS subheadings and CAS registry number are provided for convenience and customs purposes, the written description of the scope is dispositive.

#### Certain Uncoated Paper From Brazil: Preliminary Results of Antidumping Duty Administrative Review; 2017-2018

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce (Commerce) preliminarily determines that certain uncoated paper (uncoated paper) from Brazil is being, or is likely to be, sold in the United States at less than fair value. Interested parties are

<sup>8</sup> See SNCZ's letter, "Strontium Chromate from France: Request to Postpone the Due Date for the Final Determination," dated April 17, 2019.

<sup>9</sup> See section 735(b)(2) of the Act.

invited to comment on these preliminary results.

**DATES:** Applicable May 17, 2019.

**FOR FURTHER INFORMATION CONTACT:** Christian Llinas, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-4877.

**SUPPLEMENTARY INFORMATION:**

**Background**

On May 2, 2018, Commerce initiated the antidumping duty administrative review on uncoated paper from Brazil.<sup>1</sup> The review covers one producer/exporter of the subject merchandise, Suzano Papel e Celulose S.A. (Suzano). The period of review (POR) is March 1, 2017, through February 28, 2018. On November 27, 2018, we extended the preliminary results until January 30, 2019.<sup>2</sup> However, Commerce exercised its discretion to toll all deadlines affected by the partial federal government closure from December 22, 2018, through the resumption of operations on January 29, 2019.<sup>3</sup> As a result, the revised deadline for the preliminary results of this administrative review became March 11, 2019. On March 7, 2019, we extended the preliminary results until April 11, 2019.<sup>4</sup> On April 9, 2019, we extended the preliminary results until May 10, 2019.<sup>5</sup> Interested parties are invited to comment on these preliminary results.

**Scope of the Order**

The product covered by this review is uncoated paper from Brazil. For a full description of the scope see the Preliminary Decision Memorandum

dated concurrently with and hereby adopted by this notice.<sup>6</sup>

**Methodology**

Commerce is conducting this review in accordance with section 751(a)(1)(B) of the Act. For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum. A list of the topics included in the Preliminary Decision Memorandum is included as an appendix to this notice. The Preliminary Decision Memorandum is a public document and is made available to the public via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>, and it is available to all parties in the Central Records Unit, Room B8024 of the main Commerce building. In addition, a complete version of the Preliminary Decision Memorandum is available at <http://enforcement.trade.gov/frn/>. The signed Preliminary Decision Memorandum and the electronic versions of the Preliminary Decision Memorandum are identical in content.

**Preliminary Results of the Administrative Review**

We preliminarily determine that the following weighted-average dumping margin exists for the period March 1, 2017, through February 28, 2018.

Exporter/producer	Weighted-average margin (percent)
Suzano Papel e Celulose S.A. ....	16.25

**Disclosure and Public Comment**

We intend to disclose the calculations performed for these preliminary results to the parties within five days after public announcement of the preliminary results in accordance with 19 CFR 351.224(b). Pursuant to 19 CFR 351.309(c), interested parties may submit case briefs not later than 30 days after the date of publication of this notice. Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the date for filing case briefs.<sup>7</sup> Parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) A statement of

the issue, (2) a brief summary of the argument, and (3) a table of authorities.<sup>8</sup>

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS. An electronically filed document must be received successfully in its entirety by Commerce's electronic records system, ACCESS, by 5:00 p.m. Eastern Time within 30 days after the date of publication of this notice.<sup>9</sup> Requests should contain: (1) The party's name, address and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case briefs. Commerce intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any written briefs, not later than days after the date of publication of this notice, pursuant to section 751(a)(3)(A) of the Act.

**Assessment Rate**

If a respondent's weighted-average dumping margin is above *de minimis* in the final results of this review, we will calculate an importer-specific assessment rate based on the ratio of the total amount of dumping calculated for each importer's examined sales and the total entered value of the sales in accordance with 19 CFR 351.212(b)(1).<sup>10</sup> If a respondent's weighted-average dumping margin or an importer-specific assessment rate is zero or *de minimis* in the final results of review, we will instruct U.S. Customs and Border Protection (CBP) to liquidate the appropriate entries without regard to antidumping duties in accordance with the *Final Modification for Reviews*.<sup>11</sup> The final results of this administrative review shall be the basis for the assessment of antidumping duties on entries of merchandise under review and for future deposits of estimated duties, where applicable. We intend to issue liquidation instructions to CBP 15 days after publication of the final results of this review.

<sup>8</sup> See 19 CFR 351.309(c)(2) and (d)(2).

<sup>9</sup> See 19 CFR 351.310(c).

<sup>10</sup> In these preliminary results, Commerce applied the assessment rate calculation method adopted in *Antidumping Proceedings: Calculation of the Weighted-Average Dumping Margin and Assessment Rate in Certain Antidumping Duty Proceedings; Final Modification*, 77 FR 8101 (February 14, 2012) (*Final Modification for Reviews*).

## Cash Deposit Requirements

The following cash deposit requirements for estimated antidumping duties will be effective upon publication of the notice of final results of this review for all shipments of uncoated paper from Brazil entered, or withdrawn from warehouse, for consumption on or after the date of publication as provided by section 751(a)(2) of the Act: (1) The cash deposit rate for companies subject to this review will be equal to the weighted-average dumping margins established in the final results of the review; (2) for merchandise exported by companies not covered in this review but covered in a prior segment of this proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation but the producer is, the cash deposit rate will be the rate established for the most recently completed segment for the producer of the merchandise; (4) the cash deposit rate for all other producers or exporters will continue to be 27.11 percent, the all-others rate established in the less-than-fair-value investigation.<sup>12</sup> These cash deposit requirements, when imposed, shall remain in effect until further notice.

## Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this period of review. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

## Notification to Interested Parties

Commerce is issuing and publishing these results in accordance with sections 751(a)(1) and 777(i) of the Act and 19 CFR 351.221(b)(4).

#### Utility Scale Wind Towers From the People's Republic of China and the Socialist Republic of Vietnam: Continuation of Antidumping Duty Orders and Countervailing Duty Order

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** As a result of the determinations by the Department of Commerce (Commerce) and the International Trade Commission (ITC) that revocation of the antidumping duty (AD) orders on utility scale wind towers (wind towers) from the People's Republic of China (China) and the Socialist Republic of Vietnam (Vietnam), and revocation of the countervailing duty (CVD) order on wind towers from China would likely lead to a continuation or recurrence of dumping and countervailable subsidies, and material injury to an industry in the United States, Commerce is publishing a notice of continuation of these AD orders and the CVD order.

**DATES:** Applicable May 17, 2019.

**FOR FURTHER INFORMATION CONTACT:** Ariela Garvett, AD/CVD Operations, Office IV (AD) and Kristen Johnson, AD/CVD Operations, Office III (CVD), Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-3609 and (202) 482-4793, respectively.

### SUPPLEMENTARY INFORMATION:

#### Background

On February 15, 2013, Commerce published in the **Federal Register** the AD orders on wind towers from China and Vietnam and the CVD order on

wind towers from China.<sup>1</sup> On January 2, 2018, Commerce published the initiation of the first sunset reviews of the *Orders*, pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act).<sup>2</sup> Also, on January 2, 2018, the ITC instituted its review of the *Orders*.<sup>3</sup> Commerce received timely notices of intent to participate in these reviews from the Wind Tower Trade Coalition (WTTTC), a domestic interested party, within the deadline specified in 19 CFR 351.218(d)(1)(i).<sup>4</sup> On February 5, 2018, Commerce received complete and adequate substantive responses from the WTTTC within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i).<sup>5</sup> Commerce received no substantive response from respondent interested parties. Pursuant to section 751(c)(3)(B) of the Act, Commerce conducted expedited (120-day) sunset reviews of the *Orders*.<sup>6</sup> On April 19, 2018, the ITC published its notice to conduct a full five-year review of the *Orders*.<sup>7</sup>

As a result of its reviews, Commerce determined, pursuant to sections 751(c)(1) and 752(b) and (c) of the Act,
