Abstract of Proposed Collection

The information solicited is used to establish eligibility and qualifications at U.S. Embassies, Consulates, and Missions abroad. The respondents are locals who live in the 175 countries abroad and who are applying for a position at the U.S. Embassy, Consulate

or Mission in their country. In addition, Family members who are accompanying their partners to assignments in the U.S. Embassies, Consulates or Mission abroad. The authority is the Foreign Service Act of 1980, as amended, and 22 U.S.C. 2669(c).

Methodology

Candidates for employment use the DS-0174 to apply for Mission-advertised positions around the world. Mission recruitments generate approximately 1 million applications per year the majority of which are collected electronically using an applicant management system, Electronic Recruitment Application (ERA). Data that HR and hiring officials extract from the DS-0174 determine employment eligibility and qualifications for the position, and selections according to Federal Policies.

John K. Moyer,
Executive Director.
