The OCC requests that OMB extend its approval of the following collection.

Title: Consumer Protections for Depository Institution Sales of Insurance.

OMB Control No.: 1557–0220.

Type of Review: Extension, without revision, of a currently approved collection.

Description: This information collection is required under section 305 of the Gramm-Leach-Bliley Act (GLB Act), 12 U.S.C. 1831x. Section 305 of the GLB Act requires the OCC, the Board of Governors of the Federal Reserve System, and the Federal Deposit Insurance Corporation (collectively, the Agencies) to prescribe joint consumer protection regulations that apply to retail sales practices, solicitations, advertising, and offers of any insurance product by a depository institution or by other persons performing these activities at an office of the institution or on behalf of the institution (other covered persons). Section 305 also requires those performing such activities to disclose certain information to consumers (*e.g.*, that insurance

products and annuities are not FDIC-insured).

This information collection requires national banks, federal savings associations, and other covered persons involved in insurance sales, as defined in 12 CFR 14.20(f), to make two separate disclosures to consumers. Under 12 CFR 14.40, a national bank, federal savings association, or other covered person must prepare and provide orally and in writing: (1) Certain insurance disclosures to consumers before the completion of the initial sale of an insurance product or annuity to a consumer and (2) certain credit disclosures at the time of application for the extension of credit (if insurance products or annuities are sold, solicited, advertised, or offered in connection with an extension of credit).

Consumers use the disclosures to understand the risks associated with insurance products and annuities and to understand that they are not required to purchase, and may refrain from purchasing, certain insurance products or annuities in order to qualify for an extension of credit.

Affected Public: Businesses or other for-profit.

Frequency: On occasion.

Estimated Burden:

Estimated Number of Respondents: 527.

Total Estimated Burden Hours: 10,189 hours. This estimate was increased from 2,635. As the OCC does not track the number of disclosures under part 14, the number of similar disclosures under Regulation Z (12 CFR part 1026) was used as a proxy.

Comments: The OCC issued a notice for 60 days of comment concerning this collection on November 9, 2018, 83 FR 56150. No comments were received. Comments continue to be invited on:

(a) Whether the collection of information is necessary for the proper performance of the functions of the OCC, including whether the information has practical utility;

(b) The accuracy of the OCC’s estimate of the information collection burden;

(c) Ways to enhance the quality, utility, and clarity of the information to be collected;

(d) Ways to minimize the burden of the collection on respondents, including through the use of automated collection techniques or other forms of information technology; and

(e) Estimates of capital or start-up costs and costs of the operation, maintenance, and purchase of services necessary to provide the required information.

¹ On November 9, 2018, the OCC published a 60-day notice for this information collection, 83 FR 56150.
