SUPPLEMENTARY INFORMATION:
Priority Language for Funding Opportunities

The Agency encourages applications that will help improve life in rural America. See information on the Interagency Task Force on Agriculture and Rural Prosperity found at www.usda.gov/ruralprosperity.

Applicants are encouraged to consider projects that provide measurable results in helping rural communities build robust and sustainable economies through strategic investments in infrastructure, partnerships and innovation.

Key strategies include:

- Achieving e-Connectivity for Rural America
- Developing the Rural Economy
- Harnessing Technological Innovation
- Supporting a Rural Workforce
- Improving Quality of Life

To leverage investments in rural property, the Agency also encourages projects located in rural Opportunity Zones where projects should provide measurable results in helping communities build robust and sustainable economies. An Opportunity Zone is an economically-distressed community where new investments, under certain conditions, may be eligible for preferential tax treatment. Localities qualify as Opportunity Zones if they have been nominated for that designation by the state and that nomination has been certified by the Secretary of the U.S. Treasury via his delegation of authority to the Internal Revenue Service.

To combat a key threat to economic prosperity, rural workforce and quality of life, the Agency also encourages applications that will support the Administration’s goal to reduce the morbidity and mortality associated with Substance Use Disorder (including opioid misuse) in high-risk rural communities by strengthening the capacity to address prevention, treatment and/or recovery at the
community, county, state, and/or regional levels:

Key strategies include:

- Prevention: Reducing the occurrence of Substance Use Disorder (including opioid misuse) and fatal substance-related overdoses through community and provider education and harm reduction measures such as the strategic placement of overdose reversing devices, such as naloxone;
- Treatment: Implementing or expanding access to evidence-based treatment practices for Substance Use Disorder (including opioid misuse) such as medication-assisted treatment (MAT); and
- Recovery: Expanding peer recovery and treatment options that help people start and stay in recovery.

To focus investments in areas with the largest opportunity for growth in prosperity, the Agency encourages applications that serve the smallest communities with the lowest incomes, with an emphasis on areas where at least 20 percent of the population is living in poverty, according to the American Community Survey data by census tracts.

A. Program Description

The HPG program is a grant program, authorized under 42 U.S.C. 1490m and implemented at 7 CFR part 1944, subpart N, which provides qualified public agencies, private non-profit organizations including, but not limited to, Faith-Based and neighborhood partnerships, and other eligible entities, grant funds to assist low- and very low-income homeowners in repairing and rehabilitating their homes in rural areas. In addition, the HPG program assists cooperative housing complexes and rental property owners in rural areas in repairing and rehabilitating their units if they agree to make such units available to very low- and low-income persons. Rental property owners can include Section 515 rental properties if the eligibility requirements for the HPG program are met. In accordance with 7 CFR part 1944.663, rental property owners must agree to make the units repaired or rehabilitated available for occupancy to very low- or low-income persons for a period of not less than 5 years. The minimum 5-year restriction to rent the very low- and low-income tenants will only apply to the units that are repaired with the HPG funding. Any units within the property that were not repaired with HPG funding will not be subject to the 5-year restriction.

B. Federal Award Information

The funding instrument for the HPG program will be a grant agreement. The term of the grant can vary from 1 to 2 years, depending on available funds and demand. No maximum or minimum grant levels have been established at the National level. In accordance with 7 CFR 1944.652, coordination and leveraging of funding for repair and rehabilitation activities with housing and community development organizations or activities operating in the same geographic area is expected, but not required. You should contact the Rural Development State Office to determine the allocation. HPG applicants who were previously selected for HPG funds are eligible to submit new applications to apply for Fiscal Year (FY) 2019 HPG program funds. New HPG applications must be submitted for the renewal or supplementation of existing HPG repair and/or rehabilitation projects that will be completed with FY 2019 HPG funds.

The amount of funding available for the HPG program may be found at the following link: http://www.rd.usda.gov/programs-services/housing-preservation-grants. In addition, the Consolidated Appropriations Act, 2019 (Pub. L. 116–6) set aside for grants located in Rural Economic Area Partnership Zones (REAP Zone). The State Office will indicate on the list submitted to the National Office if the application is eligible for the REAP Zone set-aside. The National Office will then compile a national list, rank the REAP Zones applicants based on the point allocations set forth in this Federal Register Notice, and distribute the HPG REAP Zone set-aside starting with the highest scoring eligible HPG REAP Zone applicants. Other funds will be distributed under a formula allocation to states pursuant to 7 CFR part 1940, subpart L, “Methodology and Formulas for Allocation of Loan and Grant Program Funds.” Decisions on funding will be based on pre-application scores. Anyone interested in submitting an application for funding under this Notice should contact the Rural Development website periodically for updated information regarding the status of funding authorized for this program.

The commitment of program dollars will be made to selected applicants that have fulfilled the necessary requirements for obligation.

C. Eligibility Information

More eligibility requirements can be found at 7 CFR 1944.658, 1944.661, and 1944.662.

2. Cost Sharing or Matching. Pursuant to 7 CFR 1944.652, grantees are expected to coordinate and leverage funding for repair and rehabilitation activities, as well as replacement housing, with housing and community development organizations or activities operating in the same geographic area. While HPG funds may be leveraged with other resources, cost sharing or matching is not a requirement for the HPG applicant as the HPG applicant would not be denied an award of HPG funds if all other project selection criteria have been met.

L. 116–6) sections 744 and 745 regarding corporate felony convictions and corporate Federal tax delinquencies. 3. Scoring. For applicants meeting all of the requirements listed above, the Rural Development State Offices will use weighted criteria in accordance with 7 CFR part 1944, subpart N as selection for the grant recipients. Each pre-application and its accompanying statement of activities will be evaluated and, based solely on the information contained in the pre-application, the applicant’s proposal will be numerically rated on each criteria within the range provided. The highest-ranking applicant(s) will be selected based on allocation of funds available to the State.

(a) Points are awarded based on the percentage of very low-income persons that the applicant proposes to assist, using the following scale:
   (1) More than 80%: 20 points

   (4) 20% to 40%: 5 points
   (5) Less than 20%: 0 points

(b) The applicant’s proposal may be expected to result in the following percentage of HPG fund use (excluding administrative costs) to total cost of unit preservation. This percentage reflects maximum repair or rehabilitation with the least possible HPG funds due to leveraging, innovative financial assistance, owner’s contribution or other specified approaches. Points are awarded based on the following percentage of HPG funds (excluding administrative costs) to total funds:
   (1) 50% or less: 20 points
   (2) 51% to 65%: 15 points
   (3) 66% to 80%: 10 points

   (3) If the organization has administered grant programs, there are no outstanding or unresolved audit or investigative findings which might impair carrying out the proposal: 10 points.
   (d) The proposed program will be undertaken entirely in rural areas outside Metropolitan Statistical Areas, also known as MSAs, identified by Rural Development as having populations below 10,000 or in remote parts of other rural areas (i.e., rural areas contained in MSAs with less than 5,000 population) as defined in 7 CFR 1944.656: 10 points.
   (e) The program will use less than 20 percent of HPG funds for administration purposes:
      (1) More than 20%: Not eligible
      (2) 20%: 0 points
      (3) 19%: 1 point
      (4) 18%: 2 points
      (5) 17%: 3 points
      (6) 16%: 4 points
      (7) 15% or less: 5 points

(f) The proposed program contains a component for alleviating overcrowding as defined in 7 CFR 1944.656: 5 points.

In the event more than one preapplication receives the same amount of points, those preapplications will then be ranked based on the actual percentage figure used for determining the points in item (a) in the “Scoring” section of this Notice (7 CFR 1944.679(b)(1)).

Example of 1st tie-break:
Both Applicants score 80 points
Applicant X’s percentage in “Scoring” section item (a) is 65%
Applicant B’s percentage in “Scoring” section item (a) is 70%
Applicant B will be funded before Applicant X

Further, in the event that preapplications are still tied, then those preapplications still tied will be ranked based on the percentage figures used for determining the points in item (b) in the “Scoring” section of this Notice (7 CFR 1944.679(b)(2)).

Example of 2nd tie-break:
Both Applicants score 80 points
Applicant X’s percentage in “Scoring” section item (a) is 65%
Applicant X’s percentage in “Scoring” section item (b) is 55%
Applicant B’s percentage in “Scoring” section item (b) is 60%
Applicant X is ranked with a lower percentage than Applicant B
Applicant X will be funded before Applicant B

Further, 7 CFR 1944.679(c), for applications where HPG assistance to rental properties or co-ops is proposed, those still tied will be further ranked based on the number of years the units are available for occupancy under the program (a minimum of 5 years is required). For this part, ranking will be based from most to least number of years.

Example of 3rd tie-break:
Both Applicants score 80 points
Both Applicants percentage in “Scoring” section item (a) is 65%
Both Applicants percentage in “Scoring” section item (b) is 55%
Applicant X’s rental unit will be available for occupancy under the program for 10 years
Applicant B’s rental unit will be available for occupancy under the program for 5 years
Applicant X is ranked higher than Applicant B
Applicant X will be funded before Applicant B

If any of the applicants that remain tied after the 1st and 2nd tie-breaks are offering to assist single family owners, then the 3rd tie-break would not be applicable, and a lottery would be used to select the applicant to be funded.

If there is still a tie after the first two [or three, when applicable] tie-breaks, then a lottery system will be used to select the applicant to be funded. The lottery will be conducted at the National Office. The lottery will consist of the names of each application with equal scores printed onto a same size piece of paper, which will then be placed into a receptacle that fully obstructs the view of the names. The Director of the Preservation and Direct Loan Division, in the presence of two witnesses, will draw a piece of paper from the receptacle. The name on piece of paper drawn will be the applicant to be funded.

After the award selections are made, all applicants will be notified of the status of their applications by mail with form AD–622 Form, “Notice of Pre-Application Review Action.” Applicants will be given their review rights or appeal rights in accordance with 7 CFR 1944.682

At the time of notification, the Agency will advise the applicant what further information and documentation is required along with a timeline for submitting the additional information. If the Agency determines it is unable to select the application for funding, the Agency will be so informed in writing. Such notification will include the reasons the applicant was not selected. The Agency will advise applicants, whose pre-applications did not meet eligibility and/or selection criteria, of
their review rights or appeal rights in accordance with 7 CFR 1944.682.
