

certified or licensed appraisers to perform appraisals in connection with federally related transactions leading to significant delays in the performance of such appraisals. The ASC has issued procedures⁵ governing the processing of temporary waiver requests. Consistent with 12 CFR 1102.4, the ASC is publishing this notice in the **Federal Register** requesting comment on the request for a proposed temporary waiver. Interested persons have 30 calendar days from publication of the **Federal Register** notice to submit written data, views, and arguments. Within 15 days of the close of the 30-day comment period, the ASC, by order, will grant or deny a waiver, in whole or in part, and upon specified terms or conditions, including provisions for waiver termination. If the ASC approves any or all of the request, it is subject to approval by the FFIEC. The ASC's order granting or denying the waiver shall respond to comments received and shall provide reasons for the ASC's finding. The order shall be published promptly in the **Federal Register**, though in the case of an order granting a waiver, only after approval by the FFIEC.

II. Request for Temporary Waiver; Received Request

On August 1, 2018, a letter requesting consideration of a temporary waiver was submitted to the ASC by Governor Doug Burgum, State of North Dakota, the North Dakota Department of Financial Institutions, and the North Dakota Bankers Association (collectively, the Requester). On September 7, 2018, ASC staff replied by letter to the Requester, in which ASC staff described the information required to file a completed waiver request pursuant to 12 CFR 1102.2 and 1102.3. The Requester submitted additional information in a letter dated April 10, 2019, in response to the ASC's September 7, 2018 letter. On April 15, 2019, the ASC convened a Special Meeting and determined to publish a notice for comment on the request for temporary waiver in the **Federal Register**. The request seeks a waiver of appraiser credentialing requirements for appraisals for federally related transactions under \$500,000 for 1-to-4 family residential real estate transactions and under \$1,000,000 for agricultural and commercial real estate transactions throughout the State of North Dakota for a period of not less than five years.

Pursuant to 12 CFR 1102.4, the ASC is publishing a notice respecting the received request to give interested persons 30 days to comment, including

submission of written data, views and arguments.

You may view the received request by any of the following methods:

- *Viewing Received Request Electronically:* Go to <https://www.asc.gov>. In the "What's New" box on the home page, a link is provided to view the received request and supporting documentation.
- *Viewing Received Request Personally:* You may personally inspect the received request and supporting documentation at the ASC office, 1325 G Street NW, Suite 500, Washington, DC 20005. To make an appointment, please call Lori Schuster at (202) 595-7578.

III. Request for Comment

The ASC seeks comment on all aspects of the received request, including submission of written data, views and arguments. In addition, the ASC requests comment on the following:

Question 1. The ASC requests comment on whether there is a scarcity of certified or licensed appraisers available to perform appraisals for each of the following types of federally related transactions in North Dakota, or in any geographical political subdivision of North Dakota, including supporting data:

- i. 1-to-4 family residential transactions above \$250,000 and below \$500,000; or
- ii. agricultural and commercial real estate transactions above \$500,000 and below \$1 million.

Question 2. The ASC requests comment on whether there are significant delays in the performance of appraisals in North Dakota, or in any geographical political subdivision of North Dakota, including supporting data such as the average length of time between the date an appraisal is ordered and the delivery date, for federally related transactions that are:

- i. 1-to-4 family residential transactions above \$250,000 and below \$500,000; or
- ii. agricultural and commercial real estate transactions above \$500,000 and below \$1 million.

Question 3. The ASC requests comment, including supporting data, on factors that may be leading to significant delay in the performance of appraisals in connection with federally related transactions in North Dakota, and specifically whether scarcity of appraisers is leading to such significant delay, for:

- i. Residential appraisal reports; or
- ii. agricultural and commercial appraisal reports.

Question 4. The ASC requests comment, including supporting rationale, on appropriate scope, terms, or conditions of any temporary waiver, should it find that such a waiver is warranted, including whether the requested 5-year duration of a waiver would be appropriate, types of federally related transactions that any waiver should cover, dollar limits for any transactions covered by a waiver, or whether the waiver should be limited to any particular area or geography.
