The purpose of the briefing is to examine whether New York State is depriving its students of equal access to a state constitution mandated “sound basic education”, and the effect that failure has had particularly on the black and latinx communities. The Committee will also look at the possible implications of the allocation of Foundation Aid or the failure of New York State to allocate sufficient funds for education. Persons who plan to attend the meeting that require accommodations, please contact Carolyn Allen at CAllen@usccr.gov at the at least ten (10) days before the scheduled date of the meeting.

Time will be set aside at the end of the briefing so that members of the public may address the Committee after the formal presentations have been completed. Persons interested in the issue are also invited to submit written comments; the comments must be received in the regional office by Friday, July 12, 2019. Written comments may be mailed to the Regional Programs Coordination Unit, U.S. Commission on Civil Rights, 230 S Dearborn Street, Suite 2120, Chicago, IL 60604, or faxed to (312) 353-8311, or emailed to David Barreras at dbarreras@usccr.gov. SUPPLEMENTARY INFORMATION:

Background

On November 1, 2018, Commerce published a notice of opportunity to request an administrative review of the antidumping duty order on welded stainless pressure pipe from India.¹ On November 30, 2018, Commerce received timely requests to conduct an administrative review of the antidumping duty order on welded stainless pressure pipe from India from

the following firms: Hindustan Inox Limited (Hindustan) and Bhandari Foils & Tubes Ltd (Bhandari).² Based on these requests, on February 6, 2019, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), Commerce published in the **Federal Register** a notice of initiation of an administrative review covering the period November 1, 2017, through October 31, 2018.³ On February 7, 2019, Hindustan submitted a timely request to withdraw its request for administrative review.⁴ On February 12, 2019, Bhandari submitted a timely request to withdraw its request for administrative review.⁵

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if the party or parties who requested the review withdraw(s) the request within 90 days of the date of publication of the notice of initiation of the requested review. Hindustan and Bhandari timely withdrew their requests for an administrative review, and no other party requested a review of these companies. As Hindustan and Bhandari are the only two firms upon which Commerce initiated the instant review, we are rescinding this review in its entirety, pursuant to 19 CFR 351.213(d)(1).

Assessment

Commerce will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate

See memorandum to the Record from Gary Taverman, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance, "Deadlines Affected by the Partial Shutdown of the Federal Government," dated January 28, 2019. entries of welded stainless pressure pipe at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP 15 days after the publication of this notice in the **Federal Register**, if appropriate.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of the antidumping and/or countervailing duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding Administrative Protective Order

This notice serves as a final reminder to parties subject to an administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under an APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(d)(4).

Certain Steel Nails From the Socialist Republic of Vietnam: Notice of Court Decision Not in Harmony With Final Scope Ruling and Notice of Amended Final Scope Ruling Pursuant to Court Decision

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) is notifying the public that the Court of International Trade's (CIT) final judgment in this case is not in harmony with Commerce's final scope ruling. Commerce, therefore, finds that certain zinc anchors imported by OMG, Inc. (OMG), are not within the scope of the antidumping and countervailing duty orders on certain steel nails from the Socialist Republic of Vietnam (Vietnam).

DATES: Applicable May 24, 2019.

FOR FURTHER INFORMATION CONTACT: Yasmin Bordas at (202) 482-3813, AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

On August 5, 2016, OMG, an importer of zinc anchors, filed a request with Commerce for a scope ruling that its zinc anchors should be excluded from the scope of the antidumping and countervailing duty *Orders*¹ on certain steel nails from Vietnam.² OMG described the zinc anchors as a unitary article of commerce consisting of two parts: (1) A zinc alloy body; and (2) a zinc plated steel pin.³

On February 6, 2017, Commerce issued its Final Scope Ruling, in which it determined that OMG's zinc anchors are unambiguously within the scope of the *Orders* based upon the plain meaning of the *Orders* and the description of the zinc anchors contained in OMG's scope ruling request and supplemental questionnaire
