SUPPLEMENTARY INFORMATION:

I. Background and Authority

The ISMICC was established on March 15, 2017, in accordance with section 6031 of the 21st Century Cures Act, and the Federal Advisory Committee Act, 5 U.S.C. App., as amended, to report to the Secretary, Congress, and any other relevant federal department or agency on advances in serious mental illness (SMI) and serious emotional disturbance (SED), research related to the prevention of, diagnosis of, intervention in, and treatment and recovery of SMIs, SEDs, and advances in access to services and support for adults with SMI or children with SED. In addition, the ISMICC will evaluate the effect federal programs related to serious mental illness have on public health, including public health outcomes such as (A) rates of suicide, suicide attempts, incidence and prevalence of SMIs, SEDs, and substance use disorders, overdose, overdose deaths, emergency hospitalizations, emergency room boarding, preventable emergency room visits, interaction with the criminal justice system, homelessness, and unemployment; (B) increased rates of employment and enrollment in educational and vocational programs; (C) quality of mental and substance use disorders treatment services; or (D) any other criteria as may be determined by the Secretary. Finally, the ISMICC will make specific recommendations for actions that agencies can take to better coordinate the administration of mental health services for adults with SMI or children with SED. Not later than 1 (one) year after the date of enactment of the 21st Century Cures Act, and 5 (five) years after such date of enactment, the ISMICC shall submit a report to Congress and any other relevant federal department or agency.

II. Membership

This ISMICC consists of federal members listed below or their designees, and non-federal public members.

Federal Membership: Members include, The Secretary of Health and Human Services; The Assistant Secretary for Mental Health and Substance Use; The Attorney General; The Secretary of the Department of Veterans Affairs; The Secretary of the Department of Defense; The Secretary of the Department of Housing and Urban

Development; The Secretary of the Department of Education; The Secretary of the Department of Labor; The Administrator of the Centers for Medicare and Medicaid Services; and The Commissioner of the Social Security Administration.

Non-federal Membership: Members include, 14 non-federal public members appointed by the Secretary, representing psychologists, psychiatrists, social workers, peer support specialists, and other providers, patients, family of patients, law enforcement, the judiciary, and leading research, advocacy, or service organizations. The ISMICC is required to meet at least twice per year.

Carlos Castillo,

Committee Management Officer.

BILLING CODE 4162-20-P

DEPARTMENT OF HOMELAND SECURITY

Suspension of All Direct Commercial Passenger and Cargo Flights Between the United States and Venezuela

AGENCY: Office of the Secretary, Department of Homeland Security.

ACTION: Notice.

SUMMARY: This notice informs the public that the Department of Homeland Security (DHS) has determined that conditions in Venezuela threaten the safety and security of passengers, aircraft, and crew, and that the public interest requires an immediate suspension of all commercial passenger and cargo flights between the United States and Venezuela. The U.S. Department of Transportation (DOT) concurred with this determination and has issued an Order suspending all foreign air transportation for passengers or cargo to or from any airport in Venezuela, effective May 15, 2019.

DATES: Applicable May 15, 2019.

FOR FURTHER INFORMATION CONTACT: James Gregory, Acting Assistant Administrator, Strategic Communications and Public Affairs, TSA-4, Transportation Security Administration (TSA), 601 South 12th Street, Arlington, VA 20598-6004; telephone: (571) 227-3051; email: James.O.Gregory@tsa.dhs.gov.

SUPPLEMENTARY INFORMATION:

Background

Pursuant to section 44907(e) of title 49, United States Code, if “(1) a condition exists that threatens the safety or security of passengers, aircraft, or crew traveling to or from [a foreign]

airport; and (2) the public interest requires an immediate suspension of transportation between the United States and that airport,” the Secretary of Homeland Security, in coordination with the Secretary of Transportation and with the approval of the Secretary of State, shall suspend flights to and from that foreign airport.

The Secretary of Homeland Security has determined that conditions in Venezuela threaten the safety and security of passengers, aircraft, and crew, and that the public interest requires an immediate suspension of air transportation. This determination is based on several prevailing factors, which include: (1) Reports of civil unrest and violence in and around the airports; (2) the inability of TSA to gain access to Venezuelan airports to conduct required security assessments to determine whether adequate security measures are in place; (3) the current economic and political crisis in Venezuela; (4) cancellation of flights to Venezuela by American Airlines, the largest air carrier providing service, and two other carriers; (5) the U.S. Department of State’s publication of Do Not Travel advisories, suspension of Embassy operations, and recommendation that TSA inspectors not enter the country owing to safety concerns; (6) the Federal Aviation Administration’s issuance of a Notice to Airmen (NOTAM) on May 1, 2019, which prohibits all flight operations by U.S. air carriers and commercial operators in Venezuela airspace below FL 260; and (7) the risk of Maduro regime actions against U.S. citizens and U.S. interests located in Venezuela. Following Secretary of State approval, DOT concurred with this determination and suspended foreign air transportation of passengers or cargo to or from any airport in Venezuela, effective May 15, 2019.

Notice of the Secretary of Homeland Security’s finding regarding conditions in Venezuela shall be displayed prominently in all U.S. airports with regularly scheduled air carrier operations. DHS will notify the news media of this determination. The Secretary of Homeland Security has instructed TSA to require that each foreign and domestic air carrier providing air transportation originating in the United States to any person with a flight itinerary that originates in, transfers or transits through, or has a final destination of any airport in Venezuela, provide written notice to such person advising that conditions in Venezuela currently present a threat to the traveling public.

If and when the conditions in Venezuela change and if in the public interest, the Secretary of Homeland Security, in coordination with the Secretary of Transportation, will revisit this determination.

Dated: May 24, 2019.

Kevin K. McAleenan,

Acting Secretary of Homeland Security.
