SSA is soliciting comments on the accuracy of the agency's burden estimate; the need for the information; its practical utility; ways to enhance its quality, utility, and clarity; and ways to minimize burden on respondents, including the use of automated collection techniques or other forms of information technology. Mail, email, or fax your comments and recommendations on the information collection(s) to the OMB Desk Officer and SSA Reports Clearance Officer at the following addresses or fax numbers.

(OMB) Office of Management and Budget, Attn: Desk Officer for SSA, Fax: 202-395-6974, Email address: *OIRA\_Submission@omb.eop.gov* (SSA) Social Security Administration, OLCA, Attn: Reports Clearance Director, 3100 West High Rise, 6401 Security Blvd., Baltimore, MD 21235, Fax: 410-966-2830, Email address: *OR.Reports.Clearance@ssa.gov*

Or you may submit your comments online through *www.regulations.gov*,

The information collections below are pending at SSA. SSA will submit them to OMB within 60 days from the date of this notice. To be sure we consider your comments, we must receive them no later than August 5, 2019. Individuals can obtain copies of the collection instruments by writing to the above email address.

1. *Application for Lump Sum Death Payment—20 CFR 404.390-404.392—0960-0013.* SSA uses Form SSA-8 to collect information needed to authorize payment of the lump sum death payment (LSDP) to a widow, widower, or children as defined in section 202(i) of the Social Security Act (Act). Respondents complete the application for this one-time payment through use of the paper form, or person interview with an SSA employee either via telephone, or in person in a field office. For all personal interviews (either telephone or in-person), we collect the information in our electronic Modernized Claim System (MCS). Respondents are applicants for the LSDP.

2. *Report to United States Social Security Administration by Person Receiving Benefits for a Child or for an Adult Unable to Handle Funds/Report to the United States Social Security Administration—0960-0049.* Section 203(c) of the Act requires the Commissioner of SSA to make benefit deductions, and provides for the Commissioner to impose penalty deductions on benefits of individuals who fail to make timely reports of

events, which are cause for deductions. SSA uses Forms SSA-7161-OCR-SM and SSA-7162-OCR-SM to: (1) Determine continuing entitlement to Social Security benefits; (2) correct benefit amounts for beneficiaries outside the United States; and (3) monitor the performance of representative payees outside the United States. This collection is mandatory as an annual (or every other year, depending on the country of

residence) review for fraud prevention. In addition, the results can affect benefits by increasing or decreasing payment amount or by causing SSA to suspend or terminate benefits. The respondents are individuals living outside the United States who are receiving benefits on their own (or on behalf of someone else) under Title II of the Act.

**3. Waiver of Your Right to Personal Appearance before an Administrative Law Judge—20 CFR 404.948(b)(1)(i) and 416.1448(b)(1)(i)—0960-0284.** Applicants for Social Security, Old Age, Survivors and Disability Insurance (OASDI) benefits and Supplemental Security Income (SSI) payments have the statutory right to appear in person, or through a representative, and present

evidence about their claims at a hearing before an administrative law judge (ALJ). If claimants wish to waive this right to appear before an ALJ, they must do so in writing. Form HA-4608 serves as a written waiver for the claimant's right to a personal appearance before an ALJ. The ALJ uses the information we collect on Form HA-4608 to continue processing the case, and makes the

completed form a part of the documentary evidence of record by placing it in the official record of the proceedings as an exhibit. Respondents are applicants or claimants for OASDI and SSI, or their representatives, who request to waive their right to appear in person before an ALJ.

**4. Statement for Determining Continuing Eligibility, Supplemental Security Income Payment(s)—416.204—0960-0416.** To determine whether SSI recipients (1) have met and continue to meet all statutory and regulatory requirements for SSI eligibility, and (2) are receiving the correct SSI payment

amount, SSA conducts redeterminations of disability. Periodic collection of this information using Form SSA-8203-BK is the only way SSA can make these redeterminations; and collect the information as mandatory under the law. We routinely collect the information in field offices via personal

contact (face-to-face or telephone interview) using the automated Modernized SSI Claim System (MSSICS). The respondents are SSI recipients or their representative payees.

**5. Request for Social Security Statement—20 CFR 404.810—0960-0466.** Section 205(c)(2)(A) of the Act requires the Commissioner of SSA to establish and maintain records of wages paid to, and amounts of self-employment income derived by, each individual as well as the periods in which such wages were paid and such

income derived. An individual may complete and mail Form SSA-7004 to SSA to obtain a Statement of Earnings or Quarters of Coverage. SSA uses the information Form SSA-7004 collects to identify respondent's Social Security earnings records; extract posted earnings information; calculate potential benefit estimates; produce the resulting

Social Security statements; and mail them to the requesters. The respondents are Social Security number holders requesting information about their Social Security earnings records and estimates of their potential benefits.

determination process, we use Forms SSA-3375-BK through SSA-3379-BK to request information from a child's parent or guardian for children applying for SSI. The five different versions of the form contain questions about the child's

day-to-day functioning appropriate to a particular age group; thus, respondents use only one version of the form for each child. The adjudicative team (disability examiners and medical or psychological consultants) of State

disability determination services offices collect the information on the appropriate version of this form (in conjunction with medical and other evidence) to form a complete picture of the children's ability to function and

their impairment-related limitations. The adjudicative team uses the completed profile to determine: (1) If each child's impairment(s) results in marked and severe functional limitations; and (2) whether each child

is disabled. The respondents are parents and guardians of child applicants for SSI.

*7. Private Printing and Modification of Prescribed Application and Other Forms—20 CFR 422.527—0960-0663.* 20 CFR 422.527 of the Code of Federal Regulations requires a person, institution, or organization (third-party entities) to obtain approval from SSA prior to reproducing, duplicating, or privately printing any application or other form the agency owns. To obtain

SSA's approval, entities must make their requests in writing using their company letterhead, providing the required information set forth in the regulation. SSA uses the information to: (1) Ensure requests comply with the law and regulations, and (2) process requests from third-party entities who want to reproduce, duplicate, or privately print any SSA application or other SSA form.

SSA employees review the requests and provide approval via email or mail to the third-party entities. The respondents are third-party entities who submit a request to SSA to reproduce, duplicate, or privately print an SSA-owned form.

benefits, SSA can prepare the SSA-L106, Letter to Custodian of School Records, or SSA-L706, Letter to Custodian of Birth Records. SSA uses the SSA-L706 to determine the existence of primary evidence of age for SSN applicants. SSA uses both letters to verify with the issuing entity, when

necessary, the authenticity of the record submitted by the SSN applicant or claimant. The respondents are schools, State and local bureaus of vital statistics, and religious entities.

*9. Government-to-Government Services Online Website Registration Form; Government-to-Government Services Online Website Account Modification/Deletion Form—20 CFR 401.45—0960-0757.* The Government-to-Government Services Online (GSO) Website allows various external organizations to submit files to a variety of SSA systems and, in some cases, receive files in return. The SSA systems that process data transferred via GSO include, but are not limited to, systems

responsible for disability processing and benefit determination or termination. SSA uses the information on Form SSA-159, Government-to-Government Online Website Registration Form, to register the requestor to use the GSO Website. Once we receive the SSA-159, SSA provides the user with account information and conducts a walkthrough of the GSO Website as necessary. Established organizations may submit Form SSA-159 to register additional users as well. The established

requesting organizations can also complete Form SSA-160, Government-to-Government Online Website Account Modification/Deletion Form, to modify their online accounts (e.g., address change). Respondents are State and local government agencies, and some private sector business entities.

10. *Application Status—20 CFR 401.45—0960-0763.* Application Status provides users with the capability to check the status of their pending Social Security claims via the National 800 Number Automated Telephone Service. Users need their SSN and a confirmation number to access this information. SSA systems determine the

type of claim(s) the caller filed based upon the information provided. Subsequently, the automated telephone system provides callers with the option to choose the claim for which they wish to obtain status. If the caller applied for multiple claims, the automated system allows the caller to select only one claim at a time. Once callers select the

claim(s) they are calling about, an automated voice advises them of the status of their claim. The respondents are current Social Security claimants who wish to check on the status of their claims. Type of Request: Revision of an OMB-approved information collection.

11. *Statement for Determining Continuing Entitlement for Special Veterans Benefits (SVB)—0960-0782.* Title VIII of the Act provides for the payment of Special Veterans benefits (SVB) to certain World War II veterans who reside outside of the United States. SSA regularly reviews individuals' claims for SVB to determine their continued eligibility and correct payment amounts. Individuals living outside the United States receiving SVB

must report to SSA any changes that may affect their benefits. These include changes such as: (1) A change in mailing address or residence; (2) an increase or decrease in a pension, annuity, or other recurring benefit; (3) a return or visit to the United States for a calendar month or longer; or (4) an inability to manage benefits. SSA uses Form SSA-2010, to collect this information. Beneficiaries under age 90 receive notification of their benefit review along with the form every

two years, and beneficiaries age 90 or older have face-face interviews with the Foreign Service Post every year who assist them in completing this form. Currently, the average respondent is over age 90, and very few respondents are under age 90. Respondents are beneficiaries living outside the United States collecting SVB.

12. *Evidence From Excluded Medical Sources of Evidence—20 CFR 404.1503b and 416.903b—0960-0803.* Pursuant to its broad authority to regulate under sections 205(a), 702(a)(5), and 1631(d)(1) of the Act, SSA implemented section 223(d)(5)(C), as amended, through regulations at 20 CFR 404.1503b and 416.903b. These regulations require excluded medical

sources to self-report their excluded status in writing each time they submit evidence related to a claim for benefits under Titles II or XVI of the Act. Excluded medical sources' duty to self-report their excluded status apply to evidence they submit to SSA directly or through a representative, claimant, or other individual or entity. The respondents for this collection are

medical sources that: (1) Meet one of the exclusionary categories set forth in section 223(d)(5)(C)(i) of the Act, as amended; and (2) furnish evidence related to a claim for benefits under Titles II or XVI of the Act. Type of Request: Revision of an OMB-approved information collection.

## OFFICE OF THE UNITED STATES TRADE REPRESENTATIVE

### Notice of Product Exclusions: China’s Acts, Policies, and Practices Related to Technology Transfer, Intellectual Property, and Innovation

**AGENCY:** Office of the United States Trade Representative.

**ACTION:** Notice of product exclusions.

**SUMMARY:** Effective July 6, 2018, the U.S. Trade Representative (Trade Representative) imposed additional duties on goods of China with an annual trade value of approximately \$34 billion (the \$34 billion action) as part of the action in the Section 301 investigation of China’s acts, policies, and practices related to technology transfer, intellectual property, and innovation. The Trade Representative’s determination included a decision to establish a product exclusion process. The Trade Representative initiated the

exclusion process in July 2018, and stakeholders have submitted requests for the exclusion of specific products. In December 2018, March 2019, April 2019, and May 2019, the Trade Representative granted exclusion requests. This notice announces the Trade Representative’s determination to grant additional exclusion requests, as specified in the Annex to this notice. The Trade Representative will continue to issue decisions on pending requests on a periodic basis.

**DATES:** The product exclusions announced in this notice will apply as of the July 6, 2018 effective date of the \$34 billion action, and will extend for one year after the publication of this notice. U.S. Customs and Border Protection will issue instructions on entry guidance and implementation.

**FOR FURTHER INFORMATION CONTACT:** For general questions about this notice, contact Assistant General Counsels Philip Butler or Megan Grimball, or Director of Industrial Goods Justin Hoffmann at (202) 395-5725. For specific questions on customs classification or implementation of the product exclusions identified in the Annex to this notice, contact [traderemedy@cbp.dhs.gov](mailto:traderemedy@cbp.dhs.gov).

#### SUPPLEMENTARY INFORMATION:

##### A. Background

For background on the proceedings in this investigation, please see the prior notices issued in the investigation, including 82 FR 40213 (August 24, 2017), 83 FR 14906 (April 6, 2018), 83 FR 28710 (June 20, 2018), 83 FR 33608 (July 17, 2018), 83 FR 38760 (August 7, 2018), 83 FR 40823 (August 16, 2018), 83 FR 47974 (September 21, 2018), 83 FR 65198 (December 19, 2018), 83 FR 67463 (December 28, 2018), 84 FR 7966 (March 5, 2019), 84 FR 11152 (March 25, 2019), 84 FR 16310 (April 18, 2019), and 84 FR 21389 (May 14, 2019).

Effective July 6, 2018, the Trade Representative imposed additional 25 percent duties on goods of China classified in 818 8-digit subheadings of the Harmonized Tariff Schedule of the United States (HTSUS), with an approximate annual trade value of \$34 billion. See 83 FR 28710. The Trade Representative’s determination included a decision to establish a process by which U.S. stakeholders may request exclusion of particular products classified within an 8-digit HTSUS subheading covered by the \$34 billion action from the additional duties. The Trade Representative issued a notice setting out the process for the product exclusions, and opened a public docket. See 83 FR 32181 (the July 11 notice).

Under the July 11 notice, requests for exclusion had to identify the product subject to the request in terms of the physical characteristics that distinguish the product from other products within the relevant 8-digit subheading covered by the \$34 billion action. Requestors also had to provide the 10-digit subheading of the HTSUS most applicable to the particular product requested for exclusion, and could submit information on the ability of U.S. Customs and Border Protection to administer the requested exclusion. Requestors were asked to provide the quantity and value of the Chinese-origin product that the requestor purchased in the last three years. With regard to the rationale for the requested exclusion, requests had to address the following factors:

- Whether the particular product is available only from China and specifically whether the particular product and/or a comparable product is available from sources in the United States and/or third countries.
- Whether the imposition of additional duties on the particular product would cause severe economic harm to the requestor or other U.S. interests.
- Whether the particular product is strategically important or related to “Made in China 2025” or other Chinese industrial programs.

The July 11 notice stated that the Trade Representative would take into account whether an exclusion would undermine the objective of the Section 301 investigation.

The July 11 notice required submission of requests for exclusion from the \$34 billion action no later than October 9, 2018, and noted that the Trade Representative would periodically announce decisions. In December 2018, the Trade Representative granted an initial set of exclusion requests. See 83 FR 67463. The Trade Representative granted a second, third, and fourth set of exclusions in March 2019, April 2019, and May 2019. See 84 FR 11152, 84 FR 16310, and 84 FR 21389. The Office of the United States Trade Representative regularly updates the status of each pending request and posts the status at <https://ustr.gov/issue-areas/enforcement/section-301-investigations/section-301-china/section-301-exclusion-process>.

##### B. Determination To Grant Certain Exclusions

Based on the evaluation of the factors set out in the July 11 notice, which are summarized above, pursuant to sections 301(b), 301(c), and 307(a) of the Trade
