SUPPLEMENTARY INFORMATION:

Background

On May 21, 2019, Commerce published in the **Federal Register** the *Final Results* of the 2016-2017 administrative review of the antidumping duty order on CLPP from India.¹ Commerce is correcting the *Final Results* to address the inadvertent omission of our final determination of no shipments with respect to two companies.

Scope of the Order

The merchandise covered by the order is certain lined paper products. For a complete description of the scope of this order, see the "Scope of the Order" section in the Issues and Decision Memorandum accompanying the *Final Results*.

¹ See *Certain Lined Paper Products from India: Final Results of Antidumping Duty Administrative Review; 2016-2017*, 84 FR 23017 (May 21, 2019) (*Final Results*), and accompanying Issues and Decision Memorandum.

Certain Lined Paper Products From India: Notice of Correction to Final Results of Antidumping Duty Administrative Review; 2016-2017

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

Correction to Final Results—Final Determination of No Shipments

As noted in the *Preliminary Results*, we received timely no shipment claims from Lodha Offset Limited (Lodha) and Marisa International (Marisa).² On September 13, 2018, Commerce issued a no shipment inquiry to U.S. Customs and Border Protection (CBP) with respect to Lodha and Marisa and, on the same date, CBP confirmed Lodha and Marisa had no shipments of subject merchandise to the United States during the POR.³ In the *Preliminary Results*, we preliminarily determined that Lodha and Marisa had no shipments of subject merchandise to the United States during the POR. We received no comments from interested parties with respect to the companies' no shipment claims. Therefore, because the record indicates that these two companies did not export or sell subject merchandise to the United States during the POR, we continue to find that Lodha and Marisa had no shipments of subject merchandise to the United States during the POR.

This correction to the *Final Results* is published in accordance with sections 751(a)(1) and 777(i) of the Tariff Act of 1930, as amended.

Dated: May 30, 2019.

Jeffrey I. Kessler,

Assistant Secretary for Enforcement and Compliance.
