Privacy Act of 1974; System of Records

AGENCY: Bureau of Safety and Environmental Enforcement, Interior.

ACTION: Rescindment of systems of records notices.

SUMMARY: In accordance with the Privacy Act of 1974, as amended, the Department of the Interior is rescinding six systems of records notices from its existing inventory. These systems were managed by the former Minerals Management Service when they were superseded by Department-wide system of records notices; however, they were not formally rescinded. Subsequently, upon the dissolution of Minerals Management Service, responsibility for the six systems of records was

transferred to the Bureau of Safety and Environmental Enforcement. This notice formally rescinds the six systems of records notices identified below.

SUPPLEMENTARY INFORMATION: Pursuant to the provisions of the Privacy Act of 1974, as amended, the Department of the Interior (DOI), Bureau of Safety and Environmental Enforcement (BSEE) is rescinding the following six systems of records notices, which were previously managed by the former Minerals Management Service (MMS), from its inventory of system notices.

- INTERIOR/MMS-2, Personal Property Accountability Records
- INTERIOR/MMS-3, Accident Reports and Investigations
- INTERIOR/MMS-4, Personnel Security System
- INTERIOR/MMS-5, Telephone/Employee Locator System
- INTERIOR/MMS-8, Advanced Budget/Accounting Control and Information System
- INTERIOR/MMS-9, Employee Counseling Services Program

The systems of records identified above were last published in their entirety in the **Federal Register** at 64 FR 8111-8118 (February 18, 1999). MMS published a notice in the **Federal Register** at 74 FR 42922 (August 25, 2009) to add a new routine use for each system of records to authorize disclosure of information to appropriate agencies, entities, and persons in the

event of a data breach, in accordance with Office of Management and Budget Memorandum M-07-16, *Safeguarding Against and Responding to the Breach of Personally Identifiable Information*.

In May 2010, Secretary's Order 3299 directed the division of MMS into three independent entities with separate and clearly defined missions: BSEE, the Bureau of Ocean Energy Management, and the Office of Natural Resources Revenue. Responsibilities for these system of records notices transferred to BSEE. These six systems of records have been incorporated into DOI systems of records that are covered by published Department-wide systems of records notices, and are no longer being maintained under MMS systems of records notices. Rescinding these systems of records will have no adverse impacts on individuals. This rescindment will also promote the overall streamlining and management of Department of the Interior Privacy Act systems of records. This notice hereby rescinds the MMS system of records notices identified below.
