[CPCLO Order No. 02–2019]

Privacy Act of 1974; Systems of Records

AGENCY: Civil Rights Division, United States Department of Justice.

ACTION: Notice of a New System of Records.

SUMMARY: Pursuant to the Privacy Act of 1974 and Office of Management and Budget (OMB) Circular No. A–108, notice is hereby given that the Civil Rights Division (CRT), a component within the United States Department of Justice (DOJ or Department), proposes to develop a new system of records notice titled DOJ Insight Program Records System, JUSTICE/CRT–011. CRT proposes to establish this system of records to facilitate the Department’s Insight Program, a training activity for DOJ attorneys to, among other tasks, gauge reaction and thought processing of DOJ-volunteers presented with the DOJ attorneys’ proposed arguments. Through the Insight Program, the Department believes it can assist and train its trial attorneys by leveraging a community of DOJ volunteers to review and provide feedback to proposed strategies and arguments.

The InSight Program will invite willing DOJ volunteers to participate in a community of virtual focus group volunteers who are ready and willing to provide insights about certain DOJ cases. InSight will attempt to assemble a panel of DOJ volunteers that is similar to a trial attorney’s jury and/or judge. The volunteer panelists will be provided case-related information and watch recorded videos of the DOJ attorney’s anticipated strategy, and afterwards, will anonymously provide feedback to the DOJ attorney. The Justice Management Division (JMD) will provide technical resources and support to facilitate the InSight Program, but CRT will retain manage and oversight of the InSight Program.

In accordance with 5 U.S.C. 552a(r), the Department has provided a report to OMB and Congress on this new system of records.
Dated: June 3, 2019.
