

opinion proceeding, and named as parties iRobot, Silver Star, and the Office of Unfair Import Investigations (“OUII”). 84 FR 10531 (Mar. 21, 2019).

On February 21, 2019, iRobot filed an enforcement complaint against bObsweep. On April 1, 2019, the Commission instituted a formal enforcement proceeding, and named as parties iRobot, bObsweep, and OUII. 84 FR 12289 (Apr. 1, 2019). The Commission consolidated the formal enforcement proceeding with the advisory opinion proceeding described above.

On April 12, 2019, iRobot and Silver Star filed a joint motion to terminate the advisory opinion proceeding based on a settlement agreement. The Commission terminated the advisory opinion proceeding on May 15, 2019.

On May 7, 2019, iRobot and bObsweep filed a joint motion to terminate the enforcement proceeding based on a settlement agreement. On May 15, 2019, OUII filed a response arguing that the Commission should grant the motion.

On May 20, 2019, the ALJ issued the subject ID, granting the motion and terminating the enforcement proceeding based on a settlement agreement. The ALJ found that the motion complied with Rule 210.21(b) and that there is no evidence that termination by settlement has any adverse effect on the public interest. No petitions for review of the ID were filed.

The Commission has determined not to review the subject ID. The investigation is terminated.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in part 210 of the Commission’s Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: June 4, 2019.

Lisa Barton,

Secretary to the Commission.

BILLING CODE 7020–02–P

DEPARTMENT OF JUSTICE

[CPCLO Order No. 001–2019]

Privacy Act of 1974; Systems of Records

AGENCY: Criminal Division, United States Department of Justice.

ACTION: Notice of a modified System of Records.

SUMMARY: Pursuant to the Privacy Act of 1974 and Office of Management and Budget (OMB) Circular No. A–108, notice is hereby given that the Criminal Division (CRM), a component within the United States Department of Justice (DOJ) or Department, proposes to modify the existing System of Records Notice titled “United States Victims of State Sponsored Terrorism Fund (USVSSTF) File System,” JUSTICE/CRM–029, last published in its entirety in the **Federal Register** at 81 FR 45539 (July 14, 2016), and amended at 82 FR 24151 (May 25, 2017). CRM proposes to add three additional routine uses and provide non-substantive updates to its current statutory authorization.

DATES: In accordance with 5 U.S.C. 552a(e)(4) and (11), this notice is effective upon publication, subject to a 30-day comment period for the routine uses claimed in the “ROUTINE USES OF RECORDS MAINTAINED IN THE SYSTEM” section of this system of records notice. Therefore, please submit any comments by July 10, 2019.

ADDRESSES: The public, OMB, and Congress are invited to submit any comments to the Department of Justice, ATTN: Privacy Analyst, Office of Privacy and Civil Liberties, Department of Justice, Two Constitution Square, 145 N Street NE, Suite 8W.300, Washington, DC 20530, by facsimile at 202–307–0693, or by email at privacy.compliance@usdoj.gov. SUPPLEMENTARY INFORMATION: The United States Victims of State Sponsored Terrorism Fund (“Fund”) was established by the Justice for United States Victims of State Sponsored Terrorism Act (“Act”), 34 U.S.C. 20144, formerly codified as 42 U.S.C. 10609. Pursuant to the Act, the Fund may compensate eligible United States persons who (1) hold a final judgment issued by a United States district court awarding the applicant compensatory damages arising from acts of international terrorism for which a foreign state sponsor of terrorism was found not immune from the jurisdiction of the courts of the United States under the Foreign Sovereign Immunities Act; or (2) were taken and held hostage from the United States Embassy in Tehran, Iran, during the period beginning November 4, 1979, and ending January

20, 1981, or are spouses and children of these hostages, if also identified as a member of the proposed class in case number 1:00–CV–03110 (EGS) of the United States District Court for the District of Columbia.

The Department previously published the current System of Records Notice, “United States Victims of State Sponsored Terrorism Fund (USVSSTF) File System,” JUSTICE/CRM 029, in the **Federal Register** at 81 FR 45539 (July 14, 2016). The JUSTICE/CRM 029 system collects, maintains, and generates records used by CRM to adjudicate applicants’ claims for compensation filed with the Fund. Applications are submitted to the Fund by individual claimants, counsel for claimants, and personal representatives of the estates of deceased individuals. A claimant must provide sufficient information to allow the Fund’s Special Master to determine whether the claimant is eligible to receive compensation, and if so, what amount of compensation. The Act mandates the collection of information regarding other sources of compensation received by claimant related to the judgment, which may modify the amount of compensation. CRM receives and maintains copies of the application forms filed with the Fund; documentation submitted in support of the claims; and records obtained or generated to assess, adjudicate, and pay claims.

CRM proposes two substantive modifications. First, CRM proposes an update to the statutory citation of the Act, to reflect its recodification from 42 U.S.C. 10609 to 34 U.S.C. 20144. Second, CRM proposes to add three routine uses that would permit the disclosure of information in the system to: (1) Professional organizations or associations with which individuals covered by this system of records may be affiliated, to meet their responsibilities in connection with the administration and maintenance of standards of conduct and discipline; (2) agencies, organizations, and individuals for the purposes of audit and oversight operations, and meeting reporting requirements; and (3) recipients as mandated by Federal statute or treaty.

These additional routine uses were not originally proposed when JUSTICE/CRM–029 was first published. The new routine uses will promote transparency and accountability, and assist the Department and the Special Master in administering the Fund. First, the disclosure to professional organizations or associations allows the Fund to, for example, share information with appropriate authorities related to an

attorney's conduct in order to ensure the proper evaluation of claims and compliance with the Act's limitations on attorneys' fees, and to maintain the integrity of the Fund. Second, disclosure to entities or individuals conducting audits or oversight is required by Department policies and will assist in maintaining the integrity of the Fund. Lastly, disclosures mandated by Federal statute or treaty are required to comply with legal requirements, including the Act's provisions regarding subrogation rights and relations between foreign states and the United States. Accordingly, these new routine uses are related to and compatible with the original purpose of JUSTICE/CRM 029.

In accordance with 5 U.S.C. 552a(r), the Department has provided a report to OMB and Congress on this notice of a modified system of records.

BILLING CODE 4410-14-P

DEPARTMENT OF JUSTICE

[CPCLO Order No. 02-2019]

Privacy Act of 1974; Systems of Records

AGENCY: Civil Rights Division, United States Department of Justice.

ACTION: Notice of a New System of Records.

SUMMARY: Pursuant to the Privacy Act of 1974 and Office of Management and Budget (OMB) Circular No. A-108, notice is hereby given that the Civil Rights Division (CRT), a component within the United States Department of Justice (DOJ or Department), proposes to develop a new system of records notice titled DOJ Insight Program Records System, JUSTICE/CRT-011. CRT proposes to establish this system of records to facilitate the Department's Insight Program, a training activity for DOJ attorneys to, among other tasks, gauge reaction and thought processing of DOJ-volunteers presented with proposed trial arguments.

DATES: In accordance with 5 U.S.C. 552a(e)(4) and (11), this notice is effective upon publication, subject to a 30-day period in which to comment on the routine uses, described below. Please submit any comments by July 10, 2019.

ADDRESSES: The public, OMB, and Congress are invited to submit any

comments by mail to the United States Department of Justice, Office of Privacy and Civil Liberties, ATTN: Privacy Analyst, National Place Building, 1331 Pennsylvania Avenue NW, Suite 1000, Washington, DC 20530; by facsimile at 202-307-0693; or by email at privacy.compliance@usdoj.gov. To ensure proper handling, please reference the above CPCLO Order No. on your correspondence.

FOR FURTHER INFORMATION CONTACT: Daniel Yi, Senior Counsel, Civil Rights Division, 950 Pennsylvania Avenue NW, Washington, DC 20530, phone: (202) 514-4609.

SUPPLEMENTARY INFORMATION: In order to assist in achieving its mission and performance goals by improving employee and organizational performance, DOJ is authorized to develop training activities for its employees using a full range of options to meet its mission-related organizational and employee development needs. As such, the Department recognizes that trial attorneys faced with important questions and decisions for their juries and judges lack available resources to gauge reaction and thought processing when those individuals are presented with the DOJ attorneys' proposed arguments. Through the Insight Program, the Department believes it can assist and train its trial attorneys by leveraging a community of DOJ volunteers to review and provide feedback to proposed strategies and arguments.

The InSight Program will invite willing DOJ volunteers to participate in a community of virtual focus group panelists who are ready and willing to provide insights about certain DOJ cases. InSight will attempt to assemble a panel of DOJ volunteers that is similar to a trial attorney's jury and/or judge. The volunteer panelists will be provided case-related information and watch recorded videos of the DOJ attorney's anticipated strategy, and afterwards, will anonymously provide feedback to the DOJ attorney. The Justice Management Division (JMD) will provide technical resources and support to facilitate the InSight Program, but CRT will retain manage and oversight of the InSight Program.

In accordance with 5 U.S.C. 552a(r), the Department has provided a report to OMB and Congress on this new system of records.
