

**DEPARTMENT OF COMMERCE****Submission for OMB Review;  
Comment Request**

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

*Agency:* Committee for the Implementation of Textile Agreements.

*Title:* Interim Procedures for Considering Requests under the Commercial Availability Provision of the United States—Peru Trade Promotion Agreement Implementation Act.

*Form Number(s):* N/A.

*OMB Control Number:* 0625–0265.

*Type of Request:* Regular submission.

*Number of Respondents:* 16 (10 for Requests; 3 for Responses; 3 for Rebuttals).

*Average Hours per Response:* 8 hours per Request; 2 hours per Response; and 1 hour per Rebuttal.

*Burden Hours:* 89.

*Needs and Uses:* The United States and Peru negotiated the U.S.-Peru Trade Promotion Agreement (the Agreement), which entered into force on February 1, 2009. Subject to the rules of origin in Annex 4.1 of the Agreement, pursuant to the textile provisions of the Agreement, a fabric, yarn, or fiber produced in Peru or the United States and traded between the two countries is entitled to duty-free tariff treatment. Annex 3-B of the Agreement also lists specific fabrics, yarns, and fibers that the two countries agreed are not available in commercial quantities in a timely manner from producers in Peru or the United States. The items listed in Annex 3-B are commercially unavailable fabrics, yarns, and fibers. Articles containing these items are entitled to duty-free or preferential treatment despite containing inputs not produced in Peru or the United States.

The list of commercially unavailable fabrics, yarns, and fibers may be changed pursuant to the commercial availability provision in Chapter 3, Article 3.3, Paragraphs 5–7 of the Agreement. Section 203(o) of the Act implements the commercial availability provision of the Agreement. Under this provision, interested entities from Peru or the United States have the right to request that a specific fabric, yarn, or fiber be added to, or removed from, the list of commercially unavailable fabrics, yarns, and fibers in Annex 3-B.

Section 203(o) of the Act provides that the President may modify the list of

fabrics, yarns, and fibers in Annex 3-B by determining whether additional fabrics, yarns, or fibers are not available in commercial quantities in a timely manner in the United States or Peru, and that the President will issue procedures governing the submission of requests and providing an opportunity for interested entities to submit comments. The President delegated the responsibility for publishing the procedures and administering commercial availability requests to CITA, which issues procedures and acts on requests through the U.S. Department of Commerce, Office of Textiles and Apparel (OTEXA) (*See* Proclamation No. 8341, 74 FR 4105, Jan. 22, 2009). Interim procedures to implement these responsibilities were published in the **Federal Register** on August 14, 2009. (*See* Interim Procedures for Considering Requests Under the Commercial Availability Provision of the United States-Peru Trade Promotion Agreement Implementation Act and Estimate of Burden for Collection of Information, 74 FR 41111, Aug. 14, 2009) (Commercial Availability Procedures).

The intent of the Commercial Availability Procedures is to foster the use of U.S. and regional products by implementing procedures that allow products to be placed on or removed from a product list, on a timely basis, and in a manner that is consistent with normal business practice. The procedures are intended to facilitate the transmission of requests; allow the market to indicate the availability of the supply of products that are the subject of requests; make available promptly, to interested entities and the public, information regarding the requests for products and offers received for those products; ensure wide participation by interested entities and parties; allow for careful review and consideration of information provided to substantiate requests and responses; and provide timely public dissemination of information used by CITA in making commercial availability determinations.

CITA must collect certain information about fabric, yarn, or fiber technical specifications and the production capabilities of Peruvian and U.S. textile producers to determine whether certain fabrics, yarns, or fibers are available in commercial quantities in a timely manner in the United States or Peru, subject to Section 203(o) of the Act.

*Affected Public:* Business or other for-profit.

*Frequency:* Varies.

*Respondent's Obligation:* Voluntary.

This information collection request may be viewed at [reginfo.gov](http://reginfo.gov). Follow

the instructions to view Department of Commerce collections currently under review by OMB.

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to [OIRA\\_Submission@omb.eop.gov](mailto:OIRA_Submission@omb.eop.gov) or fax to (202) 395–5806.

**FOR FURTHER INFORMATION CONTACT:** Rachel Greenberg, or Hannah Falvey AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–0652, or (202) 482–4889 respectively.

**SUPPLEMENTARY INFORMATION:**

**Background**

On September 21, 2018, Commerce published in the **Federal Register** the notice of initiation of this anti-

circumvention inquiry.<sup>1</sup> For a complete description of the events that followed the initiation of this inquiry, see the Preliminary Decision Memorandum.<sup>2</sup> A list of topics included in the Preliminary Decision Memorandum is included at Appendix I to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>, and to all parties in the Central Records Unit, Room B8024 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <http://enforcement.trade.gov/frn/>. The signed and the electronic versions of the Preliminary Decision Memorandum are identical in content.

### Scope of the Orders

The products covered by the *Orders* are certain hardwood plywood products.<sup>3</sup> For a complete description of the scope of the *Orders*, see the Preliminary Decision Memorandum.<sup>4</sup>

### Scope of the Anti-Circumvention Inquiry

This anti-circumvention inquiry covers certain plywood products with face and back veneers of radiata and/or agathis pine that: (1) TSCA or CARB label certifying that it is compliant with TSCA/CARB requirements; and (2) is made with a resin, the majority of which is comprised of one or more of the following three product types: Urea formaldehyde, polyvinyl acetate, and/or soy exported from China. This preliminary ruling applies to all shipments of inquiry merchandise on or after the date of the initiation of this inquiry. Importers and exporters of plywood from China with both outer veneers made of a softwood species of

wood (softwood plywood products), must certify that the softwood plywood products do not meet all three of the following criteria: (1) Have both outer veneers of radiata and/or agathis pine; (2) are made with a resin, the majority of which is comprised of urea formaldehyde, polyvinyl acetate, and/or soy; and (3) have a TSCA or CARB label certifying that they are compliant with TSCA/CARB requirements, as provided for in the certifications in the appendices to this **Federal Register** notice.

### Methodology

Commerce is conducting this anti-circumvention inquiry in accordance with section 781(d) of the Act. For a full description of the methodology underlying Commerce's preliminary determination, see the Preliminary Decision Memorandum.

### Preliminary Finding

As detailed in the Preliminary Decision Memorandum, we preliminarily determine that the inquiry merchandise exported from China is circumventing the *Orders*. As such, we preliminarily determine that it is appropriate to include this merchandise within the *Orders* and to instruct U.S. Customs and Border Protection (CBP) to suspend any entries of inquiry merchandise from China that entered the United States on or after the date of the initiation of this inquiry.

### Suspension of Liquidation

In accordance with 19 CFR 351.225(l)(2), Commerce will direct CBP to suspend liquidation and to require a cash deposit of estimated duties on unliquidated entries of inquiry merchandise that were entered, or withdrawn from warehouse, for consumption on or after September 18, 2018, the date of initiation of the anti-circumvention inquiry.

The suspension of liquidation instructions will remain in effect until further notice. Commerce will instruct CBP to require AD cash deposits equal to the China-wide rate of 182.90 percent and CVD cash deposits equal to the rate established for the China all-others rate of 22.98 percent, unless the importer/exporter can certify to CBP that the Chinese-origin inquiry merchandise was supplied by a Chinese manufacturer with a company-specific separate rate. In that instance, the cash deposit rate will be the rate of the Chinese inquiry merchandise manufacturer that has its own rate.<sup>5</sup>

### Public Comment

Case briefs or other written comments may be submitted to the Assistant Secretary for Enforcement and Compliance no later than seven days after the date on which the last final verification report is issued in this anti-circumvention inquiry, unless the Secretary alters the time limit. Rebuttal briefs, limited to issues raised in case briefs, may be submitted no later than five days after the deadline date for case briefs.<sup>6</sup> Pursuant to 19 CFR 351.309(c)(2) and (d)(2), parties who submit case briefs or rebuttal briefs in this anti-circumvention inquiry are encouraged to submit with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, limited to issues raised in the case and rebuttal briefs, must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, within 30 days after the date of publication of this notice. Requests should contain the party's name, address, and telephone number, the number of participants, whether any participant is a foreign national, and a list of the issues to be discussed. If a request for a hearing is made, Commerce intends to hold the hearing at the U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230, at a time and date to be determined.

### International Trade Commission Notification

Commerce, consistent with section 781(e) of the Act, has notified the International Trade Commission (ITC) of this preliminary determination to include the merchandise subject to this anti-circumvention inquiry within the *Orders*. Pursuant to section 781(e) of the Act, the ITC may request consultations concerning Commerce's proposed inclusion of the inquiry merchandise. If, after consultations, the ITC believes that a significant injury issue is presented by the proposed inclusion, it will have 60 days from the date of notification by Commerce to provide written advice.

If an importer imports plywood from China with outer veneers both made of softwood plywood, and claims that its softwood plywood products produced in China do not meet all three of the following criteria: (1) Have both outer veneers of radiata and/or agathis pine; (2) are made with a resin, the majority of which is comprised of urea formaldehyde, polyvinyl acetate, and/or soy; and (3) have a Toxic Substances Control Act (TSCA) or California Air Resources Board (CARB) label certifying that they are compliant with TSCA/CARB requirements, then the importer is required to complete and maintain the importer certification attached hereto as Appendix III.

The importer and exporter are required to maintain the exporter certification attached hereto as Appendix IV. The importer certification must be completed, signed, and dated at the time of the entry of the plywood product. The exporter certification must be completed, signed, and dated at the time of shipment of the relevant entries. For shipments and/or entries on or after June 4, 2019, but before the publication of this notice in the **Federal Register**, for which certifications are required, importers and exporters should complete the required certification within 30 days of the publication of this notice in the **Federal Register**. The importer and Chinese exporter are also required to maintain sufficient documentation supporting their certifications. The importer will not be required to submit the certifications or supporting documentation to CBP as part of the entry process. However, the importer and the exporter will be required to present the certifications and supporting documentation to the Department of Commerce (Commerce) and/or U.S. Customs and Border Protection (CBP), as applicable, upon request by the respective agency. Additionally, the claims made in the certifications and any supporting documentation are subject to verification by Commerce and/or CBP. The importer and exporter are required to maintain the

certifications and supporting documentation for the later of (1) a period of five years from the date of entry or (2) a period of three years after the conclusion of any litigation in United States courts regarding such entries. If it is determined that the certification and/or documentation requirements in a certification have not been met, Commerce intends to instruct CBP to suspend, under the China Plywood orders (A-570-051, C-570-052), all unliquidated entries for which these requirements were not met and require the importer to post applicable antidumping duty (AD) and countervailing duty (CVD) cash deposits equal to the rates as determined by Commerce. Entries suspended under A-570-051 and C-570-052 will be liquidated pursuant to applicable administrative reviews of the China orders or through the automatic liquidation process.

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) finds that revocation of the countervailing duty (CVD) order on sodium nitrite from the People’s Republic of China (China) would be likely to lead to the continuation or recurrence of a countervailable subsidy at the levels indicated in the “Final Results of Sunset Review” section of this notice.

DATES: Applicable June 11, 2019.

FOR FURTHER INFORMATION CONTACT: Leo Ayala or Jacqueline Arrowsmith, Office VII, AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-3945 or (202) 482-5255, respectively.

SUPPLEMENTARY INFORMATION:

Background

On August 27, 2008, Commerce published the CVD order on sodium nitrite from China.<sup>1</sup> On February 5, 2019, Commerce published the notice of initiation for the second sunset review of the CVD Order, pursuant to section 751(c)(2) of the Tariff Act of 1930, as amended (the Act).<sup>2</sup> Subsequently, Commerce received a notice of intent to participate from Chemtrade Chemicals US LLC (Chemtrade), a domestic interested party, within the deadline specified in 19 CFR 351.218(d)(1)(i).<sup>3</sup> Chemtrade claimed interested party status under section 771(9)(C) of the Act, as a producer of a domestic like product in the United States. In addition, Commerce received a complete substantive response to the notice of initiation from the petitioner
