Bureau of Industry and Security

Submission for OMB Review; Comment Request

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: Bureau of Industry and Security.

Title: License Exemptions and Exclusions.

Form Number: N/A.

OMB Control Number: 0694–0137.

Type of Review: Regular submission.

Estimated Total Annual Burden

Hours: 29,998.

Estimated Number of Respondents: 19,738.

Estimated Time per Response: 1.52 hours.

Needs and Uses: Over the years, BIS has worked with other Government agencies and the affected public to identify areas where export licensing requirements may be relaxed without jeopardizing U.S. national security or

foreign policy. Many of these relaxations have taken the form of licensing exceptions and exclusions. Some of these license exceptions and exclusions have a reporting or recordkeeping requirement to enable the Government to continue to monitor exports of these items. Exporters may choose to utilize the license exception and accept the reporting or recordkeeping burden in lieu of submitting a license application. These exceptions and exclusions have allow exporters to ship items quickly, without having to wait for license approval.

These collections are designed to reduce export licensing burden. It is up to the individual company to decide whether it is most advantageous to continue to submit license applications or to comply with the reporting or recordkeeping requirements and take advantage of the licensing exception or exclusion.

Affected Public: Non-profit institutions; State, local, or tribal government; business or other for-profit organizations.

Frequency: On Occasion.

Respondent's Obligation: Voluntary.

This information collection request may be viewed at reginfo.gov <http://www.reginfo.gov/public/>. Follow the instructions to view Department of Commerce collections currently under review by OMB.

SUPPLEMENTARY INFORMATION:

Background

On May 3, 2019, Commerce published in the **Federal Register** the *Preliminary Determination*,¹ and completed the disclosure of all calculation materials to interested parties. From May 6 through May 13, 2019, the petitioners,² JBF Industries Limited (JBF), and Sanathan Textile Private Limited, India (Sanathan) timely filed ministerial error allegations regarding the *Preliminary Determination*.³

Period of Investigation

The period of investigation (POI) is April 1, 2017 through March 31, 2018.

Scope of Investigation

The product covered by this investigation is polyester textured yarn from India. For a complete description of the scope of this investigation, see the Appendix to this notice.

Analysis of Significant Ministerial Error Allegations

Commerce will analyze any comments received and, if appropriate, correct any significant ministerial error by amending the preliminary

² The petitioners in this investigation are Unifi Manufacturing, Inc. and Nan Ya Plastics Corporation, America.

³ See Petitioners' letter, "Countervailing Duty Investigation of Polyester Textured Yarn from India—Petitioners' Ministerial Error Allegation Concerning the Preliminary Subsidy Calculation for JBF Industries," dated May 6, 2019 (Petitioners' Clerical Error Comments); JBF's letter, "CVD Investigation of Polyester Textured Yarn from India: Comments on Significant Ministerial Errors Found in Preliminary Determination Calculation for JBF," dated May 6, 2019 (JBF's Clerical Error Comments); Petitioners' letter, "Countervailing Duty Investigation of Polyester Textured Yarn from India: Petitioners' Ministerial Error Allegation Concerning the Department's Preliminary All-Others Rate Calculation," dated May 7, 2019 (Petitioners' All-Others Rate Clerical Error Comments); Sanathan's letter, "Certain Polyester Textured Yarn from India (C-533-886): Ministerial Error Allegation Concerning the Preliminary Subsidy Rate Calculation for All Others," dated May 7, 2019 (Sanathan's Clerical Error Comments). On May 13, 2019, Sanathan also submitted rebuttal comments, however, pursuant to 19 CFR 351.224(c)(3), Commerce will not consider replies to comments in connection with a preliminary determination.

determination according to 19 CFR 351.224(e). A ministerial error is defined in 19 CFR 351.224(f) as "an error in addition, subtraction, or other arithmetic function, clerical error resulting from inaccurate copying, duplication, or the like, and any other similar type of unintentional error which the Secretary considers ministerial."⁴ A significant ministerial error is defined as a ministerial error, the correction of which, singly or in combination with other errors, would result in: (1) A change of at least five absolute percentage points in, but not less than 25 percent of, the countervailing duty rate calculated in the original preliminary determination; or (2) a difference between a countervailing duty rate of zero (or de minimis) and a countervailing duty rate greater than de minimis, or vice versa.⁵

Amended Preliminary Determination

Pursuant to 19 CFR 351.224(e) and (g)(1), Commerce is amending the *Preliminary Determination* to reflect the correction of a ministerial error made in the calculation of the estimated weighted-average all-others countervailable subsidy rate. This error is a significant ministerial error within the meaning of 19 CFR 351.224(g) because the all-other's rate decreases from 13.82 percent to 7.24 percent as a result of correcting this ministerial error, exceeding the specified threshold, *i.e.*, a change of at least five absolute percentage points in, but not less than 25 percent of, the countervailable subsidy rate calculated in the original *Preliminary Determination*.⁶

Amended Cash Deposits and Suspension of Liquidation

The collection of cash deposits and suspension of liquidation will be revised according to the rates calculated in this amended preliminary determination. Because these amended rates result in decreased cash deposits, the amended rate for the all-others rate will be effective retroactively to May 3, 2019, the date of publication of the *Preliminary Determination*. Parties will be notified of this determination, in accordance with section 733(d) and (f) of the Act.

⁴ See section 735(e) of the Tariff Act of 1930, as amended (the Act).

⁵ See 19 CFR 351.224(g).

⁶ See Memorandum, "Countervailing Duty Investigation of Polyester Textured Yarn from India: Allegations of Significant Ministerial Errors in the Preliminary Determination," dated concurrently with this notice.

Disclosure

We intend to disclose the calculations performed to parties in this proceeding within five days after publication of the notice of amended preliminary determination in the **Federal Register** in accordance with 19 CFR 351.224(b).

International Trade Commission Notification

In accordance with section 733(f) of the Act, we notified the International Trade Commission of our amended preliminary determination.

This amended preliminary determination is issued and published in accordance with sections 733(f) and 777(i)(1) of the Act and 19 CFR 351.224(e).

Dated: June 6, 2019.

Assistant Secretary for Enforcement and Compliance.
