## INTERNATIONAL TRADE COMMISSION

**[Investigation Nos. 701-TA-622 and 731-TA-1448 (Preliminary)]**

### Dried Tart Cherries From Turkey

#### Determinations

On the basis of the record<sup>1</sup> developed in the subject investigations, the United States International Trade Commission ("Commission") determines, pursuant to the Tariff Act of 1930 ("the Act"), that there is a reasonable indication that an industry in the United States is materially injured by reason of imports of dried tart cherries from Turkey, provided for in subheadings 0813.40.30, 0813.40.90, 0813.50.00, 2006.00.20, 2006.00.50, and 2008.60.00 of the Harmonized Tariff Schedule of the United States, that are alleged to be sold in the United States at less than fair value ("LTFV") and to be subsidized by the government of Turkey.<sup>2</sup>

#### Commencement of Final Phase Investigations

Pursuant to section 207.18 of the Commission's rules, the Commission also gives notice of the commencement

of the final phase of its investigations. The Commission will issue a final phase notice of scheduling, which will be published in the **Federal Register**, as provided in section 207.21 of the Commission's rules, upon notice from the U.S. Department of Commerce ("Commerce") of affirmative preliminary determinations in the investigations under sections 703(b) or 733(b) of the Act, or, if the preliminary determinations are negative, upon notice of affirmative final determinations in those investigations under sections 705(a) or 735(a) of the Act. Parties that filed entries of appearance in the preliminary phase of the investigations need not enter a separate appearance for the final phase of the investigations. Industrial users, and, if the merchandise under investigation is sold at the retail level, representative consumer organizations have the right to appear as parties in Commission antidumping and countervailing duty investigations. The Secretary will prepare a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigations.

#### Background

On April 23, 2019, the Dried Tart Cherry Trade Committee filed petitions with the Commission and Commerce, alleging that an industry in the United States is materially injured or threatened with material injury by reason of subsidized imports of dried tart cherries from Turkey and LTFV imports of dried tart cherries from Turkey. Accordingly, effective April 23, 2019, the Commission, pursuant to sections 703(a) and 733(a) of the Act (19 U.S.C. 1671b(a) and 1673b(a)), instituted countervailing duty Investigation No. 701-TA-622 and antidumping duty Investigation No. 731-TA-1448 (Preliminary).

Notice of the institution of the Commission's investigations and of a public conference to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of April 29, 2019 (84 FR 18084). The conference was held in Washington, DC, on May 14, 2019, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission made these determinations pursuant to sections 703(a) and 733(a) of the Act (19 U.S.C. 1671b(a) and 1673b(a)). It completed and filed its determinations in these investigations on June 7, 2019. The

views of the Commission are contained in USITC Publication 4902 (June 2019), entitled *Dried Tart Cherries from Turkey: Investigation Nos. 701-TA-622 and 731-TA-1448 (Preliminary)*.

By order of the Commission.

Issued: June 7, 2019.

#### Overview of This Information Collection

1. Type of Information Collection: Revision of a currently approved collection.
2. The Title of the Form/Collection: ViCAP Case Submission Form.
3. The agency form number, if any, and the applicable component of the Department sponsoring the collection: The form number is FD-676. The applicable component within the Department of Justice is the Federal Bureau of Investigation.
4. Affected public who will be asked or required to respond, as well as a brief abstract: Primary: Federal, state, local, and tribal government law enforcement agencies charged with the responsibility of investigating violent crimes. Abstract: Established by the Department of Justice in 1985, ViCAP serves as the national repository for violent crimes; specifically: Homicides (and attempts) that are known or suspected to be part of a series and/or are apparently random, motiveless, or sexually oriented. Sexual assaults that are known or suspected to be part of a series and/or are committed by a stranger. Missing persons where the circumstances indicate a strong possibility of foul play and the victim is still missing. Unidentified human remains where the manner of death is known or suspected to be homicide. Comprehensive case information submitted to ViCAP is maintained in the ViCAP Web National Crime Database and is automatically compared to all other cases in the databases to identify potentially related cases.
5. An estimate of the total number of respondents and the amount of time

estimated for an average respondent to respond: Of the approximately 18,000 government law enforcement agencies that are eligible to submit cases, it is estimated that thirty to fifty percent will actually submit cases to ViCAP. The time burden of the respondents is less than 60 minutes per form.

6. An estimate of the total public burden (in hours) associated with the collection: 5,000 annual burden hours.
