Fresh Garlic From the People’s Republic of China: Preliminary Results of the Antidumping Duty New Shipper Review

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) is conducting a new shipper review of Jinxiang Infang Fruit & Vegetable Co., Ltd. (Infang) regarding the antidumping duty order on fresh garlic from the People’s Republic of China (China). The period of review (POR) is November 1, 2017, through May 31, 2018. We have preliminarily determined that Infang’s sale was a bona fide transaction, and that the sale was made below normal value (NV). Interested parties are invited to comment on these preliminary results.

SUPPLEMENTARY INFORMATION:

Background

On July 9, 2018, at the request of Infang, Commerce published a notice of initiation of a semiannual new shipper review of fresh garlic from China for the period November 1, 2017, through May 31, 2018.1 On December 18, 2018, we extended the deadline for the preliminary results to April 26, 2019.2 Commerce exercised its discretion to toll all deadlines affected by the partial federal government closure from December 22, 2018, through the resumption of operations on January 29, 2019.3 Accordingly, the revised deadline for the preliminary results was June 5, 2019. On June 5, 2019, Commerce fully extended the deadline for the preliminary results.4 The revised deadline for the preliminary results of this review is now June 7, 2019.

Scope of the Order

The merchandise covered by this order is all grades of garlic, whether whole or separated into constituent cloves.5 The subject merchandise is currently classifiable under the Harmonized Tariff Schedule of the United States (“HTSUS”) subheadings: 0703.20.0000, 0703.20.0005, 0703.20.0010, 0703.20.0015, 0703.20.0020, 0703.20.0090, 0710.80.7060, 0710.80.9750, 0711.90.6000, 0711.90.6500, 2005.90.9500, 2005.90.9700, and 2005.99.9700. A full description of the scope of the order is contained in the Preliminary Decision Memorandum. Although the HTSUS subheadings are provided for convenience and customs purposes, the written product description is dispositive.

Separate Rate

Commerce preliminarily determines that Infang is eligible to receive a separate rate in this review.6

Methodology

Commerce is conducting this review in accordance with section 751(a)(2)(B) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.214. Commerce calculated export price in accordance with section 772(c) of the Act. Because China is a non-market economy country within the meaning of section 771(18) of the Act, Commerce calculated normal value in accordance with section 773(c) of the Act.
