

NACMH nomination form; (2) three letters of reference; (3) a statement of prior service on the NACMH; and (4) a biographical sketch of the nominee or a copy of his/her curriculum vitae. Nomination packages may be submitted directly by the nominated individual or by the person/organization recommending the candidate.

HHS will endeavor to ensure NACMH membership is fairly balanced, representing points of view and individuals of diverse geographic areas, gender, and ethnic and minority groups, as well as individuals with disabilities. Appointments shall be made without discrimination based on age, ethnicity, gender, sexual orientation, or cultural, religious, or socioeconomic status.

Individuals selected to be considered for appointment will be required to provide detailed information regarding their financial holdings, consultancies, and research grants or contracts. Disclosure of this information is required in order for HRSA ethics officials to determine whether there are conflicts between the SGE's public duties as a member of the NACMH and their private interests, including an appearance of a loss of impartiality as defined by federal laws and regulations, and to identify any required remedial action needed to address the potential conflict(s).
