Pursuant to Commerce's practice in NME cases, if Commerce continues to determine in the final results that Weitron had no shipments of subject merchandise, any suspended entries during the POR from Weitron will be liquidated at the China-wide rate.¹⁴ We intend to issue assessment instructions for Weitron 15 days after the publication date of the final results of this review.¹⁵

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(2)(C) of the Act: (1) For previously investigated or reviewed Chinese and non-Chinese exporters who are not under review in this segment of the proceeding but who have separate rates, the cash deposit rate will continue to be the exporter-specific rate published for the most recent period; (2) for all Chinese exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be the China-wide rate of 216.37 percent (*i.e.*, including Weitron, which did not demonstrate that it was entitled to a separate rate in the most recently completed administrative review);¹⁶ and (3) for all non-Chinese exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to Chinese exporter(s) that supplied that non-Chinese exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with

this requirement could result in the presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

Notification to Interested Parties

This notice is issued and published in accordance with sections 751 and 777(i)(1) of the Act, and 19 CFR 351.213(d)(4).

Dated: June 11, 2019.

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) preliminarily determines that High Den Enterprises Ltd. (High Den) is not eligible for a separate rate and is a part of the China-wide entity. Interested parties are invited to comment on these preliminary results.

DATES: Applicable June 14, 2019.

FOR FURTHER INFORMATION CONTACT:

Allison Hollander or Mino Hatten, AD/CVD Operations, Office I, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-2805 or (202) 482-1690, respectively.

SUPPLEMENTARY INFORMATION:

Background

On August 9, 2004, Commerce published in the **Federal Register** an antidumping duty (AD) order on polyethylene retail carrier bags (PRCBs) from the People's Republic of China (China).¹ On August 7, 2018, Commerce published a notice of opportunity to request an administrative review of the AD order on PRCBs from China for the period of review (POR) August 1, 2017, through July 31, 2018.² Commerce received timely requests from the Polyethylene Retail Carrier Bag Committee and its individual members, Hilex Poly Co., LLC and Superbag Corporation (the petitioners), to conduct an administrative review of certain exporters. On October 4, 2018, Commerce published in the **Federal Register** a notice initiating an administrative review of the AD order on PRCBs from China covering Dongguan Nozawa Plastics Products Co., Ltd. and United Power Packaging, Ltd. (collectively, Nozawa); Crown Polyethylene Products (International) Ltd. (Crown) and High Den for the POR.³

We issued the AD questionnaire to the three respondents on October 18, 2018. On December 21, 2018, the petitioners timely withdrew their requests for review of Nozawa and Crown, pursuant to 19 CFR 351.213(d)(1).⁴ We confirmed that the questionnaire to High Den was delivered and received on October 22, 2018.⁵ High Den did not respond to the questionnaire and has filed no submissions on the record of this administrative review.

⁵ See Memorandum, "High Den Enterprises, Ltd., Receipt of Questionnaire," dated December 13, 2018.

Commerce exercised its discretion to toll all deadlines affected by the partial federal government closure from December 22, 2018, through the resumption of operations on January 29, 2019.⁶ The revised deadline for the preliminary results in this review is now June 12, 2019.

Partial Rescission of Administrative Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, "in whole or in part, if a party that requested a review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review." The petitioners withdrew their request for review within the 90-day time limit with respect to Nozawa and Crown. Because we received no other requests for review of Nozawa and Crown, we are rescinding the administrative review, in part, with respect to Nozawa and Crown, pursuant to 19 CFR 351.213(d)(1).

Scope of the Order

The products subject to the AD order on PRCBs from China, are PRCBs, which may be referred to as t-shirt sacks, merchandise bags, grocery bags, or checkout bag. Imports of the subject merchandise are currently classifiable under statistical category 3923.21.0085 of the Harmonized Tariff Schedule of the United States (HTSUS). This subheading also covers products that are outside the scope of the order. Furthermore, although the HTSUS subheading is provided for convenience and customs purposes, our written description of the scope of the order is dispositive. For a complete description of the scope of the *Order*, see the Preliminary Decision Memorandum.

China-Wide Entity

Under Commerce's current policy regarding the conditional review of the China-wide entity, the China-wide entity will not be under review unless a party specifically requests, or Commerce self-initiates, a review of the entity.⁷ Because no party requested a
