BILLING CODE 6210-01-P

FEDERAL RESERVE SYSTEM

Privacy Act of 1974; System of Records

AGENCY: Board of Governors of the Federal Reserve System.

ACTION: Notice of a modified system of records.

SUMMARY: Pursuant to the provisions of the Privacy Act of 1974, notice is given that the Board of Governors of the Federal Reserve System (Board) proposes the modification of a system of records, BGFRS-40, entitled "FRB—Board Subscription Services." BGFRS-40 maintains subscription-related information regarding individuals who subscribe to Board publications.

DATES: Comments must be received on or before July 18, 2019.

This modified system of records will become effective July 18, 2019, without further notice, unless comments dictate otherwise.

The Office of Management and Budget (OMB), which has oversight responsibility under the Privacy Act, requires a 30-day period prior to publication in the **Federal Register** in which to review the system and to provide any comments to the agency. The public is then given a 30-day period in which to comment, in accordance with 5 U.S.C. 552a(e)(4) and (11).

ADDRESSES: You may submit comments, identified by *BGFRS-40; FRB-Board Subscription Services*, by any of the following methods:

- *Agency Website:* <https://www.federalreserve.gov>. Follow the instructions for submitting comments at <https://www.federalreserve.gov/apps/foia/proposedregs.aspx>.

- *Email:* regs.comments@federalreserve.gov. Include SORN name and number in the subject line of the message.

- *Fax:* (202) 452-3819 or (202) 452-3102.

- *Mail:* Ann E. Misback, Secretary, Board of Governors of the Federal Reserve System, 20th Street and Constitution Avenue NW, Washington, DC 20551.

All public comments will be made available on the Board's website at <https://www.federalreserve.gov/apps/foia/proposedregs.aspx> as submitted, unless modified for technical reasons, or to remove sensitive personally identifiable information. Public comments may also be viewed electronically or in paper form in Room 146, 1709 New York Avenue NW, Washington, DC 20006, between 9:00 a.m. and 5:00 p.m. on weekdays.

FOR FURTHER INFORMATION CONTACT: David B. Husband, Senior Attorney, (202) 530-6270, or david.b.husband@frb.gov; Legal Division, Board of Governors of the Federal Reserve System, 20th Street and Constitution Avenue NW, Washington, DC 20551.

SUPPLEMENTARY INFORMATION: The main publication that the Board provides is the Federal Reserve Regulatory Service (FRRS), which is a compilation of the statutes administered by the Board along with regulations, interpretations, policy statements, rulings, and opinions issued by the Board and its staff. The FRRS also includes select regulations issued by other agencies that are relevant to the Board's responsibilities. The Board also provides subscriptions to other publications such as general publications, reports to Congress, and economic research and data.

The Board contracts the FRRS subscription services to a vendor who processes subscriptions purchased on the FRRS website. Going forward, to accommodate subscriber demand for an offline payment option, the vendor will also process offline check payments for FRRS subscriptions. The Board will continue to operate the subscription services for the other publications (*e.g.*, the general publications). Accordingly, the Board is updating the categories of records in the system and updating the history field to reflect the earlier publication of this SORN.

The Board is also making a technical correction to the routine uses for the system and replacing two BGFRS-40 system-specific uses that reflect OMB breach notification related uses with the corresponding Board General Routine Uses. This change is necessary because the Board published BGFRS-40 with the OMB breach notification uses before amending the "General Routine Uses of Board Systems of Records," to incorporate those same OMB breach notification uses. See 83 FR 43872, August 28, 2018, available at <https://www.govinfo.gov/content/pkg/FR-2018-08-28/pdf/2018-18627.pdf>. Therefore, the Board is replacing the BGFRS-40 system-specific routine use (1) with General Routine Use I and the BGFRS-

40 system-specific routine use (2) with General Routine Use J.

PURPOSE(S) OF THE SYSTEM:

The Board maintains these records to allow individuals to subscribe to Board publications. The main publication the Board provides is the Federal Reserve Regulatory Service (FRRS), a publication that compiles the statutes administered by the Board along with regulations, interpretations, policy statements, rulings, and opinions issued by the Board and its staff as well as select regulations issued by other agencies that are relevant to the Board's responsibilities. The Board also makes available other publications such as general publications, reports to Congress, and economic research and data.

CATEGORIES OF INDIVIDUALS COVERED BY THE SYSTEM:

Persons who subscribe to the FRRS or create an account for the purpose of subscribing to the FRRS and persons

who request to subscribe to other available Board publications.

CATEGORIES OF RECORDS IN THE SYSTEM:

The Board Subscription Services system covers records related to the ordering and fulfillment of orders for the FRRS and other Board publications, such as economic research and data, general publications, and reports to Congress. The information collected for all publications (including the FRRS) includes the subscriber's name, company name or affiliation (if applicable), shipping address, order type, email address, and phone number. For Board publications other than the FRRS, the Board also collects the payment type (check, money order, credit card) and relevant payment information.

For the FRRS, the vendor collects the check payment if the order is by check. In addition, subscriptions for the FRRS also include the FRRS account information (log-in and password information), the billing address, order history, and fulfillment information (shipping and delivery instructions). The Board's vendor provides the Board with a monthly report on FRRS subscriptions. The monthly report records FRRS subscription revenue and selected subscriber and fulfillment information of current FRRS subscribers, including the individual subscriber's name, company name (if applicable), email address, and order type. The Board retains historical FRRS subscription and payment information from the Board's operation of the FRRS subscription service for the appropriate six-year record retention period.

The subscriber to the publication or the FRRS account holder provides the relevant information.

ADMINISTRATIVE, TECHNICAL, AND PHYSICAL SAFEGUARDS:

Board and vendor staff are restricted to the data that is required in the performances of their duties. This is accomplished through user roles, which provide differential access levels to users based on their official duties and need-to-know. Only Board or vendor staff whose official duties require such access may view the subscription and fulfillment records. Electronic records are password protected and paper records are stored in locked file cabinets.

Only select Board and vendor staff have access to the FRRS subscriber and fulfillment information provided in the monthly FRRS vendor-provided report. Authorized Board staff access the monthly FRRS report through an encrypted connection.

D. Public Comment

A 60 day notice was published in the **Federal Register** at 79 FR 33164, on June 10, 2014, as part of a proposed rule under FAR Case 2013-002. Fourteen responses on the proposed rule were received, of which 4 respondents provided comments on the estimates in the information collection requirement, as addressed in the preamble of the **Federal Register** notice that published the proposed rule. The estimate of the burden changed due to public comment.

Several respondents stated that the burden is currently underestimated. According to one respondent, the estimate of 474,000 reports underestimates the potential burden of the expanded reporting requirements because it failed to account for the growth in GIDEP reporting entities and relies on the number of companies currently participating in GIDEP.
