As stated above, we received no comments on the *Preliminary Results*.

Changes Since the Preliminary Results

We made no revisions to the *Preliminary Results*.

Final Results of New Shipper Review

As a result of this new shipper review, Commerce determines that the following weighted-average dumping margin exists for the period September 1, 2017 through February 28, 2018:

Exporter	Producer	Weighted-average margin (percent)
Nanjing Yinxiangchen International Trade Co. Ltd	Nanjing Yinxiangchen International Trade Co. Ltd	0.00

Assessment

Pursuant to section 751(a)(2)(A) of the Act and 19 CFR 351.212(b), and the *Final Modification for Reviews*,³ Commerce intends to instruct CBP to liquidate all appropriate entries for Nanjing Yinxiangchen without regard to antidumping duties. For entries that were not reported in the U.S. sales database submitted by Nanjing Yinxiangchen examined during this review, Commerce intends to instruct CBP to liquidate such entries at the China-wide rate. We intend to issue assessment instructions to CBP 15 days after the date of publication of the final results of this new shipper review.

Cash Deposit Requirements

On June 7, 2019, as a result of the five-year (sunset) review, Commerce revoked the antidumping duty order on imports of freshwater crawfish tail meat from the People’s Republic of China.⁴ In the *Revocation Notice*, Commerce stated that it intends to issue instructions to CBP to terminate the suspension of liquidation and to discontinue the collection of cash deposits on entries of subject merchandise, entered or withdrawn from warehouse, on or after May 16, 2019.⁵ Furthermore, because the antidumping duty order on freshwater crawfish tail meat from

China has been revoked as a result of the *Revocation Notice*, Commerce will not issue cash deposit instructions at the conclusion of this administrative review.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce’s presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Administrative Protective Orders

This notice also serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation subject to sanction.

The final results of this new shipper review are issued and published in accordance with sections 751(a)(2)(B) and 777(i)(1) of the Act and 19 CFR 351.214.

Dated: June 12, 2019.

Assistant Secretary for Enforcement and Compliance.
