SUPPLEMENTARY INFORMATION:

I. Background on New SORN 09–90–1901

HHS is establishing this new department-wide system of records to cover records about individuals within or outside HHS which are retrieved by personal identifier and used in managing HHS correspondence and customer service functions, including help desk and call center activities, dissemination of publications, studies, opinions, unrestricted datasets, and other information, and mailing and contact lists, unless covered by a more specific system of records notice (SORN). It will include the records currently covered in 13 related SORNs, in order to replace and rescind those SORNs, but with revisions where needed, to provide updated descriptions of those records. It will also include other functionally similar records not currently covered by any SORN. The up-to-date records descriptions used in the new SORN differ from the descriptions used in the replaced SORNs in these respects:

1. The System Manager contact information has been updated and is grouped by record type.
2. The System Location section refers to the contact information shown in the System Manager section.
3. The Authorities section now cites 5 U.S.C. 301, 303; 21 U.S.C. 301 et seq.; 31 U.S.C. 1115(b)(6); 40 U.S.C. 11313; 42 U.S.C. 201 et seq.; 44 U.S.C. 3101; E.O. 11583; and E.O. 13571. This differs from the authorities cited in each replaced SORN as follows:

e. SAMHSA SORN 09–30–0033 cited portions of title 42 of the United States Code, which is cited in the new SORN, and these authorities not cited in the new SORN: 8 U.S.C. 1522 note, as amended by sec. 501(c) of Public Law 96–422; E.O. 12341; and sec. 413 of Public Law 93–288 as amended and redesignated as sec. 416 by Public Law 100–107 [sic; probably should be Public Law 101–707, amending 42 U.S.C. 5183].f. These SORNs cited none of the authorities cited in the new SORN:
   iii. CMS SORN 09–70–3005 cited 42 U.S.C. 1306(a) and 42 CFR 401.101–401.148; and
3. The new SORN provides broader and more detailed descriptions of the categories of records and the purposes for which the records are used than were in each replaced SORN, in recognition that some of the records interrelate with each other and may be maintained and used together, and by more than one office, to achieve certain purposes. Each replaced SORN
