The merchandise covered by these orders is glycine at any purity level or grade. This includes glycine of all purity levels, which covers all forms of crude or technical glycine including, but not limited to, sodium glycinate, glycine slurry and any other forms of amino acetic acid or glycine. Subject merchandise also includes glycine and precursors of dried crystalline glycine that are processed in a third country, including, but not limited to, refining or any other processing that would not otherwise remove the merchandise from the scope of these orders if performed in the country of manufacture of the in-scope glycine or precursors of dried crystalline glycine. Certain Frozen Warmwater Shrimp From the Socialist Republic of Vietnam: Partial Rescission of Antidumping Duty Administrative Review; 2018-2019

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) is rescinding, in part, the administrative review of the antidumping duty order on certain frozen warmwater shrimp from the Socialist Republic of Vietnam (Vietnam) for the period February 1, 2018, through January 31, 2019.

DATES: Applicable June 21, 2019.

FOR FURTHER INFORMATION CONTACT: Irene Gorelik, AD/CVD Operations, Office VIII, Enforcement and

Compliance, International Trade Administration, Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-6905.

SUPPLEMENTARY INFORMATION:

Background

On May 2, 2019, based on timely requests for review for 107 companies by the Ad Hoc Shrimp Trade Action Committee (the petitioner),¹ 185 companies by the American Shrimp Processors Association (ASPA),² and various Vietnamese companies,³ Commerce published in the **Federal Register** a notice of initiation of an administrative review of the antidumping duty order on certain frozen warmwater shrimp from Vietnam covering the period February 1, 2018, through January 31, 2019.⁴

On May 31, 2019, Commerce published in the **Federal Register** a notice of rescission, in part, wherein Commerce rescinded the administrative review for 40 companies, based on timely-filed withdrawals of review requests from the petitioner, ASPA, and certain Vietnamese companies.⁵

On May 30, 2019, and May 31, 2019, the petitioner and ASPA withdrew their respective review requests, in part, for an additional five Vietnamese exporters initiated for review.⁶ On May 30, 2019, Quoc Viet Seaproducts Processing Trade and Import-Export Co., Ltd. withdrew its review requests.⁷ On May 31, 2019, Soc Trang Seafood Joint Stock Company

withdrew its review request.⁸ On June 6, 2019, the petitioner and ASPA withdrew their respective review requests for an additional three companies.⁹

All interested parties that withdrew their requests for review of companies also included those companies' name variations, as listed in the *Initiation Notice* and the attached Appendix. All review requests for the company names listed in the Appendix have been withdrawn; no other party requested a review of these exporters.

Two additional companies withdrew their review requests on May 30, 2019.¹⁰ However, because the petitioner and ASPA did not withdraw their respective review requests for these two companies, the two companies remain under active review.

Partial Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the party that requested the review withdraws its request within 90 days of the publication of the notice of initiation of the requested review. Because the petitioner, ASPA, and the individual companies all withdrew their requests for administrative review within 90 days of the date of publication of the *Initiation Notice*, and no other interested party requested a review of these companies, Commerce is rescinding this review with respect to the companies identified in the Appendix, in accordance with 19 CFR 351.213(d)(1).

Assessment

Commerce will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries at a rate equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period February 1, 2018, through January 31,

⁹ See the Petitioner's Submission, "Domestic Producers' Partial Withdrawal of Review Requests," dated June 6, 2019; see also ASPA's Submission, "Partial Withdrawal of Review Requests," dated June 6, 2019. All three companies withdrawn had only been requested for review by the petitioner and ASPA; thus, no other review requests remain on the record for Au Vung One Seafood Processing Import & Export Joint Stock Company, Au Vung Two Seafood Processing Import & Export Joint Stock Company, and Thanh Doan Sea Products Import & Export Processing Joint Stock Company.

Of these five companies, only two of them had also requested an administrative review; thus, three of these companies had only been requested for review by the petitioner and ASPA (Bien Dong Seafood Co., Ltd.; NGO BROS Seaproducts Import-Export One Member Company Limited; and Seavina Joint Stock Company).

2019, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP 15 days after the publication of this notice in the **Federal Register**, if appropriate.

Notifications

This notice serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: June 18, 2019.

James Maeder,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Glycine From India and the People's Republic of China: Countervailing Duty Orders

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: Based on affirmative final determinations by the Department of Commerce (Commerce) and the International Trade Commission (the ITC), Commerce is issuing countervailing duty orders on glycine from India and the People's Republic of China (China).

DATES: Applicable June 21, 2019.

FOR FURTHER INFORMATION CONTACT: Davina Friedmann at (202) 482–0698 or Julie Geiger at (202) 482–2057 (India), or Tyler Weinhold at (202) 482–1121 (China), AD/CVD Operations, Office VI, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

In accordance with sections 705(d) and 777(i)(1) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.210(c), Commerce published its affirmative final determinations in the countervailing duty investigations of glycine from India and China on May 1, 2019.¹ On June 14, 2019, the ITC notified Commerce of its final affirmative determinations that an industry in the United States is

materially injured within the meaning of section 705(b)(1)(A)(i) of the Act, by reason of subsidized imports of glycine from India and China.²

Scope of the Orders

The merchandise covered by these orders is glycine from India and China. For a complete description of the scope of the orders, see the Appendix to this notice.

Countervailing Duty Orders

On June 14, 2019, in accordance with sections 705(b)(1)(A)(i) and 705(d) of the Act, the ITC notified Commerce of its final determinations that an industry in the United States is materially injured by reason of imports of glycine from India and China.³ Therefore, in accordance with sections 705(c)(2) and 706 of the Act, we are issuing these countervailing duty orders. Because the ITC determined that imports of glycine from India and China are materially injuring a U.S. industry, unliquidated entries of such merchandise from India and China, entered or withdrawn from warehouse for consumption, are subject to the assessment of countervailing duties.

As a result of the ITC's final affirmative determinations, in accordance with section 706(a)(1) of the Act, Commerce will direct U.S. Customs and Border Protection (CBP) to assess, upon further instruction by Commerce, countervailing duties on unliquidated entries of glycine from India and China. Countervailing duties will be assessed on unliquidated entries of glycine from India and China entered, or withdrawn from warehouse, for consumption on or after September 4, 2018, the date of publication of the *Preliminary Determinations*,⁴ but will not include entries occurring after the expiration of the provisional measures period and before publication in the **Federal Register** of the ITC's injury determination, as further described below.

Suspension of Liquidation

In accordance with section 706 of the Act, Commerce will instruct CBP to reinstitute the suspension of liquidation of subject merchandise (*i.e.*, glycine from India and China), effective on the date of publication of the ITC's final
