Overview of This Information Collection

(1) *Type of Information Collection:* Extension of a currently approved collection.

(2) *Title of the Form/Collection:* IER Charge Form.

(3) *Agency Form Number:* [Form IER-1].

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* General Public. The Immigrant and Employee Rights Section (IER) enforces the anti-discrimination provision (§ 274B) of the Immigration and Nationality Act (INA), 8 U.S.C. 1324b. The statute prohibits: (1) Citizenship or immigration status discrimination in hiring, firing, or recruitment or referral for a fee, (2) national origin discrimination in hiring, firing, or recruitment or referral for a fee, (3) unfair documentary practices during the employment eligibility verification process (Form I-9 and E-Verify), and (4) retaliation or intimidation for asserting rights covered by the statute. IER, within the Department’s Civil Rights Division, investigates and, where reasonable cause is found, litigates charges alleging discrimination. IER also initiates independent investigations, at times based on information developed during individual charge investigations. Independent investigations normally involve alleged discriminatory policies that potentially affect many employees or applicants. These investigations may result in complaints alleging a pattern or practice of discriminatory activity. If the Department lacks jurisdiction over a particular charge but believes another agency has jurisdiction over the claim, IER forwards the charge to the applicable Federal, state or local agency for any action deemed appropriate.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* It is estimated that 340 individuals will complete each form annually; each response will be completed in approximately 30 minutes.

(6) *An estimate of the total public burden (in hours) associated with the collection:* There are an estimated 170 total annual burden hours associated with this collection.
