**DEPARTMENT OF HOMELAND SECURITY**

**Office of the Secretary**

**Determination Pursuant to Section 102 of the Illegal Immigration Reform and Immigrant Responsibility Act of 1996, as Amended**

**AGENCY:** Office of the Secretary, Department of Homeland Security.

**ACTION:** Notice of determination.

**SUMMARY:** The Acting Secretary of Homeland Security has determined, pursuant to law, that it is necessary to waive certain laws, regulations, and other legal requirements in order to ensure the expeditious construction of barriers and roads in the vicinity of the international land border in Starr County, Texas.

**DATES:** This determination takes effect on July 1, 2019.

**SUPPLEMENTARY INFORMATION:** Important missions of the Department of Homeland Security (“DHS”) include border security and the detection and prevention of illegal entry into the United States. Border security is critical to the nation’s national security. Recognizing the critical importance of border security, Congress has mandated DHS to achieve and maintain operational control of the international land border. Secure Fence Act of 2006, Public Law 109–367, 2, 120 Stat. 2638 (Oct. 26, 2006) (8 U.S.C. 1710 note). Congress defined “operational control” as the prevention of all unlawful entries into the United States, including entries by terrorists, other unlawful aliens, instruments of terrorism, narcotics, and other contraband. Id. Consistent with that mandate from Congress, the President’s Executive Order on Border Security and Immigration Enforcement Improvements directed executive departments and agencies to deploy all lawful means to secure the southern border. Executive Order 13767, § 1. In order to achieve that end, the President directed, among other things, that I take immediate steps to prevent all unlawful entries into the United States, including the immediate construction of physical infrastructure to prevent illegal entry. Executive Order 13767, § 4(a).

**Determination and Waiver**

**Section 1**

The United States Border Patrol’s (Border Patrol) Rio Grande Valley Sector is an area of high illegal entry. In fiscal year 2018 alone, the Border Patrol apprehended over 162,000 illegal aliens attempting to enter the United States between border crossings in the Rio Grande Valley Sector. In that same year, the Border Patrol had over 1,400 separate drug-related events between border crossings in the Rio Grande Valley Sector, through which it seized over 204,000 pounds of marijuana, over 1,850 pounds of cocaine, over 16 pounds of heroin, and over 750 pounds of methamphetamine.

Owing to the high levels of illegal entry within the Rio Grande Valley Sector, I must use my authority under section 102 of IIRIRA to install additional physical barriers and roads in the Rio Grande Valley Sector. Therefore, DHS will take immediate action to construct barriers and roads. The areas in the vicinity of the border within which such construction will occur are more specifically described in Section 2 below. Such areas are not located within any of the areas identified in sections 231 and 232(c) of title II of division A of the Fiscal Year 2019 DHS Appropriations Act. See Public Law 116–6, Div. A, Title II, §§ 231–232.

**Section 2**

I determine that the following areas in the vicinity of the United States border, located in the State of Texas within the Border Patrol’s Rio Grande Valley Sector, are areas of high illegal entry (the “project areas”):

- Starting at the southernmost boundary of the Arroyo Ramirez Tract of the Lower Rio Grande Valley National Wildlife Refuge and extending north to County Road 650; and
- Starting approximately one-tenth (0.10) of a mile north of the northernmost boundary of the Las Ruinas Tract of the Lower Rio Grande Valley National Wildlife Refuge and extending to approximately one and one-half (1.50) miles south and east of the southernmost boundary of the Las Ruinas Tract of the Lower Rio Grande Valley National Wildlife Refuge.

There is presently an acute and immediate need to construct physical barriers and roads in the vicinity of the border of the United States in order to
prevent unlawful entries into the United States in the project areas pursuant to sections 102(a) and 102(b) of IIRIRA. In order to ensure the expeditious construction of the barriers and roads in the project areas, I have determined that it is necessary that I exercise the authority that is vested in me by section 102(c) of IIRIRA.

I reserve the authority to execute further waivers from time to time as I may determine to be necessary under section 102 of IIRIRA.

Kevin K. McAleenan,
Acting Secretary of Homeland Security.
