

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) For all China exporters of subject merchandise which have not been found to be entitled to a separate rate, the cash deposit rate will be that for the China-wide entity (*i.e.*, 99.14 percent); (2) for previously investigated or reviewed China and non-China exporters which are not under review in this segment of the proceeding but received a separate rate in a previous segment, the cash deposit rate will continue to be the exporter-specific rate published for the most recently-completed period; and (3) for all non-China exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the China exporter(s) that supplied the non-China exporter. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Administrative Protective Orders

This notice also serves as a final reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under the APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

Notification to Interested Parties

This notice of the final results of this administrative review is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(5) and 19 CFR 351.213(h).

Analysis of Comments Received

The issue raised in the case brief is listed in the Appendix to this notice and addressed in the IDM.³ Interested parties can find a complete discussion of these issues and the corresponding recommendations in this public memorandum, which is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>, and is also available to all interested parties in the Central Records Unit, Room B8024, of the main Commerce building. In addition, a complete version of the IDM can be accessed directly at <http://enforcement.trade.gov/frn/index.html>. The signed IDM and the electronic version of the IDM are identical in content.

Final Results of the Review

As a result of this review, Commerce determines that a dumping margin of 174.03 percent exists for Salzgitter for the period November 14, 2016 through April 30, 2018.

² For a full description of the scope of the order, see *Preliminary Results* and accompanying Preliminary Decision Memorandum (PDM).

³ See Memorandum, "Issues and Decision Memorandum for the Final Results of the 2016-2018 Administrative Review of the Antidumping Duty Order on Certain Carbon and Alloy Steel Cut-to-Length Plate from the Federal Republic of Germany," dated concurrently with, and hereby adopted by, this notice (IDM).

Disclosure

Normally, Commerce discloses to interested parties the calculations performed in connection with the final results within five days of the date of publication of the notice of preliminary results in the **Federal Register**, in accordance with 19 CFR 351.224(b). However, there are no calculations to disclose in connection with these final results because, in accordance with section 776 of the Tariff Act of 1930, as amended (the Act), Commerce applied adverse facts available (AFA) to Salzgitter, the sole mandatory respondent, and Commerce determined as the AFA rate the highest dumping margin alleged in the Petition.⁴

Assessment Rates

Pursuant to section 751(a)(2)(C) of the Act, and 19 CFR 351.212(b)(1), Commerce has determined, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review.

We intend to issue instructions to CBP 15 days after the publication date of the final results of this review.

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for Salzgitter will be the rate established in the final results of this review; (2) for previously reviewed or investigated companies not participating in this review, the cash deposit rate will continue to be the company-specific rate published for the most recently-completed segment of this proceeding in which the company was reviewed; (3) if the exporter is not a firm covered in this review, a prior review, or the less-than-fair-value (LTFV) investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recently-completed segment of this proceeding for the producer of subject merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 21.04 percent, the “all others” rate established in the LTFV investigation.⁵ These deposit

requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Administrative Protective Order

This notice serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.
