

titled, "Student Safety Assessment of Job Corps Participants." This comment request is part of continuing Departmental efforts to reduce paperwork and respondent burden in accordance with the Paperwork Reduction Act of 1995 (PRA).

DATES: Consideration will be given to all written comments received by September 3, 2019.

ADDRESSES: A copy of this ICR with applicable supporting documentation, including a description of the likely respondents, proposed frequency of response and estimated total burden, may be obtained free by contacting Lawrence Lyford by telephone at 202-693-3121, TTY 1-877-889-5627 (these are not toll-free numbers) or by email at Lyford.Lawrence@dol.gov.

Submit written comments about, or requests for a copy of, this ICR by mail or courier to the U.S. Department of Labor, Employment and Training Administration, Office of Job Corps, 200 Constitution Avenue NW, Room N4507, Washington, DC 20210; by email: Lyford.Lawrence@dol.gov or by Fax 202-693-3113.

FOR FURTHER INFORMATION CONTACT: For specific questions related to collection activities, please contact Lawrence Lyford by telephone at 202-693-3121 (this is not a toll free number) or by email at Lyford.Lawrence@dol.gov.

Authority: 44 U.S.C. 3506(c)(2)(A).

SUPPLEMENTARY INFORMATION: DOL, as part of continuing efforts to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and Federal agencies an opportunity to comment on proposed and/or continuing collections of information before submitting them to the OMB for final approval. This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements can be properly assessed.

Job Corps is the nation's largest residential, educational, and career technical training program for young Americans. The Economic Opportunity Act established Job Corps in 1964, and it currently operates under the authority of the Workforce Innovation and Opportunity Act (WIOA) of 2014. For over 52 years, Job Corps has helped prepare nearly three million at-risk young people between the ages of 16 and 24 for success in our nation's workforce. With 123 centers in 50 states, Puerto Rico, and the District of Columbia, Job Corps assists students

across the nation in attaining academic credentials, including High School Diplomas (HSD) and/or High School Equivalency (HSE), and career technical training credentials, including industry-recognized certifications, state licensures, and pre-apprenticeship credentials.

Job Corps is a national program administered by DOL through the Office of Job Corps and six regional offices. DOL awards and administers contracts for the recruiting and screening of new students, center operations, and the placement and transitional support of graduates and former enrollees. Large and small corporations and nonprofit organizations manage and operate 98 Job Corps centers under contractual agreements with DOL. These contract center operators are selected through a competitive procurement process that evaluates potential operators' technical expertise, proposed costs, past performance, and other factors, in accordance with the Competition in Contracting Act and the Federal Acquisition Regulations. The remaining 25 Job Corps centers, called Civilian Conservation Centers, are operated by the U.S. Department of Agriculture Forest Service, via an interagency agreement. DOL has a direct role in the operation of Job Corps and does not serve as a pass-through agency for this program.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6.

Interested parties are encouraged to provide comments to the contact shown in the **ADDRESSES** section. Comments must be written to receive consideration, and they will be summarized and included in the request for OMB approval of the final ICR. In order to help ensure appropriate consideration, comments should mention OMB control number 1205-0NEW.

Submitted comments will also be a matter of public record for this ICR and posted on the internet, without redaction. DOL encourages commenters not to include personally identifiable information, confidential business data, or other sensitive statements/

information in any comments. DOL will only consider comments received during the 60-day comment period.

DOL is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g. permitting electronic submission of responses.

Title of Collection: Student Safety Assessment Survey of Job Corps Students.

Agency: DOL-ETA.

Type of Review: New Information Collection Request.

Form: Appendix A.

OMB Control Number: 1205-0NEW.

Affected Public: Active Job Corps students.

Estimated Number of Respondents Monthly: 9,815.

Frequency: Monthly.

Total Estimated Annual Responses: 117,780.

Estimated Average Time per Response: 0.25 hours.

Estimated Total Annual Burden Hours: 29,445.

Total Estimated Annual Other Cost Burden: \$0.

Molly E. Conway,

Acting Assistant Secretary for Employment and Training, Labor.

NATIONAL AERONAUTICS AND SPACE ADMINISTRATION

[Notice: (19-039)]

NASA Advisory Council; Aeronautics Committee; Meeting.

AGENCY: National Aeronautics and Space Administration.

ACTION: Notice of meeting.

SUMMARY: In accordance with the Federal Advisory Committee Act, as

amended, the National Aeronautics and Space Administration (NASA) announces a meeting of the Aeronautics Committee of the NASA Advisory Council (NAC). This meeting will be held for soliciting, from the aeronautics community and other persons, research and technical information relevant to program planning.

DATES: Wednesday, July 24, 2019, 1:00 p.m.–5:30 p.m., and Thursday, July 25, 2019, 9:00 a.m. to 12:00 p.m., Local Time.

ADDRESSES: NASA Glenn Research Center, Mission Integration Center, Building 162, Room 302, 21000 Brookpark Road, Cleveland, Ohio 44135.

FOR FURTHER INFORMATION CONTACT: Ms. Irma Rodriguez, Designated Federal Officer, Aeronautics Research Mission Directorate, NASA Headquarters, Washington, DC 20546, (202) 358–0984, or irma.c.rodriguez@nasa.gov.

SUPPLEMENTARY INFORMATION: The meeting will be open to the public up to the capacity of the room. This meeting is also available telephonically and by WebEx. You must use a touch-tone telephone to participate in this meeting. Any interested person may dial the USA toll-free conference number 1–888–769–8716, participant passcode: 6813159, followed by the # sign to participate in this meeting by telephone on both days. The WebEx link is <https://nasaenterprise.webex.com/>, the meeting number on both days is 900 824 618, and the password is PvYA3mu*.

The agenda for the meeting includes the following topics:

- Propulsion Transformation—Electric Propulsion
- Autonomy Strategy

Attendees will be requested to sign a register and to comply with NASA Glenn Research Center security requirements, including the presentation of a valid government-issued identification (*i.e.*, driver's license, passport, etc.) to Security before access to NASA. Foreign nationals attending this meeting will be required to provide a copy of their passport and visa in addition to providing the following information no less than 15 days prior to the meeting: Full name; gender; date/place of birth; citizenship; passport information (number, country, telephone); visa information (number, type, expiration date); employer/affiliation information (name of institution, address, country, telephone); title/position of attendee. To expedite admittance, U.S. citizens and Permanent Residents (green card holders) are requested to provide full

name and citizenship status no less than 5 working days in advance. Information should be sent to Ms. Irma Rodriguez by fax at (202) 358–4060. For questions, please call Ms. Irma Rodriguez at (202) 358–0984. Attendees will also be required to sign a register prior to entering the meeting room. It is imperative that the meeting be held on these dates to accommodate the scheduling priorities of the key participants.

Patricia Rausch,

*Advisory Committee Management Officer,
National Aeronautics and Space Administration.*

BILLING CODE 7510–13–P

NUCLEAR REGULATORY COMMISSION

[NRC–2019–0073]

Public Meetings To Discuss Best Practices for Establishment and Operation of Local Community Advisory Boards in Response to a Portion of the Nuclear Energy Innovation and Modernization Act

AGENCY: Nuclear Regulatory Commission.

ACTION: Public meetings.

SUMMARY: The U.S. Nuclear Regulatory Commission (NRC) is undertaking activities to develop a report identifying best practices for establishment and operation of local community advisory boards associated with decommissioning activities, including lessons learned from existing boards, as required by the Nuclear Energy Innovation and Modernization Act (NEIMA). As part of developing the report, the NRC is hosting 11 public meetings and at least 1 webinar to consult with host States, communities within the emergency planning zone of an applicable nuclear power reactor, and existing local community advisory boards. The results of these meetings, along with any other data received as a result of the NRC's information collection activities associated with NEIMA, will be captured in a best practices report that will be submitted to Congress.

DATES: Public meetings to discuss best practices and lessons learned associated with community advisory boards at decommissioning nuclear power reactors will take place from approximately August through October of 2019.

FOR FURTHER INFORMATION CONTACT: Marlayna Vaaler Doell or Kim Conway,

Office of Nuclear Material Safety and Safeguards, U.S. Nuclear Regulatory Commission, Washington, DC 20555–0001; telephone: 301–415–3178 or 301–415–1335; email: NEIMA108.Resource@nrc.gov.

SUPPLEMENTARY INFORMATION:

I. Introduction

The NRC is coordinating activities in accordance with Section 108 of NEIMA to collect information on the use of, and lessons learned from, local community advisory boards during decommissioning activities and issue a best practices report.

The contents of this report, scheduled to be issued to Congress no later than July 14, 2020, will include a description of the type of topics that might be brought before a community advisory board; how the board's input could inform the decision-making process of stakeholders for various decommissioning activities; how the board could interact with the NRC and other Federal regulatory bodies to promote dialogue between the licensee and affected stakeholders; and how the board could offer opportunities for public engagement throughout all phases of the decommissioning process. The report will also include a discussion of the composition of existing community advisory boards and best practices identified during the establishment and operation of such boards, including logistical considerations, frequency of meetings, and the selection of board members.

In developing a best practices report, the NRC is consulting with host States, communities within the emergency planning zone of an applicable nuclear power reactor, and existing local community advisory boards. This consultation will include the distribution of a questionnaire, which is currently being developed, to solicit information on specific topics that Section 108 of NEIMA requires be included in the report. The NRC will also conduct twelve Category 3 public meetings, including at least one nationwide webinar.

The public meetings will be held in locations that ensure geographic diversity across the United States, with priority given to States that (i) have a nuclear power reactor currently undergoing the decommissioning process; and (ii) requested a public meeting under the provisions of NEIMA in accordance with the **Federal Register** (FR) notice published on March 18, 2019 (84 FR 9841). At NRC Category 3 public meetings, the public is invited to participate by providing comments and asking questions.
