

provided notice and an opportunity for Tepper to make a written submission to BIS, as provided in Section 766.25 of the Regulations. BIS has received a two-page submission from Tepper.

Based upon my review of the record, including Tepper's submission and the facts available to BIS, and my consultations with BIS's Office of Export Enforcement, including its Director, I have decided to deny Tepper's export privileges under the Regulations for a period of 10 years from the date of Tepper's conviction. I have also decided to revoke all BIS-issued licenses in which Tepper had an interest at the time of his conviction.

C. Take any action to acquire from or to facilitate the acquisition or attempted acquisition from the Denied Person of any item subject to the Regulations that has been exported from the United States;

D. Obtain from the Denied Person in the United States any item subject to the Regulations with knowledge or reason to know that the item will be, or is intended to be, exported from the United States; or

E. Engage in any transaction to service any item subject to the Regulations that has been or will be exported from the United States and which is owned, possessed or controlled by the Denied Person, or service any item, of whatever origin, that is owned, possessed or controlled by the Denied Person if such service involves the use of any item subject to the Regulations that has been or will be exported from the United States. For purposes of this paragraph, servicing means installation, maintenance, repair, modification or testing.

Third, after notice and opportunity for comment as provided in Section 766.23 of the Regulations, any other person, firm, corporation, or business organization related to Tepper by ownership, control, position of responsibility, affiliation, or other connection in the conduct of trade or business may also be made subject to the provisions of this Order in order to prevent evasion of this Order.

District Export Council Nomination Opportunity

AGENCY: International Trade Administration, Department of Commerce.

ACTION: Notice of opportunity for appointment to serve as a District Export Council member.

SUMMARY: The Department of Commerce is currently seeking nominations of individuals for consideration for appointment by the Secretary of Commerce to serve as members of one of the 61 District Export Councils (DECs) nationwide. DECs are closely affiliated with the U.S. Export Assistance Centers (USEACs) of the U.S. and Foreign Commercial Service (US&FCS), and play a key role in the planning and coordination of export activities in their communities.

DATES: Nominations for individuals to a DEC must be received by the local USEAC Director by 5:00 p.m. local time on August 10, 2019.

ADDRESSES: Contact the Director of your local USEAC for information on how to submit your nomination on-line. You may identify your local USEAC by entering your zip code online at <http://export.gov/usoffices/index.asp>.

FOR FURTHER INFORMATION CONTACT: Please use the information listed in the **ADDRESSES** section to contact the Director of your local USEAC for more information on DECs and the nomination process. For general program information, contact Laura Barmby, National DEC Liaison, US&FCS, at (202) 482-2675.

SUPPLEMENTARY INFORMATION: District Export Councils support the mission of US&FCS by facilitating the development of an effective local export assistance network, supporting the expansion of export opportunities for local U.S. companies, serving as a communication link between the business community and US&FCS, and assisting in coordinating the activities of trade assistance partners to leverage available resources. Individuals appointed to a DEC become part of a select corps of trade professionals dedicated to providing international trade leadership and guidance to the local business community and assistance to the Department of Commerce on export development issues.

Nomination Process: Each DEC has a maximum membership of 35. Approximately half of the positions are open on each DEC for the four-year term

that begins on January 1, 2020, and runs through December 31, 2023. All potential nominees must complete an online nomination form and consent to sharing of the information on that form with the DEC Executive Committee for its consideration, and consent, if appointed, to sharing of their contact information with other agencies and organizations with a focus on trade.

Eligibility and Appointment Criteria:

Appointment is based upon an individual's international trade leadership in the local community, ability to influence the local environment for exporting, knowledge of day-to-day international operations, interest in export development, and willingness and ability to devote time to DEC activities. Members must be employed as exporters or export service providers or in a profession which supports U.S. export promotion efforts. Members include exporters, export service providers and others whose profession supports U.S. export promotion efforts. DEC member appointments are made without regard to political affiliation. DEC membership is open to U.S. citizens and permanent residents of the United States. As representatives of the local exporting community, DEC members must reside in, or conduct the majority of their work in, the territory that the DEC covers. DEC membership is not open to federal government employees. Individuals representing foreign governments, including individuals registered with the Department of Justice under the Foreign Agents Registration Act, must disclose such representation and may be disqualified if the Department determines that such representation is likely to impact the ability to carry out the duties of a DEC member or raise an appearance issue for the Department.

Selection Process: Nominations of individuals who have applied for DEC membership will be forwarded to the local USEAC Director for the respective DEC for that Director's consideration. The local USEAC Director ensures that all nominees meet the membership criteria outlined below. The local USEAC Director then, in consultation with the local DEC Executive Committee, evaluates all nominations to determine their interest, commitment, and qualifications. In reviewing nominations, the local USEAC Director strives to ensure a balance among exporters from a manufacturing or service industry and export service providers. A fair representation should be considered from companies and organizations that support exporters, representatives of local and state government, and trade organizations

and associations. Membership should reflect the diversity of the local business community, encompass a broad range of businesses and industry sectors, and be distributed geographically across the DEC service area.

For current DEC members seeking reappointment, the local USEAC Director, in consultation with the DEC Executive Committee, also carefully considers the nominee's activity level during the previous term and demonstrated ability to work cooperatively and effectively with other DEC members and US&FCS staff. As appointees of the Secretary of Commerce in high-profile positions, though volunteers, DEC members are expected to actively participate in the DEC and support the work of local US&FCS offices. Those that do not support the work of the office or do not actively participate in DEC activities will not be considered for re-nomination.

The Executive Secretary determines which nominees to forward to the US&FCS Office of U.S. Field for further consideration for recommendation to the Secretary of Commerce in consultation with the local DEC Executive Committee. A candidate's background and character are pertinent to determining suitability and eligibility for DEC membership. Since DEC appointments are made by the Secretary, the Department must make a suitability determination for all DEC nominees. After completion of a vetting process, the Secretary selects nominees for appointment to local DEC. DEC members are appointed by and serve at the pleasure of the Secretary of Commerce.

Authority: 15 U.S.C. 1512 and 4721.

Program Analyst, International Trade Administration.

Takes of Marine Mammals Incidental to Specified Activities; Taking Marine Mammals Incidental to National Wildlife Refuge Complex Research, Monitoring, and Maintenance Activities in Massachusetts

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and

Atmospheric Administration (NOAA), Commerce.

ACTION: Notice; Issuance of an Incidental Harassment Authorization.

SUMMARY: In accordance with the regulations implementing the Marine Mammal Protection Act (MMPA) as amended, notification is hereby given that NMFS has issued an incidental harassment authorization (IHA) to the U.S. Fish and Wildlife Service (USFWS) to incidentally harass, by Level B harassment only, marine mammals during biological research, monitoring, and maintenance activities at the Eastern Massachusetts National Wildlife Refuge Complex (Complex).

DATES: This Authorization is effective from June 12, 2019 through June 11, 2020.

In case of problems accessing these documents, please call the contact listed above.

SUPPLEMENTARY INFORMATION:

Background

The MMPA prohibits the "take" of marine mammals, with certain exceptions. Sections 101(a)(5)(A) and (D) of the MMPA (16 U.S.C. 1361 *et seq.*) direct the Secretary of Commerce (as delegated to NMFS) to allow, upon request, the incidental, but not intentional, taking of small numbers of marine mammals by U.S. citizens who engage in a specified activity (other than commercial fishing) within a specified geographical region if certain findings are made and either regulations are issued or, if the taking is limited to harassment, a notice of a proposed incidental take authorization may be provided to the public for review.

Authorization for incidental takings shall be granted if NMFS finds that the taking will have a negligible impact on the species or stock(s) and will not have an unmitigable adverse impact on the availability of the species or stock(s) for taking for subsistence uses (where relevant). Further, NMFS must prescribe the permissible methods of taking and other "means of effecting the least practicable adverse impact" on the
