ISO New England Inc., Constellation Mystic Power, LLC; Supplemental Notice of Staff-Led Public Meeting

As announced in the Notice of Staff-Led Public Meeting issued on May 21, 2019, Federal Energy Regulatory Commission (Commission) staff will convene a staff-led public meeting on Monday, July 15, 2019, from 10:00 a.m. to 5:00 p.m. (ET). The public meeting will be held in the Commission Meeting Room at Commission headquarters, 888 First Street NE, Washington, DC 20426. Commissioners may attend and participate.

On April 22, 2019, ISO New England Inc. (ISO-NE), New England States Committee on Electricity (NESCOE), and New England Power Pool (NEPOOL) Participants Committee jointly requested a public meeting to share with Commission staff, without violating the Commission's regulations prohibiting *ex parte* communications,¹ information about efforts to develop proposed tariff revisions in response to a Commission directive² to reflect improvements to ISO-NE's market design to better address regional fuel security concerns. This notice of public meeting is in response to that request.

This staff-led public meeting will consist of three presentations by representatives from ISO-NE, NEPOOL, and NESCOE with time for questions and answers at the end of each presentation. Questions will be permitted from only Commission staff and Commissioners. The Commission will not solicit post-meeting comments. Parties who wish to comment on ISO-NE's proposal may do so when ISO-NE files its proposal.

Attached to this supplemental notice is an agenda for this public meeting,
