Stainless Steel Butt-Weld Pipe Fittings From Italy: Rescission of Antidumping Duty Administrative Review; 2018-2019

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) is rescinding the administrative review of the antidumping duty order on stainless steel butt-weld pipe fittings from Italy for the period February 1, 2018, through January 31, 2019, based on the timely withdrawal of the request for review.

DATES: Applicable July 11, 2019.

FOR FURTHER INFORMATION CONTACT: John K. Drury, AD/CVD Operations, Office VI, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-0195.

SUPPLEMENTARY INFORMATION:

Background

On February 8, 2019, Commerce published in the **Federal Register** a notice of opportunity to request an administrative review of the antidumping duty order on stainless steel butt-weld pipe fittings from Italy for the period of review covering February 1, 2018, through January 31, 2019.¹ On February 28, 2019, Core Pipe Products, Inc., Shaw Alloy Piping Products, LLC, and Taylor Forge Stainless Inc., the petitioners, filed a timely request for review, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213(b).² Pursuant to this request and in accordance with section 751(a) of the Act and 19 CFR 351.221(c)(1)(i), we initiated an administrative review of Filmag Italia, SpA.³ On June 5, 2019, the petitioners filed a timely withdrawal of request for the administrative review.⁴

¹ See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation: Opportunity to Request Administrative Review*, 84 FR 2816 (February 8, 2019).

² See Letter from petitioners, "Stainless Steel Butt-Weld Pipe Fittings from Italy: Petitioners' Request for 2018/2019 Administrative Review," dated February 28, 2019.

³ See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 84 FR 18777 (May 2, 2019).

⁴ See Letter from petitioners, "Stainless Steel Butt-Weld Pipe Fittings from Italy: Petitioners' Withdrawal of Review Request for Filmag," dated June 5, 2019.

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if the party that requested the review withdraws the request within 90 days of the date of publication of the notice of initiation of the requested review. As noted above, the petitioners, the only party to file a request for review, withdrew this request by the 90-day deadline. Accordingly, we are rescinding the administrative review of the antidumping duty order on stainless steel butt-weld pipe fittings from Italy covering February 1, 2018, through January 31, 2019, in its entirety.

Assessment

Commerce will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries of stainless steel butt-weld pipe fittings from Italy. Antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP 15 days after the date of publication of this notice in the **Federal Register**.

Notification to Importers

This notice serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding Administrative Protective Orders

This notice also serves as a reminder to all parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(d)(4).

Dated: July 5, 2019.

James Maeder,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Certain Quartz Surface Products From the People's Republic of China: Antidumping and Countervailing Duty Orders

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: Based on affirmative final determinations by the Department of Commerce (Commerce) and the International Trade Commission (ITC), Commerce is issuing the antidumping duty (AD) and countervailing duty (CVD) orders on certain quartz surface products (quartz surface products) from the People's Republic of China (China).

DATES: Applicable July 11, 2019.

FOR FURTHER INFORMATION CONTACT: Whitley Herndon at (202) 482-6274 (AD) and Joshua Tucker at (202) 482-2044 (CVD), AD/CVD Operations, Office II, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

In accordance with sections 705(d) and 735(d) of the Tariff Act of 1930, as amended (the Act), on May 23, 2019, Commerce published its affirmative final determination of sales at less-than-fair-value (LTFV)¹ and its affirmative final determination that countervailable subsidies are being provided to producers and exporters of quartz surface products from China.²

On June 28, 2019, the ITC notified Commerce of its final affirmative determination that an industry in the United States is materially injured by

¹ See *Certain Quartz Surface Products from the People's Republic of China: Final Affirmative Determination of Sales at Less Than Fair Value, and Final Affirmative Determination of Critical Circumstances*, 84 FR 23767 (May 23, 2019) (*LTFV Final Determination*).

² See *Certain Quartz Surface Products from the People's Republic of China: Final Affirmative Countervailing Duty Determination, and Final Affirmative Determination of Critical Circumstances*, 84 FR 23760 (May 23, 2019) (*CVD Final Determination*).

reason of LTFV imports and subsidized imports of quartz surface products from China, within the meaning of section 705(b)(1)(A)(i) and 735(b)(1)(A)(i) of the Act.³ On July 5, 2019, the ITC published its final determination in the **Federal Register**.⁴ Further, the ITC determined that critical circumstances do not exist with respect to LTFV imports and subsidized imports of quartz surface products from China.⁵

Scope of the Orders

The products covered by these orders are quartz surface products from China. For a complete description of the scope of the orders, see Appendix I to this notice.

AD Order

On June 28, 2019, in accordance with section 735(d) of the Act, the ITC notified Commerce of its final determination that an industry in the United States is materially injured within the meaning of section 735(b)(1)(A)(i) of the Act by reason of imports of quartz surface products from China that are sold in the United States at LTFV.⁶ Therefore, in accordance with section 735(c)(2) of the Act, we are issuing this AD order. Because the ITC determined that imports of quartz surface products from China are materially injuring a U.S. industry, unliquidated entries of such merchandise from China entered, or withdrawn from warehouse, for consumption are subject to the assessment of antidumping duties, as described below.

As a result of the ITC's final determination, in accordance with section 736(a)(1) of the Act, Commerce will direct U.S. Customs and Border Protection (CBP) to assess, upon further instruction by Commerce, antidumping duties equal to the amount by which the normal value of the merchandise exceeds the export price or constructed export price of the subject merchandise, for all relevant entries of quartz surface products from China. Antidumping duties will be assessed on unliquidated entries of quartz surface products from China entered, or withdrawn from warehouse, for consumption on or after November 20, 2018, the date of publication of the *LTFV Preliminary*

³ See ITC June 28, 2019 letter regarding notification of final determination (ITC Notification).

⁴ See *Certain Quartz Surface Products from China; Determinations*, 84 FR 32216 (July 5, 2019) (*ITC Final Determination*).

⁵ See *ITC Final Determination* at footnote 2 and USITC Publication 4913 (June 2019).

⁶ See ITC Notification.
