SUPPLEMENTARY INFORMATION:

Title: FERC-729, Electric Transmission Facilities.

OMB Control No.: 1902-0238.

Abstract: This information collection implements the Commission's mandates under EPA Act 2005 Section 1221 which authorizes the Commission to issue permits under FPA Section 216(b) for electric transmission facilities and the Commission's delegated responsibility to coordinate all other federal authorizations under FPA Section 216(h). The related FERC regulations seek to develop a timely review process for siting of proposed electric transmission facilities. The regulations provide for (among other things) an extensive pre-application process that will facilitate maximum participation
