[Docket No. CP19-482-000]

Sabal Trail Transmission, LLC.; Notice of Request Under Blanket Authorization

July 9, 2019.

Take notice that on June 25, 2019, Sabal Trail Transmission, LLC (Sabal Trail), 5400 Westheimer Court, Houston, Texas 77056, filed a prior notice application pursuant to sections 157.205, 157.208 of the Federal Energy Regulatory Commission's (Commission) regulations under the Natural Gas Act (NGA), and the blanket certificate issued in Docket No. CP15-17-000. Sabal Trail requests authorization to construct, own and operate a new metering and regulating facility (M&R Facility) for the receipt of natural gas from the Florida Gas Transmission, LLC (FGT) pipeline system to a point on Sabal Trail's Citrus

County Line in Citrus County, Florida. This interconnect will provide Duke Energy Florida, Inc. (DEF), an existing shipper on the Sabal Trail system, with additional operational flexibility and reliability (FGT Citrus County Meter Station Project), all as more fully set forth in the application, which is open to the public for inspection. The filing may also be viewed on the web at <http://www.ferc.gov> using the "eLibrary" link. Enter the docket number excluding the last three digits in the docket number field to access the document. For assistance, contact FERC at FERCOnlineSupport@ferc.gov or call toll-free, (866) 208-3676 or TTY, (202) 502-8659.

Specifically, Sabal Trail proposes to construct, own, and operate a new M&R Facility at milepost (MP) 18.42 on its Citrus County Line. The Project is designed to connect Sabal Trail's Citrus County Line with FGT's 30-inch and 36-inch diameter pipelines located at FGT's MP 81.6 to provide DEF with an additional source of natural gas.

Any questions regarding this application should be directed to P. Marty Teague, Associate General Counsel, 2701 North Rocky Point Drive, Suite 1050, Tampa, FL 33607, or call (813) 282-6605, or by email: marty.teague@enbridge.com.

Any person or the Commission's staff may, within 60 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the regulations under the NGA (18 CFR 157.205), a protest to the request. If no protest is filed within the time allowed therefore, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the allowed time for filing a protest, the instant request shall be treated as an application for authorization pursuant to section 7 of the NGA.

Pursuant to section 157.9 of the Commission's rules, 18 CFR 157.9, within 90 days of this Notice the Commission staff will either: Complete its environmental assessment (EA) and place it into the Commission's public record (eLibrary) for this proceeding, or issue a Notice of Schedule for Environmental Review. If a Notice of Schedule for Environmental Review is issued, it will indicate, among other milestones, the anticipated date for the Commission staff's issuance of the final environmental impact statement (FEIS) or EA for this proposal. The filing of the

EA in the Commission's public record for this proceeding or the issuance of a Notice of Schedule for Environmental Review will serve to notify federal and state agencies of the timing for the completion of all necessary reviews, and the subsequent need to complete all federal authorizations within 90 days of the date of issuance of the Commission staff's FEIS or EA.

Persons who wish to comment only on the environmental review of this project should submit an original and two copies of their comments to the Secretary of the Commission. Environmental commenters will be placed on the Commission's environmental mailing list, and will be notified of any meetings associated with the Commission's environmental review process. Environmental commenters will not be required to serve copies of filed documents on all other parties. However, the non-party commenter will not receive copies of all documents filed by other parties or issued by the Commission and will not have the right to seek court review of the Commission's final order.

The Commission strongly encourages electronic filings of comments, protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 3 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street NE, Washington, DC 20426.
