#### SUPPLEMENTARY INFORMATION:

##### Background

On July 22, 2013, Commerce initiated an antidumping duty investigation under section 732 of the Tariff Act of 1930, as amended (the Act) to determine whether imports of OCTG from Ukraine are being, or are likely to be, sold in the United States at less than fair value (LTFV).<sup>1</sup> On August 16, 2013, the U.S. International Trade Commission (ITC) notified Commerce of its affirmative preliminary injury determination in this case.<sup>2</sup> On February 14, 2014, Commerce preliminarily determined that OCTG is being, or is likely to be, sold in the United States at LTFV, as provided in section 733 of the Act. On this same date, Commerce also preliminarily determined that there is not a reasonable basis to believe or suspect that critical circumstances exist with respect to OCTG from Ukraine and postponed the final determination in this investigation until no later than July 10, 2014.<sup>3</sup>

Commerce and Interpipe and North American Interpipe (collectively, Interpipe) signed the Agreement on July 10, 2014, and the Agreement was published on July 18, 2014.<sup>4</sup> The terms of the Agreement stipulated that the Agreement would terminate on July 10, 2017.

Pursuant to section 734(g) of the Act, the investigation was continued based upon requests by Interpipe and Maverick Tube Corporation; United States Steel Corporation; Boomerang Tube LLC; EnergeX, division of JMC Steel Group; Northwest Pipe Company; Tejas Tubular Products, Inc.; TMK IPSCO; Welded Tube USA, Inc.; Wheatland Tube Company; and Vallourec Star L.P. (collectively, petitioners). Both Commerce's final

determination and the ITC's final injury determination were affirmative.<sup>5</sup>

Following requests by Interpipe, on July 17, 2017, Commerce and Interpipe amended the Agreement to extend its term for one additional year, until July 10, 2018.<sup>6</sup> On July 5, 2018, at the request of Interpipe, Commerce and Interpipe amended the Agreement to extend the Agreement for one additional year, until July 10, 2019.<sup>7</sup>

On December 7, 2018, Interpipe requested an extension of the Agreement for an additional five years, until July 10, 2024.<sup>8</sup> On December 18, 2018, Commerce invited interested parties to comment on Interpipe's request.<sup>9</sup> On February 19, 2019, U.S. petitioning companies Maverick Tube Corporation, United States Steel Corporation, Vallourec Star, L.P., TMK IPSCO, and Welded Tube USA Inc., submitted comments opposing Interpipe's request and asking Commerce to allow the Agreement to terminate as scheduled, and proceed to issue an AD order on July 10, 2019.<sup>10</sup> Interpipe submitted additional comments in support of its request on the same day.<sup>11</sup>
