SUPPLEMENTARY INFORMATION:

Background

On July 12, 2018, based on timely requests for review, in accordance with 19 CFR 351.221(c)(1)(i), we initiated an administrative review on certain carbon and alloy steel cut-to-length plate from Taiwan.² This review covers 19 producers and/or exporters of subject merchandise. In November 2018, we extended the preliminary results of this review to no later than May 31, 2019.³ Commerce exercised its discretion to toll all deadlines affected by the partial federal government closure from December 22, 2018 through the resumption of operations on January 28, 2019.⁴ Accordingly, the revised deadline for the preliminary results of this review is now July 10, 2019. For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this review in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act). Export price and constructed export price are calculated in accordance with section 772 of the Act. NV is calculated

Preliminary Determination of No Shipments

Among the companies under review,⁵ China Steel Corporation (CSC), Chun Chi Grating Co., Ltd. (Chun Chi), and Product Depot International Corp. (Product Depot) properly filed statements that they had no shipments of subject merchandise to the United States during the POR.⁶ Based on their certifications and our analysis of U.S. Customs and Border Protection (CBP) information, we preliminarily determine that CSC, Chun Chi, and Product Depot had no reviewable transactions during the POR. Consistent with our practice, we are not preliminarily rescinding the review with respect to CSC, Chun Chi, or Product Depot, but, rather, we will complete the review for these companies and issue appropriate instructions to CBP based on the final results of this review.⁷

⁵ Commerce also received a properly-filed no shipments statement from an additional company, Pat & Jeff Enterprise Co., Ltd. However, because we received no request for an administrative review for this company, we have not considered this no shipments statement in this segment of the proceeding.

Commerce intends to issue the final results of this administrative review, including the results of its analysis of issues raised in any written briefs, not later than 120 days after the date of publication of this notice, unless otherwise extended.¹⁶

Assessment Rates

Upon completion of the administrative review, Commerce shall determine, and CBP shall assess, antidumping duties on all appropriate entries.

Pursuant to 19 CFR 351.212(b)(1), we calculated importer-specific *ad valorem* duty assessment rates based on the ratio of the total amount of dumping calculated for the examined sales to the total entered value of the sales for which entered value was reported. Where either the respondent's weighted-average dumping margin is zero or *de minimis* within the meaning of 19 CFR 351.106(c)(1), or an importer-specific rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. We intend to instruct CBP to take into account the "provisional measures deposit cap," in accordance with 19 CFR 351.212(d). For the companies which were not selected for individual review, we will assign an assessment rate based on the cash deposit rate calculated for SCS.¹⁷ The

final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.

Commerce's "reseller policy" will apply to entries of subject merchandise during the POR produced by SCS for which SCS did not know that the merchandise it sold to the intermediary (e.g., a reseller, trading company, or exporter) was destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.¹⁸

We intend to issue liquidation instructions to CBP 15 days after publication of the final results of this review.

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for each specific company listed above will be equal to the weighted-average dumping margin established in the final results of this review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for companies not participating in this review, the cash deposit rate will continue to be the company-specific cash deposit rate published for the most recently completed segment; (3) if the exporter is not a firm covered in this review, or the original less-than-fair-value (LTFV) investigation, but the producer is, the cash deposit rate will be the cash deposit rate established for the most recently completed segment for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 39.52 percent, the all-others rate established in the LTFV investigation.¹⁹ These deposit requirements, when

imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act.
