SUPPLEMENTARY INFORMATION:

Background

Commerce is conducting an administrative review of the

antidumping duty order on certain circular welded carbon steel pipes and tubes from Taiwan in accordance with section 751(a)(1)(B) of Tariff Act of 1930, as amended (the Act).¹ On July 12, 2018, in accordance with 19 CFR 351.221(c)(1)(i), we initiated an administrative review of the *Order* covering 20 companies.² On July 24, 2018, Commerce selected one producer/exporter of subject merchandise, Shin Yang Steel Co., Ltd. (Shin Yang), as the sole mandatory respondent for this review.³

On December 6, 2018, Commerce exercised its discretion to extend the deadline for the preliminary results.⁴ Additionally, Commerce exercised its discretion to toll all deadlines affected by the partial federal government closure from December 22, 2018 through the resumption of operations on January 29, 2019, resulting in a revised deadline of July 10, 2019.⁵

Scope of the Order

The products covered by the *Order* are certain circular welded carbon steel pipes and tubes. The products are currently classifiable under the Harmonized Tariff Schedule of the United States (HTSUS) subheadings: 7306.30.5025, 7306.30.5032, 7306.30.5040, and 7306.30.5055. Although the HTSUS subheadings are provided for convenience and customs purposes, the written product description of the scope of the *Order* remains dispositive. Preliminary Determination of No Shipments

From July 18, 2018 through July 26, 2018, Sheng Yu Steel Co., Ltd. (Sheng Yu), Tension Steel Industries Co., Ltd. (Tension Steel), Yieh Hsing Enterprise Co., Ltd. (Yieh Hsing), and Pat & Jeff Enterprise Co. Ltd. (P&J) timely filed statements reporting that they each made no shipments of subject merchandise to the United States during the POR. Subsequently, we received information from the U.S. Customs and Border Protection (CBP) confirming the no-shipment claims from Sheng Yu, Tension Steel, Yieh Hsing, and P&J. Based on the foregoing, Commerce preliminarily determines that Sheng Yu, Tension Steel, Yieh Hsing, and P&J had no shipments during the POR. For additional information regarding this determination, see the Preliminary Decision Memorandum. Consistent with our practice, Commerce is not rescinding this administrative review with respect to Sheng Yu, Tension Steel, Yieh Hsing, and P&J at this time, but intends to complete the review and issue appropriate instructions to CBP based on the final results of this review.⁷

Preliminary Results of This Review

As a result of this review, we calculated a preliminary weighted-average dumping margin of 2.44 percent for Shin Yang for the POR. Therefore, in accordance with section 735(c)(5)(A) of the Act, we assigned this weighted-average dumping margin of 2.44 percent calculated for Shin Yang to the fifteen companies not selected for individual review in these preliminary results, as referenced below. We preliminarily determine that the following weighted-average dumping margins exist for the period of May 1, 2017 through April 30, 2018:

Assessment Rates

Upon issuance of the final results, Commerce shall determine, and CBP shall assess, antidumping duties on all appropriate entries covered by this review.

For any individually examined respondents whose weighted-average dumping margin is above *de minimis* (i.e., 0.50 percent), we will calculate importer-specific *ad valorem* duty assessment rates based on the ratio of the total amount of dumping calculated for the importer’s examined sales to the total entered value of those same sales in accordance with 19 CFR 351.212(b)(1).⁸ We will instruct CBP to

⁸ In these preliminary results, Commerce applied the assessment rate calculation methodology adopted in *Antidumping Proceedings: Calculation of the Weighted-Average Dumping Margin and Assessment Rate in Certain Antidumping Proceedings: Final Modification*, 77 FR 8101 (February 14, 2012).

assess antidumping duties on all appropriate entries covered by this review when the importer-specific assessment rate calculated in the final results of this review is not zero or *de minimis*. If Shin Yang’s weighted-average dumping margin is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by this review where applicable.

In accordance with Commerce’s “automatic assessment” practice, for entries of subject merchandise during the POR produced by Shin Yang for which it did not know that the merchandise was destined for the United States, we will instruct CBP to liquidate those entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction. We intend to issue instructions to CBP 15 days after the publication date of the final results of this review.

Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for the companies under review will be the rate established in the final results of this review (except, if the *ad valorem* rate is *de minimis*, then the cash deposit rate will be zero); (2) for previously reviewed or investigated companies not covered in this review, the cash deposit rate will continue to be the company-specific rate published for the most recently-completed segment of this proceeding in which the company was reviewed; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation, but the producer is, the cash deposit rate will be the rate established for the most recently-completed segment of this proceeding for the producer of subject merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 9.70 percent, the all-others rate established in the investigation.⁹ These cash deposit requirements, when imposed, shall remain in effect until further notice.

⁹ See *Order*.

Notification to Importers

regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.
