SOCIAL SECURITY ADMINISTRATION

[Docket No: SSA-2019-0030]

Agency Information Collection Activities: Proposed Request and Comment Request

The Social Security Administration (SSA) publishes a list of information collection packages requiring clearance by the Office of Management and Budget (OMB) in compliance with Public Law 104-13, the Paperwork Reduction Act of 1995, effective October 1, 1995. This notice includes one extension, and revisions of OMB-approved information collections.

SSA is soliciting comments on the accuracy of the agency's burden estimate; the need for the information; its practical utility; ways to enhance its quality, utility, and clarity; and ways to minimize burden on respondents,

including the use of automated collection techniques or other forms of information technology. Mail, email, or fax your comments and recommendations on the information collection(s) to the OMB Desk Officer and SSA Reports Clearance Officer at the following addresses or fax numbers.

(OMB), Office of Management and Budget, Attn: Desk Officer for SSA, Fax: 202-395-6974, Email address: *OIRA_Submission@omb.eop.gov*.

(SSA), Social Security Administration, OLCA, Attn: Reports Clearance Director, 3100 West High Rise, 6401 Security Blvd., Baltimore, MD 21235, Fax: 410-966-2830, Email address: *OR.Reports.Clearance@ssa.gov*.

Or you may submit your comments online through *www.regulations.gov*, referencing Docket ID Number [SSA-2019-0030].

I. The information collection below is pending at SSA. SSA will submit it to OMB within 60 days from the date of this notice. To be sure we consider your comments, we must receive them no later than September 16, 2019. Individuals can obtain copies of the collection instruments by writing to the above email address.

Work Incentives Planning and Assistance Program—0960-0629. As part of SSA’s strategy to assist Social Security Disability Insurance (SSDI) beneficiaries and Supplemental Security Income (SSI) recipients who wish to return to work and achieve self-sufficiency, SSA established the Work Incentives Planning and Assistance (WIPA) program. This community based, work incentive, planning and assistance project collects identifying claimant information via project sites and community work incentives

coordinators (CWIC). SSA uses this information to ensure proper management of the project, with particular emphasis on administration, budgeting, and training. In addition, project sites and CWIC’s collect data from SSDI beneficiaries and SSI recipients on background employment, training, benefits, and work incentives. SSA is interested in identifying SSDI beneficiary and SSI recipient outcomes under the WIPA program, to determine the extent to which beneficiaries with disabilities and SSI recipients achieve their employment, financial, and healthcare goals. SSA will also use the data in its analysis and future planning for SSDI and SSI programs. Respondents are SSDI beneficiaries, SSI recipients, community project sites, and employment advisors.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)

II. SSA submitted the information collections below to OMB for clearance. Your comments regarding these information collections would be most useful if OMB and SSA receive them 30 days from the date of this publication. To be sure we consider your comments, we must receive them no later than August 19, 2019. Individuals can obtain copies of the OMB clearance packages by writing to *OR.Reports.Clearance@ssa.gov*.

1. *Real Property Current Market Value Estimate*—0960-0471. SSA considers an individual’s resources when evaluating eligibility for Supplemental Security Income (SSI) payments. The value of an individual’s resources, including non-home real property, is one of the eligibility requirements for SSI payments. SSA obtains current market value estimates of the claimant’s real property through Form SSA-L2794. We allow respondents to use readily

available records to complete the form, or we can accept their best estimates. We use this form as part of initial applications and in post-entitlement situations. The respondents are small business operators in real estate; state and local government employees tasked with assessing real property values; and other individuals knowledgeable about local real estate values.

Type of Request: Extension of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
SSA-L2794	300	1	20	100

2. *Child Care Dropout Questionnaire*—20 CFR 404.211(e)(4)—0960-0474. If individuals applying for Title II disability benefits care for their own or their spouse’s children under age 3, and have no steady earnings

during the time they care for those children, they may exclude that period of care from the disability computation period. We call this the child-care dropout exclusion. SSA uses the information from Form SSA-4162 to

determine if an individual qualifies for this exclusion. Respondents are applicants for Title II disability benefits.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
SSA-4162	2,000	1	5	167

3. *Medical Report on Adult with Allegation of Human Immunodeficiency Virus Infection; Medical Report on Child with Allegation of Human Immunodeficiency Virus Infection*—20 CFR 416.933—20 CFR 416.934—0960-0500. Section 1631(e)(i) of the Social Security Act authorizes the

Commissioner of SSA to gather information to make a determination about an applicant’s claim for SSI payments; this procedure is the Presumptive Disability (PD). SSA uses Forms SSA-4814-F5 and SSA-4815-F6 to collect information necessary to determine if an individual with human

immunodeficiency virus infection, who is applying for SSI disability benefits, meets the requirements for PD. The respondents are the medical sources of the applicants for SSI disability payments.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
SSA-4814-F5	9,600	1	8	1,280
SSA-4815-F6	80	1	10	13
Totals	9,680	1,293

4. *Beneficiary Recontact Report*—20 CFR 404.703 & 404.705—0960-0502. SSA investigates recipients of disability payments to determine their continuing eligibility for payments. Research indicates recipients may fail to report circumstances that affect their

eligibility. Two such cases are: (1) When parents receiving disability benefits for their child marry; and (2) the removal of an entitled child from parents’ care. SSA uses Form SSA-1588-SM to ask mothers or fathers about both their marital status and children under their

care, to detect overpayments and avoid continuing payment to those are no longer entitled. Respondents are recipients of mothers’ or fathers’ Social Security benefits.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
SSA-1588-SM	76,944	1	5	6,412

5. *Certification of Contents of Document(s) or Record(s)*—20 CFR 404.715—0960-0689. SSA established procedures for individuals to provide the evidence necessary to establish their rights to Social Security benefits. Examples of such evidence categories include age, relationship, citizenship, marriage, death, and military service.

Form SSA-704 allows SSA employees; State record custodians; and other custodians of evidentiary documents to certify and record information from original documents and records under their custodial ownership to establish these types of evidence. SSA uses Form SSA-704 in situations where individuals cannot produce the original

evidentiary documentation required to establish benefits eligibility. The respondents are State record custodians and other custodians of evidentiary documents.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
SSA-704	293	1	10	49

6. *Registration for Appointed Representative Services and Direct Payment*—0960-0732. SSA uses Form SSA-1699 to register appointed representatives of claimants before SSA who:

- Want to register for direct payment of fees;

- Registered for direct payment of fees prior to 10/31/09, but need to update their information;
- Registered as appointed representatives on or after 10/31/09, but need to update their information; or
- Received a notice from SSA instructing them to complete this form.

By registering these individuals, SSA: (1) Authenticates and authorizes them to do business with us; (2) allows them to access our records for the claimants they represent; (3) facilitates direct payment of authorized fees to appointed representatives; and, (4) collects the information we need to meet Internal Revenue Service (IRS) requirements to

issue specific IRS forms if we pay an appointed representative in excess of a specific amount (\$600). The respondents are appointed

representatives who want to use Form SSA-1699 for any of the purposes cited in this Notice.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
SSA-1699	17,700	1	20	5,900

7. *Certificate of Incapacity*—5 CFR 890.302(d)—0960-0739. Rules governing the Federal Employee Health Benefits (FEHB) plan require a physician to verify the disability of Federal employees’ children ages 26 and over for these children to retain health benefits under their employed parents’ plans. The physician must verify the

adult child’s disability: (1) Pre-dates the child’s 26th birthday; (2) is very serious; and (3) will continue for at least one year. Physicians use Form SSA-604, the Certificate of Incapacity, to document and certify this information, and the Social Security Administration uses the information provided to determine the eligibility for these children, ages 26

and over, for coverage under a parent’s FEHB plan. The respondents are physicians of SSA employees’ children ages 26 or over who are seeking to retain health benefits under their parent’s FEHB coverage.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)

SURFACE TRANSPORTATION BOARD

[Docket No. AB 1277X]

Savage Davenport Railroad Company—Discontinuance of Service Exemption—in Scott County, Iowa

On June 28, 2019, Savage Davenport Railroad Company (SDR) filed with the Board a petition under 49 U.S.C. 10502 for an exemption from the prior approval requirements of 49 U.S.C. 10903, to enable SDR to discontinue its operations over a rail line (the Line) owned by the City of Davenport, Iowa (the City), in Scott County, Iowa. The Line is approximately 2.8 miles long, extending from a switch near milepost 191.2 on the main line of a Canadian Pacific Railway subsidiary, west and south to the Davenport Transload Facility owned by the City. The Line traverses U.S. Postal Service Zip Code 52748.

According to SDR, the Line was constructed, and is owned, by the City¹ and is subject to a lease between the

City and SDR, requiring SDR to provide common carrier rail service over the Line, serving industrial shippers.² SDR explains that it began operations on the Line in March of 2018, serving one rail customer and the Transload Facility. SDR states that the Transload Facility currently has zero activity. (Pet. 3 n.3.) SDR states that it has advised the City of its desire to discontinue service, and the City has raised no objection provided a suitable replacement is identified. (*Id.* at 3.) SDR states that, based on the information in SDR’s possession, the Line does not contain federally granted rights-of-way. Any documentation in SDR’s possession will be made available promptly to those requesting it.

As a condition to this exemption, any employee adversely affected by the discontinuance of service shall be protected under *Oregon Short Line Railroad—Abandonment Portion Goshen Branch Between Firth & Ammon, in Bingham & Bonneville Counties, Idaho*, 360 I.C.C. 91 (1979).

Because this is a discontinuance proceeding and not an abandonment proceeding, trail use/rail banking and public use conditions are not appropriate. Because there will be an environmental review during any subsequent abandonment proceeding, this discontinuance does not require an
