#### Assessment Rates

Upon issuance of the final results, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries. Commerce intends to issue assessment instructions to CBP 15 days after the publication of the final results of this review. Where assessments are based upon facts available, including adverse facts available, we intend to instruct CBP to assess duties at the adverse facts available margin rate. If these preliminary results are unchanged in the final results, then Commerce intends to instruct CBP to assess antidumping duties on POR entries of the subject merchandise produced or exported by Synthos Dwory at the rate of 44.54 percent of the entered value. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.

#### Cash Deposit Requirements

The following cash deposit requirements will be effective for all

shipments of ESB rubber from Poland entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2) of the Act: (1) The cash deposit rate for Synthos Dwory will be the rate established in the final results of this administrative review; (2) for previously reviewed or investigated companies not participating in this review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which the company participated; (3) if the exporter is not a firm covered in this review or the original less-than-fair-value investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the manufacturer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 25.43 percent, the all-others rate established in the less-than-fair value investigation.<sup>17</sup> These cash deposit requirements, when imposed, shall remain in effect until further notice.

#### Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

#### Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act and section 19 CFR 351.221(b)(4).

Based on an analysis of the comments received, we have made changes to the weighted-average dumping margin determined for TFM. The weighted-average dumping margin is listed in the “Final Results of Review” section, below. Commerce conducted this review in accordance with section 751(a)(1)(B) and (2) of the Tariff Act of 1930, as amended (the Act).

### Changes Since the Preliminary Results

Based on our analysis of comments received, we made certain changes to the margin calculations for TFM. For a discussion of these changes, see the “Margin Calculations” section of the Issues and Decision Memorandum.

### Final Results of the Administrative Review

As a result of this review, we determine that the following weighted-average dumping margin exists for TFM for the period May 1, 2017 through April 30, 2018:

Producer/exporter	Weighted-average dumping margin (percent)
Teh Fong Min International Co., Ltd .....	7.14

### Disclosure

We intend to disclose the calculations performed for these final results of review within five days after public announcement of the final results in accordance with 19 CFR 351.224(b).

### Assessment Rates

Pursuant to section 751(a)(2)(A) of the Act and 19 CFR 351.212(b)(1), Commerce shall determine and U.S. Customs and Border Protection (CBP) shall assess antidumping duties on all appropriate entries covered by this review. For TFM, we calculated importer-specific assessment rates on the basis of the ratio of the total amount of antidumping duties calculated for each importer’s examined sales and the total entered value of the sales in accordance with 19 CFR 351.212(b)(1).<sup>6</sup>

For entries of subject merchandise during the POR produced by TFM for which it did not know its merchandise was destined for the United States, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction. We intend to issue instructions to CBP 15 days after publication of the final results of this review.

<sup>6</sup> In these final results, Commerce applied the assessment rate calculation method adopted in *Antidumping Proceedings: Calculation of the Weighted-Average Dumping Margin and Assessment Rate in Certain Antidumping Duty Proceedings; Final Modification*, 77 FR 8101 (February 14, 2012).

### Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided for by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for TFM will be equal to the weighted-average dumping margin listed in the final results of this administrative review; (2) for merchandise exported by producers or exporters not covered in this review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation but the producer is, the cash deposit rate will be the rate established for the most recent segment for the producer of the merchandise; (4) the cash deposit rate for all other producers or exporters will continue to be 6.19 percent.<sup>7</sup> These cash deposit requirements, when imposed, shall remain in effect until further notice.

### Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

### Administrative Protective Order

This notice also serves as a final reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.
