Federal grant program for States, authorized at 49 U.S.C. 5329(e)(6), FTA proposes to amend the information collection activities to focus only on the activities of SSOAs and RTAs to report information to FTA. Activities included in the previous information collection request that are not specifically related to FTA information collection are removed from this information collection request and are addressed in the Regulatory Impact Assessment developed for the final rule implementing 49 U.S.C. 5329(e). This proposed change aligns with the Paperwork Reduction Act (PRA) of 1995, United States Office of Personnel Management, Paperwork Reduction Act (PRA) Guide, Version 2.0, 2011.

The revised information collection request includes the annual report FTA requires from SSOAs, the burden of which has been reduced substantially through the development of a web-based system that replaces the existing spreadsheet-based process and provides direct interface with the National Transit Database. It also includes the FTA’s grant management reporting requirement and the triennial audit program, which requires information from both SSOAs and RTAs. Further, the information collection reflects requirements for SSOAs and RTAs to respond to FTA directives and advisories, and SSOAs participation in monthly teleconference calls with FTA. Finally, the information collection request includes RTA event notifications to FTA.

With these changes, the total burden hours have decreased from 586,443 hours for the previous information collection request to 16,365 representing an overall decrease of 570,078 hours.

**Estimated Annual Number of Respondents:** 96 respondents.

**Estimated Total Annual Burden Hours:** 16,365 hours.

A comment to OMB is best assured of having its full effect if OMB receives it within 30 days of publication of this notice in the Federal Register.

**ACTION:** Notice and request for comments.

**SUMMARY:** This notice provides interested parties with the opportunity to comment on the Maritime Administration’s (MARAD) new program designating eligible and qualified training entities as Centers of Excellence for Domestic Maritime Workforce Training and Education (CoE). MARAD received a total of eighteen comments which have been considered and are examined in the **SUPPLEMENTARY INFORMATION** section below. Now, MARAD is proposing to implement a voluntary program to identify and recommend qualified training providers for CoE designation. MARAD invites public comment on this new program and its application guidance.

**DATES:** Comments must be received on or before September 17, 2019. MARAD will consider comments filed after this date to the extent practicable.

**SUPPLEMENTARY INFORMATION:** Following the enactment of the National Defense Authorization Act of 2018, Public Law 115–91 (the “Act”), codified at 46 U.S.C. 54102, MARAD developed a procedure to recommend to the Secretary the designation of eligible institutions as Centers of Excellence for Domestic Maritime Workforce Training and Education (CoE). Pursuant to the Act, the Secretary of Transportation may designate certain eligible and qualified training entities as CoEs and may subsequently execute Cooperative Agreements with CoE designees. Authority to administer the CoE program is delegated to MARAD in 49 CFR 1.93(a).

Applications should include information to demonstrate that the applicant institution meets certain eligibility requirements, selection
