Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS. An electronically filed document must be received successfully in its entirety by Commerce's electronic records system, ACCESS, by 5:00 p.m. Eastern Time within 30 days after the date of publication of this notice.¹⁰ Requests should contain: (1) The party's name, address and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case briefs.

Unless otherwise extended, Commerce intends to issue the final results of this administrative review, which will include the results of its analysis of issues raised in any briefs, within 120 days of publication of these preliminary results of review, pursuant to section 751(a)(3)(A) of the Act.

Assessment Rate

Upon issuing the final results, Commerce will determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review.¹¹ If the respondent's weighted-average dumping margin is above *de minimis* (i.e., 0.50 percent) in the final results of this review, we intend to calculate an importer-specific assessment rate on the basis of the ratio of the total amount of antidumping duties calculated for the importer's examined sales and the total entered value of the sales in accordance with 19 CFR 351.212(b)(1).¹² If the respondent's weighted-average dumping margin is zero or *de minimis* in the final results, we will instruct CBP not to assess duties on any of its entries in accordance with the *Final Modification for Reviews*.¹³

¹⁰ See 19 CFR 351.310(c).

¹¹ See 19 CFR 351.212(b)(1).

¹² In these preliminary results, Commerce applied the assessment rate calculation method adopted in *Antidumping Proceedings: Calculation of the Weighted-Average Dumping Margin and Assessment Rate in Certain Antidumping Duty Proceedings; Final Modification*, 77 FR 8101 (February 14, 2012) (*Final Modification for Reviews*).

The final results of this administrative review shall be the basis for the assessment of antidumping duties on entries of merchandise under review and for future deposits of estimated duties, where applicable.

For entries of subject merchandise during the POR produced by Liberty for which it did not know its merchandise was destined for the United States, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.

We intend to issue liquidation instructions to CBP 15 days after publication of the final results of this review.

Cash Deposit Requirements

The following deposit requirements for estimated antidumping duties will be effective upon publication of the notice of final results of this review for all shipments of cold-rolled steel from the United Kingdom entered, or withdrawn from warehouse, for consumption on or after the date of publication as provided by section 751(a)(2) of the Act: (1) The cash deposit rate for Liberty, subject to this review, will be the rate established in the final results of the review; (2) for merchandise exported by producers or exporters not covered in this review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation but the producer is, the cash deposit rate will be the rate established for the most recent period for the producer of the merchandise; (4) the cash deposit rate for all other producers or exporters will continue to be 22.58 percent,¹⁴ the all-others rate established in the less-than-fair-value investigation.

These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate of reimbursement of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

SUPPLEMENTARY INFORMATION:

Background

On September 11, 2018, Commerce published in the **Federal Register** a notice of opportunity to request an administrative review of the antidumping duty order on narrow woven ribbons with woven selvage (NWR) from Taiwan for the period September 1, 2017 through August 31, 2018. On October 1, 2018, Commerce received a timely request, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), from Berwick Offray LLC and its wholly-owned subsidiary Lion Ribbon Company, LLC (the petitioner) to conduct an administrative review of the antidumping duty order on NWR from Taiwan manufactured and/or exported by Banduoo, Fujian Rongshu, Maple Ribbon, Rong Shu, and Xiamen Yi-He.¹

In November 2018, Commerce published in the **Federal Register** a notice of initiation of an administrative review of the antidumping duty order on NWR from Taiwan with respect to these five companies² for the period September 1, 2017 through August 31, 2018. Also in November 2018, we received timely submissions from Banduoo, Fujian Rongshu, Rong Shu, and Xiamen Yi-He notifying Commerce that they did not export or sell subject merchandise to the United States during the POR.³ In December 2018 and February 2019, we received additional

information from Rong Shu related to its no shipment claim.⁴

In March 2019, we confirmed Banduoo's, Fujian Rong Shu's, and Xiamen Yi-He's no shipment claims with U.S. Customs and Border Protection (CBP). Also in March 2019, we selected Maple Ribbon as a mandatory respondent in this review and issued an AD questionnaire to it.⁵ However, in the same month, the petitioner timely withdrew its request for an administrative review with respect to Maple Ribbon.⁶

Commerce exercised its discretion to toll all deadlines affected by the partial federal government closure from December 22, 2018 through the resumption of operations on January 29, 2019.⁷ The revised deadline for the preliminary results of this review is now July 12, 2019.

Scope of the Order

The scope of this order covers narrow woven ribbons with woven selvage, in any length, but with a width (measured at the narrowest span of the ribbon) less than or equal to 12 centimeters, composed of, in whole or in part, man-made fibers (whether artificial or synthetic, including but not limited to nylon, polyester, rayon, polypropylene, and polyethylene terephthalate), metal threads and/or metalized yarns, or any combination thereof. We note that the petitioner's withdrawal of this request was submitted within the tolled 90-day period and, thus, is timely.

The HTSUS statistical categories and subheadings are provided for convenience and customs purposes; however, the written description of the merchandise covered by this order is dispositive.

Preliminary Determination of No Shipments

On November 21, 2018, Banduoo, Fujian Rongshu, Rong Shu, and Xiamen Yi-He timely filed statements reporting that they made no shipments of subject merchandise to the United States during the POR.⁸ We confirmed the claims from Banduoo, Fujian Rongshu, and Xiamen Yi-He with CBP. Based on this information, we preliminarily determine that Banduoo, Fujian Rongshu, and Xiamen Yi-He had no shipments during the POR.

With respect to Rong Shu, we noted that the CBP data placed on the record of this review contained entries from Rong Shu which were classified as subject merchandise. Rong Shu submitted comments regarding the CBP data, in which it explained that its customers had erroneously categorized the entries as subject merchandise.⁹ To support its statements, Rong Shu submitted factual information related to the entries which demonstrated that the products contained in the shipments were not subject to the review, and it provided documentation filed by the importer with CBP to correct the entry type.¹⁰ After reviewing the additional information provided by Rong Shu, we preliminarily determine that Rong Shu also had no shipments during the POR.

Consistent with our practice, we are not preliminarily rescinding the review with respect to Banduoo, Fujian Rongshu, Rong Shu, and Xiamen Yi-He

but, rather, we will complete the review with respect to these companies and issue appropriate instructions to CBP based on the final results of this review.¹¹

Rescission of Review, in Part

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if a party that requested the review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review. The petitioner's withdrawal of its request with respect to Maple Ribbon was submitted within the 90-day period and, thus, is timely.¹² Because the petitioner's withdrawal of its request with respect to Maple Ribbon for an antidumping duty administrative review is timely, and because no other party requested a review of this company, in accordance with 19 CFR 351.213(d)(1), we are rescinding this administrative review, in part, with respect to Maple Ribbon.

Public Comment

Case briefs or other written comments may be submitted to the Assistant Secretary for Enforcement and Compliance no later than 30 days after the date of publication of this notice.¹³ Rebuttal briefs, limited to issues raised in the case briefs, may be submitted no later than five days after the deadline date for case briefs.¹⁴ Pursuant to 19 CFR 351.309(c)(2) and (d)(2), parties who submit case briefs or rebuttal briefs in this investigation are encouraged to submit with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities. Case and rebuttal briefs should be filed electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) and must be received successfully in its entirety by 5:00 p.m. Eastern Time by ACCESS.¹⁵ ACCESS is available to registered users at <https://access.trade.gov>, and to all parties in the

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, limited to issues raised in the case and rebuttal briefs, must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, within 30 days after the date of publication of this notice. Requests should contain the party's name, address, and telephone number, the number of participants, whether any participant is a foreign national, and a list of the issues to be discussed. If a request for a hearing is made, Commerce intends to hold the hearing at the U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230, at a time and date to be determined. Parties should confirm by telephone the date, time, and location of the hearing two days before the scheduled date.

Commerce intends to issue the final results of this administrative review, including the results of its analysis raised in any written briefs, not later than 120 days after the publication date of this notice, pursuant to section 751(a)(3)(A) of the Act, unless extended.¹⁶

Assessment Rates

With respect to Maple Ribbon, Commerce will instruct CBP to assess antidumping duties at the cash deposit rate in effect on the date of entry for entries during the period September 1, 2017 through August 31, 2018, in accordance with 19 CFR 351.212(c)(1)(i). We intend to issue liquidation instructions to CBP 15 days after publication of this notice.

With respect to the remaining companies covered by the review, upon issuance of the final results, Commerce shall determine, and CBP shall assess, antidumping duties on all appropriate entries covered by this review.¹⁷ The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review.¹⁸

Further, if we continue to find in the final results that Banduoo, Fujian Rongshu, Rong Shu, and Xiamen Yi-He had no shipments of subject merchandise during the POR, we will instruct CBP to liquidate any suspended entries that entered under their antidumping duty case numbers (*i.e.*, at

that exporter's rate) at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction. We intend to issue liquidation instructions for Banduoo, Fujian Rongshu, Rong Shu, and Xiamen Yi-He to CBP 15 days after publication of the final results of this review.

Cash Deposit Requirements

The following deposit requirements will be effective upon publication of the notice of final results of administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication as provided by section 751(a)(2)(C) of the Act: (1) For merchandise exported by manufacturers or exporters not covered in this review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published from the most recently completed segment; (2) if the exporter is not a firm covered in this review, or the original investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recently completed segment for the manufacturer of the merchandise; and (3) the cash deposit rate for all other manufacturers or exporters will continue to be 4.37 percent, the all-others rate determined in the less-than-fair-value investigation.¹⁹ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding Administrative Protective Order

This notice serves as a preliminary reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely

written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).
