

(1) Except as otherwise expressly provided, the Department of Homeland Security may place in expedited removal any or all members of the following class of aliens (other than unaccompanied alien children as defined in 6 U.S.C. 279(g)(2)) as determined by an immigration officer: Aliens who are inadmissible under sections 212(a)(6)(C) or (7) of the INA, who are physically present in the United States without having been admitted or paroled following inspection by an immigration officer at a designated port of entry, and who either (a) did not arrive by sea, are encountered by an immigration officer anywhere in the United States more than 100 air miles from a U.S. international land border, and have not been physically present in the United States continuously for the two-year period immediately prior to the date of the determination of inadmissibility, or (b) did not arrive by sea, are encountered by an immigration officer within 100 air miles from a U.S. international land border, and have been physically present in the United States continuously at least 14 days but less than two years immediately prior to the date of the determination of inadmissibility. Each alien placed in expedited removal under this designation bears the affirmative burden to show to the satisfaction of an immigration officer that the alien has been present in the United States continuously for the relevant period. This designation does not apply to aliens who arrive at U.S. ports of entry, because those aliens are already subject to expedited removal. Nor does this designation apply to or otherwise affect aliens who satisfy the expedited removal criteria set forth in any of the previous designations. See 82 FR 4902, 69 FR 48877; 67 FR 68923 (collectively, the Previous Designations).

(2) Any alien who is placed in expedited removal under this designation who indicates an intention to apply for asylum or who expresses a fear of persecution or torture, or a fear of return to his or her country, will be interviewed by an asylum officer to determine whether such alien has a credible fear as defined in section 235(b)(1)(B)(v) of the INA, 8 U.S.C. 1225(b)(1)(B)(v). If the asylum officer determines that the alien has established a credible fear, the alien will be referred to an immigration judge for further consideration of his or her application for asylum in proceedings under section 240 of the INA, 8 U.S.C. 1229a.

(3) Any alien who is placed in expedited removal under this

designation who claims lawful permanent resident, refugee, or asylee status, or U.S. citizenship will be reviewed in accordance with the procedures provided in 8 CFR 235.3(b) and 8 CFR 1235.3(b).

(4) This Notice applies to aliens described in paragraph (1) on or after July 23, 2019.

(5) This Notice does not supersede, abrogate, or amend or modify any of the Previous Designations, which shall remain in full force and effect in accordance with their respective terms.

Signed at Washington, DC, this 19th day of July 2019.

Kevin K. McAleenan,

Acting Secretary of Homeland Security.
