

concerning the proposed collection of information should address one or more of the following four points:

- (1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- (2) Evaluate the accuracy of the agencies estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- (3) Enhance the quality, utility, and clarity of the information to be collected; and
- (4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

#### Overview of This Information Collection

(1) *Type of Information Collection:* Extension of a Currently Approved Collection.

(2) *Title of the Form/Collection:* Obligor Change of Address.

(3) *Agency form number, if any, and the applicable component of the Department of Homeland Security sponsoring the collection:* I-333; ICE.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* Primary: Individual or Households, Business or other nonprofit. The data collected on this form is used by ICE to ensure accuracy in correspondence between ICE and the obligor. The form serves the purpose of standardizing obligor notification of any changes in their address and will facilitate communication with the obligor.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* 12,000 responses at 15 minutes (.25 hours) per response.

(6) *An estimate of the total public burden (in hours) associated with the collection:* 3,000 annual burden hours.

Dated: July 19, 2019.

#### Call for Nominations for the National Earthquake Prediction Evaluation Council

**AGENCY:** U.S. Geological Survey, Department of the Interior.

**ACTION:** Call for nominations.

**SUMMARY:** The Department of the Interior is seeking nominations to serve on the National Earthquake Prediction Evaluation Council (NEPEC). The NEPEC provides advice and recommendations to the Director of the U.S. Geological Survey (USGS) on earthquake predictions and related scientific research.

**DATES:** Nominations to participate on the NEPEC must be received by August 26, 2019.

**ADDRESSES:** Send nominations electronically to *NEPEC\_FACA\_Resumes@usgs.gov* or by mail to Linda Huey, U.S. Geological Survey, U.S. Department of the Interior, 12201 Sunrise Valley Drive, Mail Stop 905, Reston, VA 20192.

**FOR FURTHER INFORMATION CONTACT:** Dr. Michael Blanpied, U.S. Geological Survey, MS 905, 12201 Sunrise Valley Drive, Reston, Virginia 20192; 703-648-6696; *mblanpied@usgs.gov*

**SUPPLEMENTARY INFORMATION:** The NEPEC conducts its operations in accordance with the provisions of the Federal Advisory Committee Act. The NEPEC provides recommendations and advice to the Director of the USGS (Director), and functions solely as an advisory body.

The NEPEC includes up to 12 members, who are qualified in the seismic sciences and other appropriate fields involved in national earthquake research activities. NEPEC members will be experts in the scientific disciplines that bear on earthquake prediction or other relevant disciplines involved in forecasting natural hazards or public response to such forecasts. NEPEC members are appointed for 3-year terms. Nominations received through this call may be used to fill future vacancies on the NEPEC. Nominations will be reviewed by the USGS and additional information may be requested from nominees. Final selection and appointment of NEPEC members will be made by the Director.

The NEPEC meets approximately 1 time per year. The NEPEC may be required to meet on short notice to address an urgent situation regarding an

earthquake prediction or other earthquake emergency. NEPEC members will serve without compensation, but travel and per diem costs will be provided by the USGS. The USGS will also provide necessary support services to the NEPEC. NEPEC meetings are open to the public.

Nominations may come from individuals, employers, associations, professional organizations, or other geospatial organizations. Nominations should include a resume or curriculum vitae providing an adequate description of the nominee's qualifications sufficient for the USGS to make an informed decision regarding meeting the membership requirements of the NEPEC and permit the nominated person to be contacted. Nominations may optionally include supporting letters from employers, associations, professional organizations, and/or other organizations.

Additional information about the NEPEC and the nomination process is posted on the NEPEC web page at <https://www.nehrp.gov/committees/index.htm>.

**Authority:** 5 U.S.C. Appendix 2.
