FEDERAL ELECTION COMMISSION

[Notice 2019-10]

Policy Statement Regarding a Program for Requesting Consideration of Legal Questions by the Commission

AGENCY: Federal Election Commission.

ACTION: Policy statement.

SUMMARY: The Federal Election Commission (“Commission”) adopted a program on August 1, 2011, providing for a means by which persons and entities may have a legal question considered by the Commission earlier in both the report review process and the audit process. On October 23, 2013, the Commission revised this policy to provide an alternative electronic means to file a request with the Commission.

On May 13, 2016, the Commission further revised this policy to clarify that requests for consideration must be submitted to the Commission Secretary to ensure that such requests are processed in a timely manner, and to build five business days into the program to allow time for the informal resolution of matters. The Commission is now republishing the policy to reflect the Commission’s new mailing address. The Commission, however, is not making any substantive changes to the policy published on May 13, 2016.

DATES: This address change is effective July 29, 2019.

FOR FURTHER INFORMATION CONTACT: Mr. Lorenzo Holloway, Assistant General Counsel, or Margaret Forman, Attorney, 1050 First Street NE, Washington, DC 20463, (202) 694-1650 or (800) 424-9530.

SUPPLEMENTARY INFORMATION: On August 1, 2011, the Commission adopted a program providing for a means by which persons and entities may have a legal question considered by the Commission earlier in both the report review process and the audit process. Specifically, when the Office of Compliance (“OC”) (which includes the Reports Analysis Division and the Audit Division) requests that a person or entity take corrective action during the report review or audit process, if the person or entity disagrees with the request based upon a material dispute on a question of law, the person or entity may seek Commission consideration of the issue

pursuant to this procedure. The October 23, 2013 revision of the program was identical to that August 1, 2011 program, except that it provided alternative means to file a request with the Commission. This change was made to address and clarify timeliness issues due to delays in the processing and receipt of requests mailed to the Commission, by encouraging requests to be filed electronically by email. The May 13, 2016 program revised the October 23, 2013 program by clarifying that requests for consideration must be submitted to the Commission Secretary to ensure that such requests are processed in a timely manner, and building five business days into the program to allow time for the informal resolution of matters. The Commission is now republishing the policy in order to update the Commission’s address following its move to a new location in March 2018. The new address is 1050 First Street NE, Washington DC 20463. The policy statement regarding this program is reprinted in its entirety, below.

I. Procedures

Within 15 business days of a determination by the Reports Analysis Division or Audit Division that a person or entity remains obligated to take corrective action to resolve an issue that has arisen during the report review or audit process, the person or entity may seek Commission consideration if a material dispute on a question of law exists with respect to the recommended corrective action.¹ A “determination” for purposes of triggering the 15 business days is either: (1) Notification to the person or entity of legal guidance prepared by the Office of General Counsel (“OGC”) at the request of the Reports Analysis Division recommending the corrective action; or (2) the end of the Committee’s Audit Exit Conference response period.

Any request for consideration by a Committee during the report review process or the audit process shall be limited to questions of law on material issues, when: (1) The legal issue is novel, complex, or pertains to an unsettled question of law; (2) there has been intervening legislation, rulemaking, or litigation since the Commission last considered the issue; or (3) the request to take corrective action is contrary to or otherwise inconsistent with prior Commission matters dealing with the same issue.

¹ Many disputes involving corrective action requests hinge on questions of fact rather than questions of law, and thus are not appropriate for this procedure.

The request must specify the question of law at issue and why it is subject to Commission consideration. It should discuss, when appropriate, prior Commission matters raising the same issue, relevant court decisions, and any other analysis of the issue that may assist the Commission in its decision making. The Commission will not consider factual disputes under this procedure, and any requests for consideration other than on questions of law on material issues will not be granted.

All requests, including any extension requests, must be received by the Commission within 15 business days of the determination of corrective action. All requests must be directed to the attention of the Commission Secretary. Requestors may submit requests electronically via email. If a Requestor chooses to submit a request electronically via email, the email must be sent to LegalRequestProgram@fec.gov. Requestors are encouraged to submit comments electronically to ensure timely receipt and consideration. Alternatively, requests may be submitted in paper form. Paper requests must be sent to the Federal Election Commission, Attn.: Commission Secretary, 1050 First Street NE, Washington, DC 20463. Requestors are advised that if they submit a request, electronically or otherwise, to a different address than designated in this Policy, the processing of the request may be delayed. Upon receipt of a request, the Commission Secretary shall forward a copy of any request to each Commissioner, the General Counsel, and the Staff Director.

Any request for an extension of time to file will be considered on a case-by-case basis and will only be granted if good cause is shown, and the Commission approves the extension request by four affirmative votes within five business days of receipt of the extension request. Within five business days of notification to the Commissioners of a request for consideration of a legal question, if two or more Commissioners agree that the Commission should consider the request, OGC may, at that time, attempt to resolve the matter informally over the course of five business days. Within 15 business days from the date upon which OC and OGC conclude that the matter cannot be resolved informally, or from the expiration of the five business day period, whichever occurs first, OGC will prepare and circulate a recommendation in accordance with all applicable Commission Directives. If the matter is resolved informally, OC and OGC will notify the Commission that the matter
