OMB Control Number: 3170–0039.

Abstract: In subsection 1032(e) of the Dodd-Frank Act, 12 U.S.C. 5532(e), Congress gave the Bureau authority to provide certain legal protections to companies to conduct trial disclosure programs. This authority can be used to help further the Bureau’s statutory objective, stated in subsection 1021(b)(5) of the Act, to “facilitate access and innovation” in the “markets for consumer financial products and services.” More specifically, under section 1032(e), the Bureau may permit covered persons to conduct trial disclosure programs, limited in time and scope, for the purpose of providing trial disclosures designed to improve upon required disclosures. Such permission may include providing a legal safe harbor; i.e., the Bureau may deem a covered person conducting such a program to be in compliance with, or exempt from, a requirement of a rule or enumerated consumer law. Such trial disclosure programs must be subject to standards and procedures that are designed to encourage covered persons to conduct such programs. The requested information will provide a basis for assessing eligibility to conduct trial disclosure programs. The information will also serve to identify trial disclosure programs that carry the potential for developing and verifying disclosure improvements, while controlling for risks to consumers.

Request for Comments: The Bureau issued a 60-day Federal Register notice on May 13, 2019 (84 FR 20864), Docket Number: CFPB–2019–0026. Comments were solicited and continue to be invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the Bureau, including whether the information will have practical utility; (b) The accuracy of the Bureau’s estimate of the burden of the collection of information, including the validity of the methods and the assumptions used; (c) Ways to enhance the quality, utility, and clarity of the information to be collected; and (d) Ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Comments submitted in response to this notice will be reviewed by OMB as part of its review of this request. All comments will become a matter of public record.

Dated: July 25, 2019.

Darrin A. King,
Paperwork Reduction Act Officer, Bureau of Consumer Financial Protection.
