F. Federal Rules That May Duplicate, Overlap, or Conflict With the Proposed Rules

55. None.

III. Procedural Matters

56. *Ex Parte Rules*. This proceeding shall be treated as a “permit-but-disclose” proceeding in accordance with the Commission’s *ex parte* rules. Persons making *ex parte* presentations must file a copy of any written presentation or a memorandum summarizing any oral presentation within two business days after the presentation (unless a different deadline applicable to the Sunshine period applies). Persons making oral *ex parte* presentations are reminded that memoranda summarizing the presentation must (1) list all persons attending or otherwise participating in the meeting at which the *ex parte* presentation was made, and (2) summarize all data presented and arguments made during the presentation. If the presentation consisted in whole or in part of the presentation of data or arguments already reflected in the presenter’s written comments, memoranda or other filings in the proceeding, the presenter may provide citations to such data or arguments in his or her prior comments, memoranda, or other filings (specifying the relevant page and/or paragraph numbers where such data or arguments can be found) in lieu of summarizing them in the memorandum. Documents shown or given to Commission staff during *ex parte* meetings are deemed to be written *ex parte* presentations and must be filed consistent with Rule 1.1206(b). In proceedings governed by Rule 1.49(f) or for which the Commission has made available a method of electronic filing, written *ex parte* presentations and memoranda summarizing oral *ex parte* presentations, and all attachments thereto, must be filed through the electronic comment filing system available for that proceeding, and must be filed in their native format (e.g., .doc, .xml, .ppt, searchable .pdf). Participants in this proceeding should familiarize themselves with the Commission’s *ex parte* rules.

57. *Initial Regulatory Flexibility Analysis*. Pursuant to the Regulatory Flexibility Act (RFA), the Commission has prepared an Initial Regulatory Flexibility Analysis (IRFA) of the possible significant economic impact on small entities of the policies and actions considered in this NPRM. Written

public comments are requested on this IRFA. Comments must be identified as responses to the IRFA and must be filed by the deadlines for comments on the NPRM. The Commission’s Consumer and Governmental Affairs Bureau, Reference Information Center, will send a copy of the NPRM, including the IRFA, to the Chief Counsel for Advocacy of the Small Business Administration.

58. *Paperwork Reduction Act*. This document may propose new or modified information collection requirements subject to the Paperwork Reduction Act of 1995 (PRA), Public Law 104–13. In addition, therefore, it may contain new or modified information collection burdens for small business concerns with fewer than 25 employees, pursuant to the Small Business Paperwork Relief Act of 2002, Public Law 107–198.

IV. Ordering Clauses

59. *It is ordered* that pursuant to the authority contained in sections 1–4, 201(b), 202, 303(r), 403, 601(4), 601(6), and 628 of the Communications Act of 1934, as amended, 47 U.S.C. 151–54, 201(b), 202, 303(r), 403, 521(4), 521(6), and 548, and section 401 of the RAY BAUM’s Act of 2018, 47 U.S.C. 163, this Notice of Proposed Rulemaking is adopted.

60. *It is further ordered* that the Notice of Proposed Rulemaking will be effective upon publication in the **Federal Register** and comments will be due on the dates stated therein.

FMCSA received a request for an extension to the comment period from the American Trucking Associations and the U.S. Chamber of Commerce's Technology Engagement Center. C. Privacy Act

In accordance with 5 U.S.C. 553(c), DOT solicits comments from the public to better inform its rulemaking process. DOT posts these comments, without edit, including any personal information the commenter provides, to www.regulations.gov, as described in the system of records notice (DOT/ALL-14 FDMS), which can be reviewed at www.dot.gov/privacy.

II. Background

The May 2019 ANPRM (84 FR 24449) requested public comment on 10 subject areas: Whether the FMCSRs require a human driver; commercial driver's license endorsements; drivers' hours of service rules; medical qualifications for human operators; distracted driving and monitoring; safe driving and drug and alcohol testing; inspection, repair, and maintenance; roadside inspections; cybersecurity; and confidentiality of shared information.

The comment period for the ANPRM was set to expire on July 29, 2019. FMCSA received a request to extend the comment period from the American Trucking Associations and the U.S. Chamber of Commerce's Technology Engagement Center. A copy of the request, which was not filed in the docket, has been placed in the docket for this rulemaking.

ATA and C TEC requested a 30-day extension of the comment period, stating that the additional time was needed to coordinate with and gather information from members and more usefully respond to the detailed questions posed in the ANPRM.

FMCSA believes that other potential commenters to this ANPRM will benefit from an extension as well. Accordingly, FMCSA extends the comment period for all comments on the ANPRM to August 28, 2019.

Issued under authority delegated in 49 CFR 1.87.

Larry W. Minor,

Associate Administrator for Policy.
